

Jack Ryan Vice President

William Terdoslavich

Executive Orders Tom Clancy, 1997-08-01 Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! The President is dead. Now, the weight of the world falls on Jack Ryan's shoulders in this extraordinary #1 New York Times bestseller from Tom Clancy. At the climax of Debt of Honor, the most devastating terrorist act in the history of the world left the President, the Joint Chiefs, the Supreme Court, and nearly all of Congress dead. Only Jack Ryan, confirmed Vice President mere minutes before, survived to take the reins of a shaken and leaderless country. Now he must rebuild a government, comfort a grieving nation, and become a true leader. Meanwhile, he is surrounded by enemies—both inside the White House and around the world—all of them plotting to destroy an untested President. And bring an already wounded country to its knees....

The Jack Ryan Agenda William Terdoslavich, 2006-05-02 Who is Jack Ryan? Lowly analyst, James Bondian secret agent, President of the United States? All of the above? Or is he just Tom Clancy's mouthpiece for what is right and wrong with politics and policy today? What impact did Red Storm Rising have on Ronald Reagan's policy for dealing with the Soviet Union? Was A Clear and Present Danger a trial balloon for the administration's international war on drugs? Did the climax of Debt of Honor foreshadow the actual terrorist plans for 9/11?... And how did Jack Ryan, a lowly analyst, wind up becoming the President of the United States? Was it wishful thinking or a choreographed roadmap for the time when the defense of America was placed firmly in the hands of backroom strategists? The Jack Ryan Agenda places each of Tom Clancy's Jack Ryan novels (from his bestselling debut of The Hunt for the Red October to his latest The Teeth of the Tiger) within the historical context of the U.S./International situation at the time each book was published. The Clinton years are examined as well; during this time, Clancy occasionally embraced a by any means necessary modus operandi that included Special Forces assassins taking on rogue environmentalists. Turning to film, The Jack Ryan Agenda explores how the movie versions differ from the Clancy's canon-and notes the author's displeasure with the way Hollywood liberals took liberties with his story lines. In the bestselling tradition of The Magic of Harry Potter, The Biology of Star Trek, and The Science of Superman, The Jack Ryan Agenda explores this brand name dynamo's work in the context of the real world where patriot games are a clear and present danger and the sum of all fears are executive orders without remorse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
