Offers vital information for preparing and presenting on-the-job training. Illustrates how to evaluate results of OJT. Describes aids to planned on-the-job training. Includes six valuable lessons about planned OJT programs.

The Complete Book of Scriptwriting J. Michael Straczynski,1982 To survive and thrive in the fantasyland that is show business, you need to know the realities of writing and selling. J. Michael Straczynski learned these realities the hard way. With his help, you'll learn them the easy way. Here the writer/producer of *Murder, She Wrote* and creator of *Babylon 5* tells you how it really is - and how you can really succeed writing scripts. Straczynski shows you the importance of distinguishing yourself, through professionalism and discipline, from the wannabes. He helps you strengthen your writing technique while urging you to bring your own vision to your work, avoid formula, and create from passion. And he takes you in for a close look at every entertainment medium hungry for good scriptwriters.

Writing Effective Policies and Procedures Nancy Campbell,1998 A step-by-step resource for clear communication of all types of policies and procedures. Policies and procedures - they're what make a company run efficiently and legally. Now managers have a definitive guide to creating accurate policies and procedures documents. The book is useful for professionals in such areas as: * health and safety * human resources * office management * administration * quality * manufacturing * customer service * finance and accounting. Readers will enjoy the unusually friendly, informal approach of this book. Loaded with examples, checklists, guidelines, quick tips, work plans, and forms, it is ready for immediate use. The

book shows how to: * write (and design) documents clearly (so employees will understand and follow the policies) * plan, analyze, and research each element * help employees increase efficiency, reduce mistakes and frustration, and save time and money - by providing clear guidelines to follow * avoid legal mistakes that can get a company in trouble.

Scripting Media Frank Barnas, Marie Barnas, 2023-08-15 Bringing together professional standards, practices, and jargon from across the industry, Scripting Media provides a complete overview of writing for divergent forms of media. While some forms of media writing have been honed and standardized over generations, others demand new ways of thinking and collaborating. Covering traditional forms of scriptwriting, such as news, advertising, and film scripting, as well as newer and more emerging areas of social media and virtual reality, this book is designed to prepare readers for the varying formats, styles, and techniques specific to each medium. Each chapter contains a list of key terms, an historical overview of the area, and technical specifications for students to be aware of. Exercises, essay prompts, and online links help reinforce students' knowledge and provide avenues for private study. Written in an accessible and engaging style by two renowned media practitioners, authors, and teachers, Scripting Media is essential reading for students approaching media writing for the first time.
