

Charles McCarry Paul Christopher Novels

Charles McCarry

The Secret Lovers Charles McCarry, 1977 Set in 1960 at the peak of the cold war, the story turns on the smuggling of a vital manuscript out of Moscow. At dawn in Berlin, covert action officer Paul Christopher rendezvouses with the agent carrying the manuscript to the West. Minutes later, the courier is killed by a hit-and-run driver. And the questions begin. Who killed the courier, but, most of all, why?

Second Sight Charles McCarry, 1991 Since his reemergence with the publication of *Old Boys*, Charles McCarry has been heralded as one of the select few novelists of espionage who manage to break out of his genre to shine as a brilliant and unique novelist. *Second Sight* is seventh in the series that follows the legendary spy Paul Christopher—a man ensnared by a line of work that never failed to exert its insidious influence outside professional boundaries. Now retired and living the quiet life as a loving husband in Washington, D.C., Christopher has survived battlefields of World War II, undercover Cold War killing grounds, and imprisonment in China. But now, throughout the Arab world, U.S. agents are being kidnapped and brain-drained by an unidentified enemy armed with a diabolical new drug. Christopher's old friend and superior in the Outfit calls with a command he feels he must obey. But what begins for Christopher as a global manhunt swiftly turns into something far closer to home. For the key to the danger he must defuse is a secret buried deep in his own perilous past.

The Tears of Autumn Charles McCarry, 2022-09-01 A rogue agent crisscrosses the globe to investigate the assassination of JFK in this acclaimed spy novel by the acclaimed author of *The Miernik Dossier*. When President Kennedy is shot in Dallas, the nation is shocked and mystified. But American spy Paul Christopher has a different perspective. He believes he knows who arranged the assassination and why. But if his theory is correct, it would destroy the dead president's image and endanger vital foreign policy. Christopher is therefore ordered to end his investigation. Determined to uncover the truth, Christopher resigns from the Agency and embarks on a quest that takes him from Paris to Rome, Zurich, the Congo, and Saigon. Threatened by Kennedy's assassins and by his own government, Christopher follows the scent of his suspicion into the dark heart of a geopolitical conspiracy. *The Tears of Autumn* is an incisive study of power and a brilliant commentary on the force of illusion, the grip of superstition, and the overwhelming strength of blood and family in the affairs of a nation.

Second Sight Charles McCarry, 2009-03-31 A legendary CIA agent is called out of retirement to combat an unknown enemy in this sweeping international spy thriller. *Second Sight* is the seventh thriller in the critically acclaimed series that

follows CIA Agent Paul Christopher—a man ensnared by a line of work that never failed to exert its insidious influence outside professional boundaries. Now retired and living the quiet life as a loving husband in Washington, D.C., Christopher has survived battlefields of World War II, undercover Cold War killing grounds, and imprisonment in China. But now, throughout the Arab world, U.S. agents are being kidnapped and brain-drained by an unidentified enemy armed with a diabolical new drug. Christopher's old friend and superior in "the Outfit" calls with a command he feels he must obey. But what begins for Christopher as a global manhunt swiftly turns into something far closer to home. For the key to the danger he must defuse is a secret buried deep in his own perilous past.

Christopher's Ghosts Charles McCarry, 2008-09-02 A CIA agent faces off against a sadistic SS officer in this Cold War spy thriller that "will have readers on the edge of their seats" (Bookmarks Magazine). It is the late 1930s, and a young Christopher bears witness to an unspeakable atrocity committed by a remorseless SS officer. Fast forward to the height of the Cold War, and the SS man emerges out of the ruins of post-war Germany to destroy the last living witness to his crime. It's a case of tiger chasing tiger as Christopher is pursued by the only man who can match his craft or his instincts. Praise for Christopher's Ghosts "McCarry . . . takes the story of his recurring master spy Paul Christopher back to its wildly romantic beginning. . . . Former spook McCarry remains at the top of his game." —Kirkus Reviews "McCarry . . . remains a compelling storyteller. . . . The book speeds toward a satisfying, inevitable conclusion." —Publishers Weekly

The Bride of the Wilderness Charles McCarry, 2011-11-22 Something completely different from the bestselling thriller writer: "a full-blooded, unashamed romance . . . Mr. McCarry sweeps you along" (The New York Times). Fanny's father, Henry Harding, has known Oliver Barebones since the two men were children. Together they survived the Great Plague and the Great Fire, and now they are rich, middle-aged, and unmarried. Everyone's shocked when Oliver, a lifelong bachelor, falls headfirst for a superstitious young girl named Rose. In two days he's decided to marry her. For the Hardings and the Barebones, it will be years before they find such happiness again. Ruin comes to them all in the shape of Alfred Montagu, a cold-hearted moneylender who ensnares them in crushing debt and schemes to marry Fanny. After her father dies, Fanny attempts to take refuge in France. It's not far enough to escape her troubles, so with Oliver and Rose, she departs for a far-off place called Connecticut, dodging Montagu by diving into the teeth of dangers no London girl could ever imagine.

Old Boys Charles McCarry, 2005-04-26 In his magnificent new novel, Charles McCarry returns to the world of his legendary character, Paul Christopher, the crack intelligence agent who is as skilled at choosing a fine wine as he is at tradecraft, at once elegant and dangerous, sophisticated and rough-and-ready. As the novel begins, Paul Christopher, now an aging but remarkably fit 70ish, is dining at home with his cousin Horace, also an ex-agent. Dinner is delicious and uneventful. A day later, Paul has vanished. The months pass, Paul's ashes are delivered by a Chinese official to the American consulate in Beijing and a memorial service is held in Washington. But Horace is not convinced that Paul is dead and, enlisting the

support of six other retired colleagues—a sort of all-star backfield of the old Outfit—Horace gets the Old Boys back in the game to find Paul Christopher. They start with a photo found in Paul's study: a woman's hand holding a centuries-old scroll, once in the possession of the Nazis and now sought by the U.S. government and Muslim extremists alike. Harassed by American intelligence, hunted by terrorists, Horace Christopher and the Old Boys travel the globe, from Xinjiang to Brazil, from Rome to Tel Aviv, Budapest to Moscow, in search of Paul and the unspeakably dangerous truth.

Lucky Bastard Charles McCarry, 2011-11-22 The KGB grooms a long-lost Kennedy for an explosive assignment in this thriller by an ex-CIA agent and New York Times-bestselling spy novelist. Although in the mid-1940s no one had ever heard of JFK, Jack Adams's mother insisted her new son be christened John Fitzgerald. Years after his parents' death, Jack learns the reason for his name: a packet of photos showing his mother in bed with young John Kennedy. As a student at Columbia University, Jack demonstrates that he inherited more than JFK's good looks. His irresistible charisma and political instinct make him a natural campus leader, but he has his sights set on something bigger than the student council. Young Jack Adams wants to be president of the United States, and the Soviet Union is prepared to help. A KGB spy named Dmitri recruits Jack, promising him the presidency in exchange for treason. Dmitri guides Jack for decades, putting him in a position to become the largest intelligence coup in history—unless the candidate's libido derails him first.

The Last Supper Charles McCarry, 2008-01-29 To solve his lover's murder, a spy must investigate his own checkered past in a thriller that spans from Weimar Germany to Cold War Vietnam. CIA Agent Paul Christopher is used to the feeling of dread. So he doesn't think much of Molly Benson's concerns as he leaves her bed in Paris for a quick trip to Vietnam. But minutes after Christopher boards the jet, his lover falls victim to a vehicular homicide. To explain this seemingly senseless murder, *The Last Supper* takes its readers back not only to the earliest days of Christopher's life, but also to the origins of the CIA in the clandestine operations of the OSS during World War II. Moving seamlessly from tales of refugee smuggling in Nazi Germany, to guerilla warfare in Burma, to the chaotic violence of the Vietnam War, McCarry creates an intimate history of espionage, and the shadow world of deceit and betrayal in which it operates.

Miernik Dossier Charles McCarry, 2007-10-30 A circle of spies travels by Cadillac from Switzerland to the Sudan in this critically acclaimed novel: "arguably the finest modern American spy story" (*The New York Times*). Paul Christopher is cool, urbane, clear-sighted—a perfect American agent in deep cover in the twilight world of international intrigue. But now even he does not know which side is good or bad in a maze of double- and triplecross. When a small group of international agents embarks on a road trip from Switzerland to the Sudan, Christopher is among them. Along for the ride are a comical Polish exile, a beautiful Hungarian seductress, and a North African prince with an appetite for women and a lust for power. Christopher only knows that he has to find whose finger is on the trigger of a terrorist threat that could turn the Cold War uncomfortably hot—and God help everyone if he makes a mistake. Related as a collection of dossier notes on the mission, *The*

Miernik Dossier reveals a complicated web in which each character spins his or her own deception.

The Better Angels Charles McCarry, 2010-01-26 In this political thriller by the author of *The Secret Lovers*, Paul Christopher's cousins tinker with an election while a reporter chases a lead. Originally published in 1979, *The Better Angels* is set close to the end of the twentieth century in a drastically changed America. The CIA has been dissolved into the Foreign Intelligence Service. It is an election year. In Washington, D.C., an Englishman crashes a cocktail party at the home of TV anchorman Patrick Graham with a secret that could shake up an already deeply polarized nation. Soon, Graham is traveling the globe in search of the explosive truth . . . From the writer the *New York Times Book Review* called "the genuine article," *The Better Angels* is a thrilling and relevant masterwork. Praise for *The Better Angels* "A thinking man's thriller with a frightening finale." —*Newsweek*

Ark Charles McCarry, 2011-11-22 Earth's wealthiest man attempts to save humanity from an impending apocalypse The planet's first and only trillionaire, Henry Peel, did not make his fortune by being a fool. A gifted inventor and scientist, he possesses an imagination on the scale of history's greatest thinkers, and he has turned it to the problem of Earth's core. Two decades ago, scientists learned that the core spins faster than the rest of the planet, storing up a cache of energy that, if released, could cause an earthquake that would obliterate human life. To begin mankind anew, Henry Peel is going to lead us to the stars. He gathers the world's leading physicists and engineers and asks them to design a spaceship large enough to safeguard a sample of humanity and durable enough to survive a thousand-year voyage. Money is no object, but time is short. The apocalypse is on its way.

The Shanghai Factor Charles McCarry, 2013-06-04 "[A] smart and utterly diverting spy trade masterwork" from the acclaimed author of *The Tears of Autumn* (NPR). When two people collide on their bikes on an empty road, the meeting can hardly be by chance—especially when one of the people in question is working for the shadowy American espionage organization known as HQ, and the other seems to be involved in a similarly secretive Chinese operation. But when sparks fly, the two fall into a dangerous romance with international implications. The young American spy was sent to China simply to absorb what he could about the language and culture. But as his dalliance with the mysterious Mei blossoms into a full-blown affair, his bosses at HQ demand he use his connections to uncover the truth about a powerful CEO suspected to be a Chinese intelligence operative. Now he's caught in a game of cat-and-mouse with lethal consequences—not only for him, but also for the global balance of power.

The Miernik Dossier Charles McCarry, 1976-12-12

Shelley's Heart Charles McCarry, 2011-02-01 A contested presidential election leads to a national crisis in this "masterful political thriller . . . loaded with intrigue and counter-intrigue" (Richard Condon, author of *The Manchurian Candidate*). At the dawn of the twenty-first century, the CIA has been disbanded and a secret society has taken hold of

powerful positions across Washington. After a long and contentious campaign, President Bedford Lockwood is celebrating his reelection. But the revelry is cut short when it's discovered that his over-zealous aides may have tampered with the vote. On the eve of the Inauguration, Lockwood's rival—the archconservative Franklin Mallory—presents evidence of fraud. When Lockwood refuses to take the oath of office, it sets in motion a series of events that may destroy him, his party, and the Constitution. From this catastrophic crisis, acclaimed author and former Washington journalist Charles McCarry weaves a smart, tense, and eerily prescient political thriller. “Not only exceptionally suspenseful but also unnervingly realistic....gripping and intricate.” —The Washington Post

The Better Angels Charles McCarry, 1979

The Mulberry Bush Charles McCarry, 2015-11-03 A novel of international espionage and personal vengeance from the author Lee Child called “better than John Le Carré.” Many years ago, a young American spy crossed the wrong people and found himself on the wrong side of Headquarters. He soon fell into a slow, shameful decline of poverty and self-destruction. But Headquarters didn't count on him having a son. Now, years later, the boy is an American spy himself, serving two masters: Headquarters and his own insatiable need for revenge. Sent to Argentina to infiltrate a revolutionary group with deep ties to Russia, the young man finds himself dangerously drawn to his target's daughter. Yet, despite the passion between them, he refuses to lose sight of his ultimate goal: destroying the institution that ruined his father all those years ago. “Set in a post-9/11 world, [but] satisfyingly steeped in undercover tales of a particular vintage” (The Washington Post), *Mulberry Bush* is an intricate and sexy espionage thriller from one of the most acclaimed writers in the game. “McCarry spins his riveting story in unexpected ways; the writing is always subdued but brilliant, leading unsuspecting readers to collide straight into the unforgiving wall of a stunning ending.” —Publishers Weekly, starred review

The Bride of the Wilderness Charles McCarry, 1988 Sailing to eighteenth-century America to reclaim her father's cargo ship, Fanny Hording is abducted by Indians and rescued by French officer Philippe de Christophe, who must choose between love and country

Shelley's Heart Charles McCarry, 1996-05-01 An intricate and intelligent novel set in the not-too-distant future, by the author of *The Miernik Dossier*. The president is still celebrating his victory when it's discovered that his over-zealous aides may have stolen the election via computer.

Thrillers: 100 Must-Reads David Morrell, Hank Wagner, 2010-07-05 The most riveting reads in history meet today's biggest thriller writers in *Thrillers: 100 Must-Reads*.
