The Hidden Reality Brian Greene,2011-01-25 The bestselling author of The Elegant Universe and The Fabric of the Cosmos tackles perhaps the most mind-bending question in modern physics and cosmology: Is our universe the only universe? There was a time when universe meant all there is. Everything. Yet, a number of theories are converging on the possibility that our universe may be but one among many parallel universes populating a vast multiverse. Here, Briane Greene, one of our foremost physicists and science writers, takes us on a breathtaking journey to a multiverse comprising an endless series of big bangs, a multiverse with duplicates of every one of us, a multiverse populated by vast sheets of spacetime, a multiverse in which all we consider real are holographic illusions, and even a multiverse made purely of math-- and reveals the reality hidden within each. Using his trademark wit and precision, Greene presents a thrilling survey of cutting-edge physics and confronts the inevitable question: How can fundamental science progress if great swaths of reality lie beyond our reach? The Hidden Reality is a remarkable adventure through a world more vast and strange than anything we could have imagined.

Blessed in the Darkness Joel Osteen,2017-10-24 Find comfort in dark times and grow your trust and faith in God with this inspiring and insightful guide from Lakewood Church pastor and #1 New York Times bestselling author Joel Osteen. All of us will go through dark times that we don't understand: a difficulty with a friend, an unfair situation at work, a financial setback, an unexpected illness, a divorce, or the loss of a loved one. Those types of experiences are part of the human journey. But when we find ourselves in such a place, it's important that we keep a positive perspective. Joel Osteen writes that if we stay in faith and keep a good attitude when we go through challenges, we will not only grow, but we will see how all things work together for our good. Through practical applications and scriptural insight, Blessed in the Darkness focuses on how to draw closer to God and trust Him when life doesn't make sense. If we will go through the dark place in the valley trusting, believing, and knowing that God is still in control, we will come to the table that is already prepared for us, where our cup runs over.
