

# Henry Miller Rosy Crucifixion

## Henry Miller

**The Rosy Crucifixion** Henry Miller, 2004 Henry Miller's Rosy Crucifixion, his second major trilogy, took more than 10 years for the author to complete. Beginning in 1949 with *Sexus*, a work so controversial all of Paris was abuzz with L'Affaire Miller, (and publisher Maurice Girodias saw himself threatened with jail), following in 1952 with *Plexus*, and finally concluding with 1959's *Nexus*, the three works are a dazzling array of scenes, sexual encounters and ideas, covering Miller's final days in NY, his relationship with June Miller and her lover, his take on the arts, his favorite writers, his thoughts, his insights, his days and his nights, finally ending with a glorious farewell to the life he'd known and an anticipation of the life he would lead.

**Sexus** Henry Miller, 1993 The first novel of Miller's frank, autobiographical trilogy uses dream, fantasy, and burlesque to portray the life of a struggling writer in pre-World War I New York.

*Plexus* Henry Miller, 2007-12-01 The "uproariously funny" second book in the Rosy Crucifixion trilogy, "may be Miller's masterpiece" (Choice). "Plexus is the core volume in The Rosy Crucifixion: the volume which has the most complete description of Henry Miller's basic values, beliefs, opinions, judgments, both at the time of his 'Crucifixion' and at the later time when the trilogy was written. Plexus is simply the most marvelous volume of emotion and ideas and visions and nightmares about man and society in the twentieth century—with art as the link perhaps, or as the soul's refuge—that I have read in many a long year. There is absolutely no subject in the world that Henry Miller does not seem to know about, want to talk about, and to evaluate with the deep authority of wisdom. He is probably the most learned of all our American writers, the most open to ideas and feelings, and yes, the most worshipful of all the aspects of life, as well as the most critical literary spokesman of our time." —Maxwell Geismar
