*Fathers and Sons* Randy Snook,1998 Featuring famous fathers as well as everyday dads, this photo-essay captures the relationship between a father and his son with beautiful photography and compelling essays. Some of the notable dads include General H. Norman Schwarzkopf Coach George Seifert; Gary Plummer, linebacker with the San Francisco 49ers; B.A. Roberston, author of *The Living Years*; and Congressman Robert Matsui. The high-quality photography with unique poses, lighting, and special effects sets this book apart from the competition. This book celebrates the strength of the bond between father and son and gives a new sense of commitment to this relationship.
