The House at the End of the World Madeleine Marsh,2013-02-21 First came the dead, then the un-dead, and the battle between Good and Evil.Joe, Gabe, Emilie and Rick have seen it all; the flesh and blood, the survivors, the resistance. They might have even seen Death, and Satan driving a sports car. Now they're here, wherever here is, in a house that seems to grant wishes. So if their wishes don't extend beyond hot water, real food and a good night's sleep, who's to blame them?They owe their lives to Matt and Luke, two guys devoted to each other, who've spent their lives tracking and killing the things Hell spits out. But if they've been victorious, what happens to them now?After living in terror, moving from town to town and fighting inhuman creatures hell-bent on eating them, a safe, warm house feels very much like paradise. But even paradise has its downsides and only death is forever.This is the debut original novella by writer Madeleine Marsh. More information about her, and short stories featuring characters from the book, can be found at her website at www.madeleine-marsh.com.

The House at the End of the World. Life is a Story - story.one Leah Abber,2023-08-15 Four people lived a normal life. Four people were mysteriously cut off from the rest of the world, and the only human contact that remains is the voices in the air - each other's voices. An old woman, a man with a mustache, a teenage girl and a kid have to unravel the secret of their sudden circumstances and find the thing that connects them all - though along the journey some of them wish the answer they so fiercely wanted would have remained unknown just a moment longer.

The Lamb Christology of the Apocalypse of John Loren L. Johns,2014-11-10 Revision of the author's thesis (Ph.D.)-- Princeton Theological Seminary, 1998.

The Book of Signs Dr. David Jeremiah,2019-03-05 From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events and social crisis. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it

means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. The Book of Revelation in Christological Focus Dan Lioy, 2003 By making use of a grammatical-historical form of exegesis, Dan Lioy conducts a thoroughgoing textual analysis of Revelation with special attention given to the connection between its Christocentric themes and its doctrinal rationale. The result is a comprehensive study that is informed by the Old Testament, the New Testament, and extrabiblical material. Appropriate for personal study as well as a college and seminary text, this book provides an insightful, engaging, and scholarly treatment of the Apocalypse.
