

The Sudden Appearance Of Hope

L Reisser

The Sudden Appearance of Hope Claire North, 2016-05-17 The World Fantasy Award-winning thriller about a girl no one can remember, from the acclaimed author of *The First Fifteen Lives of Harry August* and *84K*. My name is Hope Arden, and you won't know who I am. But we've met before -- a thousand times. It started when I was sixteen years old. A father forgetting to drive me to school. A mother setting the table for three, not four. A friend who looks at me and sees a stranger. No matter what I do, the words I say, the crimes I commit, you will never remember who I am. That makes my life difficult. It also makes me dangerous. *The Sudden Appearance of Hope* is a riveting and heartbreaking exploration of identity and existence, about a forgotten girl whose story will stay with you forever.
