

Live Free Or Die John Ringo

John Ringo

Live Free or Die, Second Edition John Ringo, 2023-07-04 WILL THE PEOPLE OF EARTH BOW DOWN TO ALIEN OVERLORDS—OR WILL THEY FIGHT BACK? First Contact Was Friendly When aliens trundled a gate to other worlds into the Solar System, the world reacted with awe, hope, and fear. The first aliens to come through, the Glatun, turned out to be peaceful traders, and the world breathed a sigh of relief. Who Controls the Orbitals, Controls the World When the Horvath came through, they announced their ownership of us by dropping rocks on three cities and gutting them. Since then, they've held Terra as their own personal fiefdom. With their control of the orbitals, there's no way to win and Earth's governments have accepted the status quo. Live Free or Die To free the world from the grip of the Horvath is going to take an unlikely hero. A hero unwilling to back down to alien or human governments, unwilling to live in slavery, and with enough hubris, if not stature, to think he can win. Fortunately, there's Tyler Vernon. And he has bigger plans than just getting rid of the Horvath. The Troy Rising series is a story in three parts—Live Free or Die being the first part—detailing the freeing of Earth from alien conquerors, the first steps into space using off-world technologies and the creation of Troy, a thousand-trillion-ton battle station designed to secure the Solar System. At the publisher's request, this title is sold without DRM (Digital Rights Management). About John Ringo: "Ringo is sure to satisfy the most demanding action junkie." —Publishers Weekly "[Ringo's work is] peopled with three-dimensional characters and spiced with personal drama as well as tactical finesse." —Library Journal

Live Free or Die John Ringo, 2010-02-02 Beginning a New Series by a New York Times Best-Selling Author. Will the People of Earth Bow Down to Alien Overlords—or Will They Live Free or Die? First Contact Was Friendly When aliens trundled a gate to other worlds into the solar system, the world reacted with awe, hope, and fear. The first aliens to come through, the Glatun, were peaceful traders, and the world breathed a sigh of relief. Who Controls the Orbitals, Controls the World When the Horvath came through, they announced their ownership by dropping rocks on three cities and gutting them. Since then, they've held Terra as their own personal fiefdom. With their control of the orbitals, there's no way to win and earth's governments have accepted the status quo. Live Free or Die To free the world from the grip of the Horvath is going to take an unlikely hero. A hero unwilling to back down to alien or human governments, unwilling to live in slavery and enough hubris, if not stature, to think he can win. Fortunately, there's Tyler Vernon. And he has bigger plans than just getting rid of

Horvath. *Troy Rising* is a book in three parts—Live Free or Die being the first part—detailing the freeing of earth from alien conquerors, the first steps into space using off-world technologies and the creation of Troy, a thousand-trillion-ton battle station designed to secure the solar system.

The Hot Gate John Ringo,2011-05-01 The fight to free the Earth from alien domination began in Live Free or Die, and continued in Citadel. Now Tyler Vernon, and his troops aboard the gigantic battle station Troy, face a desperate battle with the forces of galactic tyranny. And the very survival of the Earth and its people is not all that is at stake. The galaxy itself must choose to live free or die-and if the tyrants win this battle, darkness will fall across the galaxy for millennia to come. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Why We Love Die Hard Kim Taylor-Foster,2022-11-15 Rediscover all the reasons you love Die Hard with this essential illustrated guide to the making of and impact of this quintessential action (and Christmas) flick! Fully loaded with John McClane sarcasm, Alan Rickman as a German terrorist, and Nakatomi Plaza blowing up on Christmas Eve, Die Hard is often cited as the film that took action blockbusters to the next level, but what has earned the film its fiercely devoted fan base? That's the question that Why We Love Die Hard seeks to answer. This is the first and only guide that combines entertaining information about the history and making of the film with a celebratory look at all the different aspects that have helped solidify Die Hard as a must-see film. A Die Hard lover's dream, this guide includes punchy illustrations paired alongside essays exploring the film's history, characters, unique film techniques, and the thematic elements that have helped this film become the beloved classic it is today.

Beyond the Ranges John Ringo,James Aidee,2024-05-07 For Jason Graham, the world ends not with a bang, not even with much of a whimper. One second, he's sitting in a restaurant in Mobile, Alabama, chatting with a server, the next he finds himself in a strange room, rescued by mysterious alien benefactors. Seems the world did end, though how and why are something of a mystery. Now, Jason—and five hundred million other humans—are in orbit around an Earthlike world that is abundant in natural resources and totally untamed. For the newly awakened humans, this is a chance to start society with a clean slate and a bright future. For Jason, who has knocked about aimlessly in several different careers in his Earth life, it's an opportunity to unleash his creativity and ambition and see what he can really do.

Citadel John Ringo,2011-01-04 Second in the New Military Science Fiction Series by New York Times Best-Selling Author John Ringo. Once the Earth has been Freed, How Can the Former Conquerors be Kept from Returning to Reconquer the Planet—or Even Destroy It? Of all the hosts of Eurotas the Troias were the most fell. For they were born of Winter. Between the Solar Array Pumped Laser and Troy, the two trillion ton nickel-iron battlestation created by eccentric billionaire Tyler Vernon, Earth has managed to recapture the Sol system from their Horvath conquerors and begin entering the galactic milieu. But when the Rangora Empire rapidly crushes humanity's only ally it becomes clear the war is just beginning. At the

heart of nickel iron and starlight are the people, Marines, Navy and civilians, who make Troy a living, breathing, engine of war. Survivors of apocalypse, they know the cost of failure. If this Troy falls, no one will be left to write the epic. Citadel continues the saga begun in Live Free or Die, following the paths of several characters during the first years of The Spiral Arm Wars culminating in the First Battle of E Eridani.

East of the Sun and West of the Moon John Ringo,2006-05 East of the Sun, West of the Moon

The Hero John Ringo,Michael Z. Williamson,2004-06 On an enemy planet inhabited by the Darhel, an alien race with extraordinary empathic abilities, a human hunter stalks his alien prey, a Darhel who must overcome his sensitivities to kill his stalker, or be killed in the process.

There Will Be Dragons John Ringo,2004-11-01 In the future there is no want, no war, no disease nor ill-timed death. The world is a paradise-and then, in a moment, it ends. The council that controls the Net falls out and goes to war. Everywhere people who have never known a moment of want or pain are left wondering how to survive. But scattered across the face of the earth are communities which have returned to the natural life of soil and small farm. In the village of Raven's Mill, Edmund Talbot, master smith and unassuming historian, finds that all the problems of the world are falling in his lap. Refugees are flooding in, bandits are roaming the woods, and his former lover and his only daughter struggle through the Fallen landscape. Enemies, new and old, gather like jackals around a wounded lion. But what the jackals do not know is that while old he may be, this lion is far from death. And hidden in the past is a mystery that has waited until this time to be revealed. You cross Edmund Talbot at your peril, for a smith is not all he once was. . . .

Hell's Faire John Ringo,2003-05 The shattered SheVa Nine is rising from its smoking ashes to fight against the ravaging Posleen hordes and save the interior of the Cumberland Plateau.

Against the Tide John Ringo,2005-02 The United Free States confront an imminent full-scale invasion by the Changed legions of Roposa and the fascist forces of New Destiny, unless Edmund Talbot can muster new technical innovations to repel them.

Hypothetical Spacecraft and Interstellar Travel Ezekiel Nygren,2015-02-28 Hypothetical Spacecraft and Interstellar Travel collects information about the latest and greatest hypothetical spacecraft.

Emerald Sea John Ringo,2004-07 Edmund Talbot and Herzer Herrick are sent to the Southern Isles to enlist the aid of the mer-folk--people who had altered their bodies into the shape of mythical sea dwellers--in the battle against the fascist dictators of New Destiny.

Ghost John Ringo,2006-10-31 Former SEAL Michael Harmon, Team Name Ghost, retired for service injuries, is not enjoying college life. But things are about to change, if not for the better. When he sees a kidnapping a series of, at the time logical, decisions leave him shot to ribbons and battling a battalion of Syrian commandos with only the help of three naked

co-eds who answer to the names 'Bambi,' 'Thumper' and 'Cotton Tail.' A fast-paced, highly-sexual, military-action thriller that ranges from a poison factory in the Mideast to the Florida Keys to Siberia, the novel will keep you guessing what twisted fate will bring next for the man once known as . . . Ghost. Keep an eye on him or . . . poof, he'll be gone.

Digital Talking Books Plus ,2012

Talking Book Topics ,2014-05

Unto the Breach John Ringo,2006-11-28 by John Ringo Michael Harmon has been there and done that. Rescued co-eds, killed major terrorists, stopped nuclear assaults. Now he'd just like to kick back and relax with his harem of lovelies. Unfortunately, the world keeps turning. Mike and the Keldara are back tracking down terrorists, rogue Russian bio-scientists and the doomsday weapon to end all doomsday weapons. It's going to take some very tough, hard and nasty people to stop the end of the world. Fortunately, there's Mike Harmon. The Hero of Ghost, Kildar and Choosers of the Slain, along with his company of elite mountain fighters, is sent on a mission to stop an advanced smallpox plague from being turned over to terrorists.

Princess of Wands John Ringo,2006 When Barbara Everette heads to New Orleans for a weekend getaway, she has an unexpected rendezvous with Detective Kelly Lockhart--a homicide investigator working on a case with no suspects--that may reveal the mystery of the Bayou Ripper.

River of Night John Ringo,Mike Massa,2019-07-02 A NEW NOVEL IN JOHN RINGO'S BESTSELLING BLACK TIDE RISING SERIES. Sequel to The Valley of Shadows. THROUGH THE RAGING PLAGUE At Tom Smith's previous gig, he was the global managing director for security of an international bank. Then the zombies emerged. And New York burned. His plan to save the city long enough to find a cure for the zombie virus didn't survive a bloody scrimmage between angry cops, cunning gangsters, and rapacious officials. Tom and a few trusted allies were able to stay one step ahead and barely escape. Now they seek refuge in the bank's prepared evacuation retreat in the Cumberland Valley of Tennessee. But between Tom's people and relative safety are hundreds of miles of clogged roads, burnt-out towns and howling mobs of infected humans who know only hunger. Plus there are gangs of the non-infected who would like nothing more than to defeat and enslave any weary travelers who happen their way. And finally, if Tom does pull off the journey, no one is sure how they are going to restart civilization. But even for that, Tom Smith has the spark of an idea. And, as always, the beginnings of a plan. Which he is certain will change completely when the enemy strikes. About Black Tide Rising: ". . . an entertaining batch of . . . action-packed tales. Certainly, fans of Ringo's particular brand of action-adventure will be pleased."—Booklist This anthology broadens Ringo's Black Tide world, serving up doses of humanity amid the ravenous afflicted. Comedy has a place in this harsh reality, and these stories stir adventure and emotion at a frantic clip throughout. Zombie fiction fans will be thrilled.—Library Journal About the Black Tide Rising Series: "Not only has Ringo found a mostly unexplored corner of the

zombie landscape, he's using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but its the human story that keeps us involved. A fine series.”—Booklist About Under a Graveyard Sky: “Ringo combines humor and horror in this strong series debut, the thinking reader’s zombie novel.”—Publishers Weekly About John Ringo: “[Ringo’s work is] peopled with three-dimensional characters and spiced with personal drama as well as tactical finesse.”—Library Journal “. . . Explosive. . . fans. . . will appreciate Ringo’s lively narrative and flavorful characters.”—Publishers Weekly “. . . practically impossible not to read in one sitting . . . exceedingly impressive . . . executed with skill, verve, and wit.”—Booklist “Crackerjack storytelling.”—Starlog BLACK TIDE RISING SERIES: Under a Graveyard Sky To Sail a Darkling Sea Islands of Rage and Hope Strands of Sorrow Black Tide Rising The Valley of Shadows

Welcome to the Jungle John Ringo, Casey Moores, 2025-10-07 Conspiracy Theories Meet Superhero Reality Dumped in an alleyway as a baby and raised in one of the most vicious inner cities this country has to offer, Michael Edwards' life changed forever when he acquired Earth powers and heard the words, “The Storm is Coming.” He trained those powers, forged a team with the other Junior Supers, and took down a vicious criminal. Then, he disappeared to hunt down the remains of that creature's gang on his own. Now, he's back in New York City. Not only is he looking for justice—no, vengeance—for what was done to his mother, but he also seeks the inheritance that's his due. Blocking the path to Michael's inheritance is The Society, a secret organization which runs most of the world and can best be described as pure evil. No teenage boy alive could possibly hope to bring down The Society on his own. Except, perhaps, for one Michael Edwards, aka Stone Tactical, aka Boogie Knight. The Society is about to get a visit, and they won’t know what hit them. At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for John Ringo: “For thoughtful readers, Ringo raises some tough and highly relevant questions . . .” —Publishers Weekly “. . . [Ringo’s] imagination, clearly influenced by Kipling and rock and roll, is fertile . . .” --Booklist
