Both the study guide and the lesson plan may be purchased individually; buy as a combo, however, and save.

Understanding Contemporary Chicana Literature Deborah L. Madsen,2000 Exploring the work of six notable authors, this text reveals characteristic themes, images and stylistic devices that make contemporary Chicana writing a vibrant and innovative part of a burgeoning Latina creativity.

**Teaching Discipline-Specific Literacies in Grades 6-12** Vicky I. Zygouris-Coe,2014-10-30 Comprehensive, timely, and relevant, this text offers an approach to discipline-specific literacy instruction that is aligned with the Common Core State Standards and the needs of teachers, students, and secondary schools across the nation. It is essential that teachers know how to provide instruction that both develops content and literacy knowledge and skills, and aims at reducing student achievement gaps. Building on the research-supported premise that discipline-specific reading instruction is key to achieving these goals, this text provides practical guidance and strategies for prospective and practicing content area teachers (and other educators) on how to prepare all students to succeed in college and the workforce. Pedagogical features in each chapter engage readers in digging deeper and in applying the ideas and strategies presented in their own contexts: Classroom Life (real 6-12 classroom scenarios and interviews with content-area teachers) Common Core State Standards Connections College, Career, and Workforce Connections Applying Discipline-Specific Literacies Think Like an Expert (habits of thinking and learning specific to each discipline) Digital Literacies Differentiating Instruction Reflect and Apply Questions Extending Learning Activities The Companion Website includes: Lesson plan resources Annotated links to video files Annotated links to additional resources and information Glossary/Flashcards For Instructors: All images and figures used in the text provided in an easily downloadable format For Instructors: PowerPoint lecture slides

*The House as the Female Body in "The House on Mango Street" by Sandra Cisneros* Anja Mittelstedt, 2018-09-07 Seminar paper from the year 2018 in the subject American Studies - Literature, grade: 1.0, University of Potsdam, course: Chicana Life Writing, language: English, abstract: The title of the book *The House on Mango Street* raises expectations and creates questions of its content and intent. Will it be the story of a family in the south, where Mangos grow? Will we meet different characters who inhabit the same house one after another? Or will the house be one-of-its-kind on this special street? In actuality, Sandra Cisneros tells the story of a girl, Esperanza, who lives in a house, set on Mango Street, in a fictional part of Chicago. The 44 vignettes have their roots in stories Cisneros heard, saw, or experienced in real life. The singular in the title should therefore be a plural, because a great number of houses feature in the book. Esperanza visits family and friends while searching for her own future. *The House on Mango Street* is a growing-up story, yet buildings do not grow into anything. They are falling into disrepair more often than not. So why does a house feature so prominently in the title of a book on growing up? I will argue, that the house in this book can be read as the female body in a patriarchal society. Its immobile state an accusation in the face of a need for change. In 1984 Sandra Cisneros published *The House on Mango Street* and became one of the first widely read writers of the Chicana movement. A movement that filled the void left for women of Mexican heritage by the U.S. feminist movement on the one hand, and the Chicano movement on the other hand. White middle class women fought for political equality, women's suffrage, and reproduction rights; Latino males fought for equal opportunity with and recognition from the dominant white U.S. American culture. The Chicana had very little interest in political rights, since she was usually concerned with questions of laundry and cooking. She didn't want to fight for recognition from dominant culture, because she was still dominated by males of her own culture. While the Chicana movement achieved recognition and won many battles since then, the current climate in U.S. politics, the fear of immigrants, the disregard for women's rights to their bodies, shows that there is much to be done. *The House on Mango Street* remains a book of utmost consequence to feminism, immigration and integration. What Sandra Cisneros captured, and I will try to show, is how the way we think about women influences the way we act toward them and how the same thoughts act on our self-perception.

*A Story of Their Own* Rebecca Jean Peacock, 2003

*Cultivating Adolescent Literacy* Gregory Berry, 2017-10-04 This book offers middle and high school teachers useful suggestions and strategies for cultivating literacy in their classrooms, focusing primarily on the key skills of reading and writing. It discusses the nature of standards-based education and emphasizes the power and importance of good literature in the ELA curriculum. Included are detailed approaches to reading and writing with simple strategies for teaching close reading of complex text, as well as textual evidence and elaboration. A variety of sample performance tasks are included for commonly taught works of American and world literature as well as a variety of strategies to strengthen students reading

and writing skills needed for success in college and the workplace. This book is a practical handbook for teachers, who can easily find appropriate strategies to use in their classrooms and begin implementing them right away. It is a useful collection of tips with suggestions and instructions for implementing effective and engaging literacy strategies and performance tasks.

*Contemporary Literary Criticism* Jeffrey W. Hunter, 2004-11 Covers authors who are currently active or who died after December 31, 1959. Profiles novelists, poets, playwrights and other creative and nonfiction writers by providing criticism taken from books, magazines, literary reviews, newspapers and scholarly journals.

**The House on Mango Street** Sandra Cisneros, 2013-04-30 A TODAY SHOW #ReadWithJenna BOOK CLUB PICK NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2025 Ivan Sandrof Lifetime Achievement Award from the National Book Critics Circle. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s Main Street or Toni Morrison’s Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

Using the Writer's Notebook in Grades 3-8 Janet L. Elliott,2008 Janet Elliott provides practical ideas, assignments, and examples of student writing. This book offers a vision of what is possible for young writers--both in writing across the curriculum and in writing workshop. Janet Elliott performs magic in the classroom by encouraging children to write! In this highly readable guide, Elliott provides everything you need to re-create that magic in your classroom, including tips and ideas for getting started with writer's notebooks and using them effectively all year long. Filled with practical ideas, assignments, and examples of student writing, this book offers a vision of what is possible for young writers--both in writing across the curriculum and in writing workshop. You'll also find handy management tips that help you meet the challenges that often arise. Starting with a rationale for using writer's notebooks, topics include getting started, using the notebook to record observations, and using children's literature as a springboard for writing entries. Elliott shows you how to help students develop their entries through the writing process and use the notebook as a planning tool. Also included are a focused unit of study for the writer's notebook and a special chapter about engaging boys in notebook writing. You'll return to this valuable resource again and again, whether you've used writer's notebooks for years or are just starting out.
