

Murder On The Links

Agatha Christie

The Murder on the Links Agatha Christie, 2023-01-05 The Murder on the Links is the third mystery novel by Agatha Christie. It investigates Hercule Poirot in his second novel together with Arthur Hastings. It is the only novel from Christie's pen that is set almost exclusively in France. This is remarkable in that Christie lived in France for some time as a young woman. This novel contains a plot line in which Hastings meets his future wife, Dulcie Duveen. A development much desired by Agatha Christie, she was able to deport him to Argentina after his marriage. By her own account, she did not like the character of Hastings that she created. the story, discovering the most shocking twists towards the end. This cloth-bound book includes a Victorian inspired dust-jacket, and is limited to 100 copies.

It looks as if it's going to be another splendid tournament. Until Melvin Newton's body is found in Eisenhower Pond, the apparent victim of a suicide. But what looks like suicide to most, looks like murder to John Morris, a retired AP sportswriter, and his spirited, sexy friend Julia Sullivan. Newton, a wealthy businessman and elite member of the club, is the type of man to be killed, not the type to kill himself, Morris reflects. He was a man with many enemies and few friends. But the list of suspects is enormous enough for Morris to include himself. Who didn't wish this man dead? Play at the tournament progresses as does Morris's search for a killer. Then, after another inexplicable tragedy, Morris and Sullivan begin to whittle away at the possible suspects. Together, they creep around the course looking for clues and searching their memories when the trail seems to lead to an old enemy who may just turn out to be an old friend. Set against the background of the famous and toney tournament, John Logue crafts a wonderfully inventive mystery, full of rich characters, good golf, and enough plot twists to astonish.
