

# The Outlaws Scarlett And Browne

Arturo Cuomo

**The Notorious Scarlett and Browne** Jonathan Stroud, 2025-02-25 Stroud is a genius. —Rick Riordan The now notorious outlaws Scarlett and Browne are back in their second death-defying adventure—and this time it's not just their own lives on the line. . . . Albert and Scarlett are a formidable pair. With his ability to read minds and her way with a weapon, no bank can keep them out and no jail can keep them in. But their notoriety may have spread a bit too far. Now old enemies from Scarlett's past and a sinister new threat from Albert's world are boxing them in—and holding their friends hostage. To win their freedom, the outlaws Scarlett and Browne are charged with pulling off an impossible mission. And the clock is ticking . . . Fans of Jonathan Stroud's *The Outlaws Scarlett and Browne* won't want to miss their next adventure.

*The Outlaws Scarlett and Browne* Jonathan Stroud, 2021-10-05 Action! Humor! Fantasy! Kicking off a new series with a bang (several bangs, in fact), Stroud sends two young fugitives with murky pasts fleeing murderous pursuers across a fractured future Britain. —Kirkus Reviews, starred Scarlett McCain is a shoot-first ask-questions-later kind of outlaw. She scrapes by on bank heists, her wits—and never looking back. She's on the run from her latest crime when she comes across Albert Browne. He is the sole survivor of a horrific accident, and against her better judgement, Scarlett agrees to guide him to safety. This is a mistake. Soon there are men with dogs and guns and explosives hot on their heels. Scarlett's used to being chased by the law, but this is extreme. It was only a little bank she'd robbed . . . As they flee together across the wilds, fighting off monstrous beasts, and dodging their pursuers, Scarlett comes to realize that Albert Browne is hiding a terrible secret. And that he may be the most dangerous threat of all. In this fast-paced, quick-witted whirlwind of a story, Jonathan Stroud introduces two unlikely allies—the outlaws Scarlett and Browne—who are about to become the most notorious renegades in all that's left of Britain.

**The Legendary Scarlett and Browne** Jonathan Stroud, 2026-02-03 The death-defying conclusion to the audacious, razor-sharp, and raucous exploits of the notorious outlaws Scarlett and Browne from the bestselling author of *Lockwood & Co.*, Jonathan Stroud. Throughout their lawless careers, Scarlett McCain and Albert Browne have gotten out of trouble by shooting first, then running away. Now that's no longer an option. In this non-stop thrill-ride of a novel, we witness Albert's return to the terrifying Stonemoor prison, follow Scarlett's search for her long-lost brother, see a town besieged by the cannibal Tainted, and join the final confrontation against the cruel forces of the Faith Houses. Along the way, our rebellious

anti-heros will have to face up to the secrets of their past, and accept the challenge of shaping a better future.

*Rebel Skies* Ann Sei Lin, 2024-09-03 Ann Sei Lin's enchanting and action-packed YA debut, first in a series and now available in paperback, will sweep readers away to an aerial world of magic, danger and political intrigue. Perfect for fans of Elizabeth Lim, Kalynn Bayron and the films of Studio Ghibli. Kurara has never known any other life than being a servant onboard the Midori, a flying ship serving the military elite of the Mikoshiman Empire, a vast realm of floating cities. Kurara also has a secret — she can make folded paper figures come to life with a flick of her finger. But when the Midori is attacked and Kurara's secret turns out to be a power treasured across the empire, a gut-wrenching escape leads her to the gruff Himura, who takes her under his wing. Under Himura's tutelage, and with the grudging support and friendship of his crew, Kurara learns to hunt shikigami — wild paper spirits sought after by the Princess of Mikoshima. But what does the princess really want with the shikigami? Are they merely enchanted figures without will or thought, or are they beings with souls and minds of their own? As fractures begin to appear both across the empire and within Kurara's understanding of herself, Kurara will have to decide who she can trust. Her fate, and the fate of her friends — and even the world — may rest on her choice. And time is running out.

*Errands & Espionage* Sam Tschida, 2024-08-06 In this fast-paced and deliciously witty spy romcom, a single mom finds herself wrapped up in unexpected adventure when she is recruited to pose as a secret agent, perfect for fans of Finlay Donovan Is Killing It. Recently divorced Gabby Greene spends most of her days listening to self-help books while wrangling her loving yet erratic kids. During a decade of marriage, Gabby shoved aside her own career and ambitions to make room for mountains of laundry, running errands, and investigating the case of the missing socks. Her number one suspect: their Bichon Frise, Mr. Bubbles. All that changes when a secret government agency comes knocking on Gabby's door, asking her to go undercover. At first, she thinks some reality show is pranking her, but apparently, she bears a striking resemblance to an agent recently murdered, and... well, desperate missions call for desperate measures. Soon Gabby is juggling motherhood and a crash course in Spying 101, led by a handsome James Bond-type who has secrets of his own. As Gabby embarks on a dangerous mission involving money laundering, a Russian oligarch, and an unfortunate incident with a prosthetic nose, she begins to realize that she is far from the invisible housewife she once believed herself to be, and that maybe, just maybe, she might be capable of saving the day.

*Books Make Good Friends* Jane Mount, 2023-11-07 This new picture book from beloved author-illustrator Jane Mount celebrates the avid reader, demonstrates how books make you better, and reassures anyone who has been anxious or uncertain about facing the real world. Lotti isn't sure she wants to make friends. She's shy, and she doesn't really know how. While everyone around her is playful, outgoing, and loud, Lotti prefers a quiet place and a book to read. Lotti LOVES books. To her, books are full of magic and aren't as scary as new friends. But perhaps Lotti's books can show her how to find magic

in everyday moments, and maybe the friends she can share this magic with are closer than she thinks. Iconic Bibliophile creator Jane Mount makes her children's book debut in this imagination-driven story of a shy booklover's attempts to open her mind and find joy with the people around her. This journal-esque narrative—which includes fun recommended reads on each page—explores the process of book discovery for bibliophiles-in-training, and is perfect for enthusiastic and reluctant readers alike! **FOR ALL TYPES OF READERS:** The story's main character, Lotti, is shy and struggles to make friends, but her imagination and love for reading take her to faraway places and introduce her to new friends. Readers of all tastes will find a relatable character in Lotti and enjoy the diverse books she reads—from fiction and nonfiction to novels and picture books. There's a book for everyone! **PROMOTING LITERACY:** The concept behind this book is timelessly important: promoting literacy. It is especially helpful for reluctant readers who may need to learn how to navigate resources like libraries and will teach them how to find books in their communities. In each scene, the main character is reading a new book. She visits her school library and her public library and has a tote bag from an independent bookstore. This book encourages kids to literally go out and read, broaden their horizons, and immerse themselves in the rich world of books. **INTERACTIVE & VIBRANT:** Readers will love discovering new books as they engage with the interactive format of this journal-style picture book, which features book recommendations, book lists and stacks, and lots of bookish commentary and questions in Mount's signature hand-lettering. Her recognizable and vibrant art style achieves a new level of playfulness that will hold endless appeal for young readers. **PERFECT FOR FANS OF BIBLIOPHILE:** Jane Mount is the creator behind the beloved Bibliophile line of products ranging from journals to stationery to décor for book lovers. Fans will be excited to share this with young ones in their lives! **OVERCOMING SHYNESS:** Highly autobiographical, this book reveals that Jane was a shy kid, very much like Lotti. She tells her story in the Author's Note. The backmatter also features a stack of all her favorite books, with her charming commentary. **ENGAGING RESOURCE TOOL:** Aside from being a wonderful tool for excited young readers, this book will be a welcome resource for those who care about making reading more accessible to children—including teachers, librarians, parents, and family members—and fostering connections with young readers. Perfect for: Parents, teachers, and librarians seeking resources for voracious readers and reluctant readers Kids who love reading and enjoy stories about friendship, bookstores, and bookish cats Gift giving for birthday, holiday, graduation, spring break or summer reading Fans of Bibliophile: An Illustrated Miscellany and Bibliophile: Diverse Spines Readers who cherish classic children's books old and new, like Charlotte's Web, Ivy + Bean, Harry Potter, Wonder, The Golden Compass, Where the Mountain Meets the Moon, and so many more included on Lotti's shelves Anyone who LOVES books

**Lockwood & Co: The Hollow Boy** Jonathan Stroud, 2015-09-24 Now a major Netflix series! Lockwood & Co. might be the smallest (some might say shambolic) Psychic Detection Agency in London. But its three agents - Lockwood, Lucy and George - are exceptional Talents. And they get results. When an outbreak of ghostly phenomena grows to terrifying levels in Chelsea, Scotland Yard is left baffled. Even more baffling is that Lockwood & Co appear to have been excluded from the huge team of Agents investigating the Chelsea Outbreak. Surely this is the perfect chance for them to show once and for all that they're actually the best in town? Well, that's if they can put aside their personal differences for long enough to march into action with their rapiers, salt and iron . . . Ghouls and spectres, thrills and tension in this third instalment in Jonathan Stroud's bestselling series. 'Stroud is a genius' - Rick Riordan, author of the Percy Jackson series.

Foylibra , 1945 Issues for Feb. 1933- include the monthly book circle bulletin (formerly the Book of the month bulletin). The same material issued also by James Thin or Henry Sotheran, ltd. as: Books of the month (with which is incorporated The Book index monthly) but omitting the monthly book circle bulletin.

**Lockwood & Co: The Whispering Skull** Jonathan Stroud, 2014-08-28 Now a major Netflix series! Ghosts and ghouls beware! London's smallest, shabbiest and most talented psychic detection agency is back. Life is never exactly peaceful for Lockwood & Co. Lucy and George are trying to solve the mystery of the talking skull trapped in their ghost jar, while Lockwood is desperate for an exciting new case. Things seem to be looking up when the team is called to Kensal Green Cemetery to investigate the grave of a sinister Victorian doctor. Strange apparitions have been seen there, and the site must be made safe. As usual, Lockwood is confident; as usual, everything goes wrong - a terrible phantom is freed and a dangerous object is stolen from the coffin. Lockwood & Co. must recover the relic before its power is unleashed, but it's a race against time. Their obnoxious rivals from the Fittes agency are also on the hunt. And if that's not bad enough, the skull in the ghost-jar is stirring again... The author of the blockbuster BARTIMAEUS sequence delivers another humorous and chilling instalment in the critically acclaimed LOCKWOOD & CO. series. 'Stroud is a genius' Rick Riordan, author of the Percy

Jackson series.
