

All The Little Raindrops

David Fisher

All the Little Raindrops Mia Sheridan,2023-09-19 The chilling story of the abduction of two teenagers, their escape, and the dark secrets that, years later, bring them back to the scene of the crime. It's senior-year spring break, and Noelle Meyer and Evan Sinclair have been kidnapped. Neither knows why they were chosen, only that they share a tragic past: Evan's father got away with killing Noelle's mother, effectively ruining her family when the death was ruled an accident. Despite the connection that should have made them enemies, the teens instead unite to face their other common denominator--their abductors. Noelle and Evan survive one sadistic circumstance after another, eventually making a harrowing escape. But every happy ending comes at a price... Years later, Evan, now a private investigator, revisits the crime when he learns it may be ongoing. He reaches out to Noelle for help, and they discover that the answers lie with a man known only as the Collector. To close their case and solve the ones that followed, Noelle and Evan must unmask this mysterious spectator--the only man who knows enough secrets to take their captors down.

Portrait of a View Daniel Ontengco Jr.,2005-05-18 This book is a collection of poems that I have been compiling over the last twelve years. I began the book in 1993,and finally completed it in 2004. The poems are not entirely autobiographical but do include a large amount of myself in them. There is reality that is masked and fiction that is realized. The reader can judge which is which. The majority of the poems are one page creations with a focus more on originality rather than structure. Although many of the poems do experiment with differing rhyme sequences and poem types, the emphasis is on creating something that is different and in my own style. Originally, I was just writing for my own pleasure and satisfaction. However, after several years, I started to feel that I would like to publish the poems as one book. I wrote a few at a time when I was feeling inspired. I never wrote unless I had the creative itch, and had what I thought was a good enough idea. I hope that the reader will enjoy at least some of these ideas and not judge the rest too harshly. I was never trying to impress anyone but myself. The title for the book, Portrait of a View was inspired by a trip I made to the Salvador Dali Art Museum in Florida in 1993. However, the central concept of the book is that words and ideas can be used not just to paint a picture, but also to create something that is real and that has an existence all its own. I hope that at least in some small way, I have accomplished this in my portrait of a view.
