A Childes Patrimony. Laid Out Upon the Good Nurture [!], Or Tilling Over the Whole Man. In Two Parts. ... By Ezekias Woodvard ,1640

No Trifling Matter Godfrey B. Tangwa, 2011 No Trifling Matter is a collection of controversial, critical weekly commentary on the reluctance of a monolithic regime to yield to popular aspirations for democracy in Cameroon. In these essays written between 1990 and November 1992, Godfrey Tangwa, alias Rotcod Gobata, doesn't quibble. He comes across as a man of courage and resolve; one ready to swim upstream in a manner of a desperate midwife eager to prevent a still birth (in this case, of democracy). His column is as daring an embarrassment to Biya's démocratie avancée as the radio programme Cameroon Report (later Cameroon Calling), was to Presidents Ahidjo and Biya in the hey days of the parti unique. Rotcod Gobata believes the time has come for Cameroon to graduate from a country over milked by mediocrity and callous indifference, to the paradise that it was meant to be for the poor and downtrodden. In this regard, he belongs with that rare breed of intellectuals who are genuine in their pursuit of collective betterment, and who in consequence, have opted to distance themselves from the stomach and all its trappings. This position is to be commended and encouraged, especially in a system where explanation is often mistaken for subversion, a system where the stomach is about the only

political path-finder - the sole compass in use, a country where the champions of falsehood want all at their beck and call, and where a handful of thirsting palates daily jostle to share with Count Dracula the blood of the common and forgotten. Rotcod Gobata wants the new Cameroon to be rid of the ills and failures of the past five decades that have made it impossible for Cameroonians in their millions to live productive and creative lives.

The Complete Works of C. H. Spurgeon, Volume 5 Spurgeon, Charles H., 2015-02-23 Volume 5 Sermons 225-285

Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to republish the complete works of Charles Spurgeon.
