The Relaxed Woman Nicola Jane Hobbs,2025-07-01 Have you ever met a relaxed woman? Would you like to become one? Psychologist Nicola Jane Hobbs draws on the latest science and extensive therapeutic experience to dispel the myth that relaxing is lazy and show women how to reclaim rest as a path to healing, freedom, and joy. We have become a society of rushing women, overburdened women, exhausted women. Women whose lives are plagued with stress, guilt, and burnout. We try so hard to do it all—to be the perfect partners, mothers, daughters, colleagues, friends—only to end up feeling not good enough, unappreciated, and lonely. But it doesn't have to be this way. In *The Relaxed Woman*, psychologist Nicola Jane Hobbs explores how stress negatively impacts our minds, bodies and relationships, and illuminates a path towards reclaiming relaxation as a form of liberation. Weaving together neuroscience and psychology with inspirational stories from women who are discovering the transformational power of rest for themselves, Nicola guides us on a journey to becoming relaxed women: women who have untangled their sense of worth from their productivity, who can rest without guilt and anxiety, who trust their intuitions, honor their needs, and live by their deepest values. Filled with simple rest rituals we can weave into our busy lives, healing practices to help regulate our nervous systems, and practical strategies to support us in navigating the unavoidable stressors of life, *The Relaxed Woman* is an empowering, restful guide for all of us who long to live more joyful, authentic lives. Because we deserve more than being constantly exhausted. We deserve to be relaxed women, women who know our worth and our power—women who, together, can change the world.

Shadows of Azadi Manisha Sobhrajani,2025-07-16 Azaadi, or 'freedom', represents a woman's right to choose, and to live by the choices she makes. So what happens when you aren't allowed to choose? When your childhood, education, worklife and self-determined future are forbidden due to your gender? In the conflict-torn and highly militarised region of Kashmir, 'Azaadi' can mean different things to different people. For one woman, it could mean expressing her innermost thoughts without the fear of punishment. For another, it could mean studying the subjects of her choice, or going out with friends without being harassed. It could also mean being able to wear make-up, or certain clothes; even to read whatever one likes. This anthology of essays by women from the three main regions of Indian-administered-Kashmir—Jammu, Kashmir and Ladakh—explores what Azaadi means in a country where basic rights for women are forbidden.

New humanity in a better form Magdalena Kilic,2025-02-25 We are travelers on a cosmic journey. This sentence from the

book 'New Humanity in a Better Form' can be symbolic of the author's explanations, which allow readers to share in her conversations with God and the universe. She alternates between her intense thoughts and specific tips and instructions for readers, so that they too can embark on a similar journey full of insights. But she also addresses her own words to fellow therapists, psychologists, counselors and caregivers who can take something useful for dealing with their clients from reading. Key topics include self-knowledge, self-love, self-reflection and self-worth, so that every reader will find inspiration for their individual life.
