The Hidden Powers of Ritual Bradd Shore, 2023-12-12 An illuminating overview of the development, benefits, and importance of ritual in everyday life, written by a leading cognitive anthropologist. The Hidden Powers of Ritual is an engaging introduction to ritual studies that presents ritual as an evolved form of human behavior of almost unimaginable significance to our species. Every day across the globe, people gather to share meals, brew caffeinated beverages, or honor their ancestors. In this book, Bradd Shore, a respected anthropologist, reaches beyond familiar “big-R” rituals to present life’s humbler, overshadowed moments, exploring everything from the Balinese peleton to baseball to family Zoom sessions in the age of Covid to the sobering reenactment rituals surrounding the Moore’s Ford lynchings. In each ritual, Shore shows how our capacity to ritualize behavior is a remarkable part of the human story. Encompassing both the commonly unlabeled “interaction rituals” studied by sociologists and the symbolically elaborated sacred rituals of religious studies, Shore organizes his conception around detailed case studies drawn from international research and personal experience, weaving scholarship with a memoir of a life encompassed by ritual. A probing exploration that matches breadth with accessibility, The Hidden Powers of Ritual is a provocative contribution to ritual theory that will appeal to a wide range of readers curious about why these unique repetitive acts matter in our lives.

The Tapping Solution for Manifesting Your Greatest Self Nick Ortner, 2019-02-19 The New York Times best-selling creator of the Tapping Solution offers a three-week program of practical self-inquiry and hands-on work designed to unlock your life's full potential. Have you ever had the feeling your life just isn't working? That no matter how much you push and direct, or sit back and let go, the square peg you're holding just won't fit into the round hole that is your life? What if, instead, the roadblocks went away? What if you could experience more ease and flow in your life, banish self-doubt, fear, and anxiety, and live your greatest life? Can you imagine what that would look like--and more important, what it would feel like? Now Tapping Solution creator and New York Times best-selling author Nick Ortner helps you not only imagine it but make it a reality. The Tapping Solution for Manifesting Your Greatest Self guides you through a 21-day process of self-discovery and self-development using the simple, proven practice called Tapping (also known as Emotional Freedom Techniques). Each of the 21 stages includes a Daily Challenge and a Tapping Meditation to help the changes you're making take root. And you can work through the program at your own pace--doing one stage every day, every three days, every week, or whatever you like--

with exclusive e-mail reminders from Nick to support you throughout the process. Drawing on wisdom sources from Aristotle to Dr. Seuss, along with Nick's own deep well of insight and stories from his daily life, this book is terrific fun to read. It's also a powerful tool for transformation. We're going to work together to let your light shine brighter than ever before, Nick writes, to create the life experiences you most deserve and desire. Ready? Then let's get tapping!

Free with Every Kids' Meal Jonathan Alexandratos,2025-07-10 When we hear the term fast food toys, many of us picture specific favorites. Whether they be the McDonald's Changeables, Burger King's expansive Lord of the Rings figurines, or the Star Wars: Episode I premiums that gripped Taco Bell, KFC, and Pizza Hut simultaneously, chances are high that you have a nostalgic go-to. But why? Perhaps the element of surprise, an unexpected toy accompanying your lunch, delighted you as a child. Maybe you loved the promotion's source material and wanted to collect everything within its domain. Or it could be that this tiny, random plaything intersected with your life at just the inexplicably right moment. Whatever the case may be, toys tucked into kids' meals are designed to be disposable, but many of our experiences prove them to be anything but. While there are many books devoted to cataloguing various fast food promotional products, this is the first to undertake a deep analysis of their cultural impact. By digging deep into kids' meals past and present, this work uncovers the history of their toys. This work guides examines the ways in which these simple prizes interact with societal factors like race, gender, class, and economics by connecting their analyses with the work of top theorists. In so doing, we learn why these allegedly forgettable toys embed in memory--not because of the toy at the bottom of a brightly colored food container, but because, there, in the in-between space of toy-and-meal, permanent-and-temporary, meaningless-and-meaningful, we find ourselves.

A Layman's Challenge to Galatians Peter Bellone, 2022-02-09 What is the overriding issue within the book of Galatians? It appears that there are three issues going on during this time of Paul being in Galatia. Is it that the Galatian converts are free from the Law of Moses, Or is it that Christian converts are not subject to the Abrahamic Covenant and therefore are not required to be circumcised, Or is it because there are Christian-Jews that want them to become God-fearers or apostolates into the religion of the Jews due to their belief in a Jewish Messiah? This religion of the Jews has been poorly interpreted as Judaism, and today, Judaism has further been defined as, to include, those nonmainstream Christian who keep the seventh-day Sabbath, as well as the seven annual feasts/sabbaths. So what is the argument that we see coming out of mainstream Christian teaching in regard to the book of Galatians? It is this: that Paul took all Christian gentile converts and removed them from the odious Law of Moses and in doing so removed all Christians from the Law and, in turn, turning Christianity into a religion of lawless peoples! Mainstream Christian, religious, and scholars have even gone so far as to have done away with the seventh-day Sabbath, as well as the seven annual feasts/sabbaths, proclaiming these days as ceremonial, having no God authorized authority to do so while bringing into Christian doctrine two days of the ceremony called Palm and Easter Sundays! Neither of these days has any meaning to God; otherwise, he would have included them in his pantheon of days of importance (feasts). Nowhere in all the sixty-six books of the Bible do we read of God the Father, nor God, the Word of God (who became Jesus and then took up his former position upon his return to the Father), doing away with the Sabbath(s)! Therefore, this book is a challenge to that lack of authority, and while mainstream Christianity might pontificate about what Jesus might have said or what he might have meant, they are in violation of the very scriptures that they claim to be an authority of. This is because Paul never did what mainstream Christianity is accusing him of, which is taking Christians away from the law. Circumcision was only for Abraham and all his seed, from the time of the covenant even until today. However, no one born outside of the house of Abraham was required to get circumcised. While all Israel saw this covenant as law, this requirement to be circumcised did not fall under the Mosaic Law. And if I am not required by law to do something and you come along and tell me not to do that which I am not required to do, then in essence, you did not take me away from anything! In addition, a secondary issue was that there were those who might have been Christian-Jews saw that if a gentile converted from being a pagan and believed in a Jewish Messiah, then that gentile had to immerse themselves into all the religion of the Jews, which required several rituals that had to be performed and once accomplished made a Gentile into a Jew, not a covert into Christianity but a full member of the house of Israel and in turn the house of Judah! These then are the

arguments that Paul is fighting against! He is not going anti-law, nor is he saying to the gentiles, Here, since you are a convert, you do not have to do this, but as for us Jews, we have to keep the law. Isn't that a house divided? Paul is not guilty of anything more than keeping his charges from getting circumcised while showing them that the laws of God, the Word of God, are to be obeyed as it is what is necessary for salvation!

Words Are My Matter Ursula K. Le Guin,2019-10-22 A collection of essays on life and literature, from one of the most iconic authors and astute critics in contemporary letters. Words Are My Matter is essential reading: a collection of talks, essays, and criticism by Ursula K. Le Guin, a literary legend and unparalleled voice of our social conscience. Here she investigates the depth and breadth of contemporary fiction—and, through the lens of literature, gives us a way of exploring the world around us. In “Freedom,” Le Guin notes: “Hard times are coming, when we’ll be wanting the voices of writers who can see alternatives to how we live now ... to other ways of being, and even imagine real grounds for hope. We’ll need writers who can remember freedom—poets, visionaries—realists of a larger reality.” Le Guin was one of those authors and in Words Are My Matter she gives us just that: a vision of a better reality, fueled by the power and might and hope of language and literature.
