**Paul Oliver**

Cyber Worship in Multifaith Perspectives Mohamed Taher, 2006 Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an 'everything you need to know' guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.

**The Book of Avatars and Divinities**, 2018-11-21 In the Hindu universe, gods and goddesses play freely among human beings to help them, nudge them towards the right action and mete out justice. They may appear to us as avatars in human form or manifest themselves as forces of nature. The many myths of Hinduism become colourful and entertaining when Shiva, Vishnu and Devi take different forms to enact their rivalries, destroy demons and teach devotees with superpowers a lesson in humility. This first-of-its-kind book brings together the major deities of the Hindu pantheon, describing the different manifestations by which they are recognized, celebrated and worshipped-from Durga to Sita to Kali, and from Narasimha to Parashurama to Krishna. The contributions by Bulbul Sharma, Namita Gokhale, Nanditha Krishna, Parvez Dewan, Royina Grewal and Seema Mohanty offer enchanting stories about our favourite divinities.
