THE ANSWERS TO THE QUESTIONS ARE PROVIDED AT THE END OF EACH PAGE, MAKING IT EASY FOR PARTICIPANTS TO VERIFY THEIR ANSWERS AND PREPARE EFFECTIVELY.

F. Scott Fitzgerald's Odyssey Bernard R. Tanner,2003 In this study, independent scholar Tanner aims to show that F. Scott Fitzgerald designed The Great Gatsby using literary methods (such as burlesquing characters from mythology) that he had found in James Joyce's Ulysses. The focus is on commonly overlooked Biblical parodies underlying Fitzgerald's text. Tanner taught high school English for 30 years in Palo Alto, California. The volume is not indexed. Annotation b2004 Book News, Inc., Portland, OR (booknews.com).

A Concordance to F. Scott Fitzgerald's The Great Gatsby ,1974

**Parties** F. Scott Fitzgerald,2020-03-05 'I want to give a really bad party. I mean it. I want to give a party where there's a brawl and seductions and people going home with their feelings hurt and women passed out in the cabinet de toilette. You wait and see.' The crackle of gin on ice, the first chords of the band, the low hum of gossip- whether you love or loathe parties, Fitzgerald writes them like no one else. From glittering occasions complete with an orchestra and dancing girls to a fist-fight at the end of a toddler's birthday, this is a dazzling collection of party pieces from the master of celebration. Selected from The Great Gatsby, Tender is the Night and Flappers and Philosophers VINTAGE MINIS: GREAT MINDS. BIG IDEAS. LITTLE BOOKS. A series of short books by the world's greatest writers on the experiences that make us human

F. Scott Fitzgerald's The Great Gatsby Harold Bloom, 2009 Presents a series of critical essays discussing the structure, themes, and subject matter of Fitzgerald's story of the love between wealthy Jay Gatsby and the beautiful Daisy Buchanan.

**CliffsNotes on Fitzgerald's The Great Gatsby** Kate Maurer, 2011-05-18 The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature. The latest generation of titles in this series also features glossaries and visual elements that complement the familiar format. CliffsNotes on The Great Gatsby explores F. Scott Fitzgerald's novel of triumph, tragedy, and a classic love triangle in the 1920s. Following the story of a young Midwesterner who's fascinated by the mysterious past and opulent lifestyle of his landlord, this study guide provides summaries and critical commentaries for each chapter within the novel. Other features that help you figure out this important work include Personal background on the author Introduction to and synopsis of the book In-depth character analyses Critical essays on topics of interest Review section that features interactive questions and suggested essay topics and practice projects Resource Center with books, videos, and websites that can help round out your knowledge Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

**The Argosy**, 1937

**American Dream Visions** Deborah Davis Schlacks, 1994 This fascinating book breaks new ground by examining the influence of Chaucer's dream visions on American author F. Scott Fitzgerald. In so doing, it raises important questions about periodization, genre, and gender issues. Besides offering much biographical evidence of a Fitzgerald-Chaucer connection, the study uses Jungian theory to present a detailed and persuasive discussion of structural and other features shared by Chaucer's works and several of Fitzgerald's relatively early works: three stories, a play, and *The Great Gatsby*. Further, the study demonstrates that each author dealt with a similar theme: that of artistic creativity and the qualities necessary for the successful artist. It explores, too, each author's use of artist-narrators, including Fitzgerald's use of females in the role of artist figure in two of his stories.

*The Great Gatsby* Roger Lathbury, 2000 A guide to F. Scott Fitzgerald's most famous work. Written for high school students, chapters discuss the history of the work, historical and biographical themes, the critical response, and academic approaches to the book.

**3 books to know New York** Henry James, F. Scott Fitzgerald, Washington Irving, August Nemo, 2020-05-02 Welcome to the 3 Books To Know series, our idea is to help readers learn about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is: New York. - *The Great Gatsby* by F. Scott Fitzgerald - *Washington Square* by Henry James - *Knickerbocker's History of New York* by Washington Irving *The Great Gatsby* is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional

towns of West Egg and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession with the beautiful former debutante Daisy Buchanan. Washington Square is a short novel by Henry James. Originally published in 1880 as a serial in Cornhill Magazine and Harper's New Monthly Magazine, it is a structurally simple tragicomedy that recounts the conflict between a dull but sweet daughter and her brilliant, unemotional father. The plot of the novel is based upon a true story told to James by his close friend, British actress Fanny Kemble. Irving completed A History of New-York from the Beginning of the World to the End of the Dutch Dynasty, by Diedrich Knickerbocker. It was his first major book and a satire on self-important local history and contemporary politics. Before its publication, Irving started a hoax by placing a series of missing person advertisements in New York newspapers seeking information on Diedrich Knickerbocker, a crusty Dutch historian who had allegedly gone missing from his hotel in New York City. This is one of many books in the series 3 Books To Know. If you liked this book, look for the other titles in the series, we are sure you will like some of the topics
