Playing Vinn Nicola Jane,2023-07-12 Vinn Honouring my father's wish for me to marry his friend's daughter wasn't something I thought about until the day actually came for me to take Sofia as my wife. Her father assures me she's a good girl who'll give me no trouble. But from the moment I marry Sofia, I realise things aren't going to be simple. She's defiant, angry, and she challenges my every word. She blames the mafioso for deciding her fate and forcing this marriage on her, and I guess she's right, but it's too late, so she needs to suck it up and accept this is our life now. It's one thing to give me the run-around while ignoring my rules but another to cross me, and boy, does she cross me. Sofia takes revenge to another level . . . and I'll make sure she pays dearly for it. Sofia Challenging Vincent Romano wasn't regularly done until I came along. He's perplexed by my constant need to question him and my addiction to doing the exact opposite of what he says. I never was the type of girl to follow orders. London offers me so much more than Italy, and while I might be stuck in this ridiculous marriage with Vinn, that doesn't mean to say, I won't be following my dreams . . . even if it means I have to take down the great mafia boss. Ignoring the warnings from my cousin, I begin a hate campaign against my new husband, confident I won't be discovered. And even if he does work it out, what's he going to do, kill me? I'm his wife, for better or for worse. After all, he is the one who keeps reminding me that this is our life now.

Saving Blu Nicola Jane, 2023-07-12 Blu All I really wanna do is keep my head down and be the Enforcer for the Kings Reapers MC. The downside is they're heavily involved with the mafia, and fuck, I hate the mafia. Vinn Romano is an arrogant ass but it's his sister, Gianna, that really grates on me. Walking around like some entitled mafia princess and expecting men to fall at her feet just because of her bloodline. Fuck that, and fuck her if she thinks I'll be like the other men she's pushed around her entire life. I ain't like most men. I don't play games, and I don't want anything to do with the damn mafia. But things change when faces from the past turn up and start bringing my family into wars they've got no business starting. Now I'm forced to turn to a man I haven't needed since I was eighteen years old and make sacrifices to save her, because despite pushing her away, Gia has weaved her way deep into my heart. Gia I don't know what I ever did to upset Blu. Since the day he turned up at the Kings Reapers' clubhouse, he was rude. All I ever try to do is be nice, but it makes no difference. The man loathes me. When a series of events push us together, things begin to change between us. Maybe he realises I'm not the princess he seems to think I am. Don't get me wrong, I love my family and I'll do anything to help them, including marry the great Ricardo Donini, but it doesn't hurt to get to know Blu too. It's not like anything will ever happen between us . . . right?

Raven's Place Nicola Jane, 2023-07-12 Raven I'd spent years hanging with the wrong crowds, the wrong men, and just generally fucking my life up. When Chains brought me to London, the Kings Reapers treated me like one of their own. Only, I'm not one of theirs--I'm an outsider trying my best to fit into a world where I finally feel comfortable. No one judges me here, and yeah, I've come close to fucking it up a few times, but then I began working for Vinn Romano. We agreed early on to a no strings kind of relationship, but there's a problem. Vinn's getting married, and when his fiancée moves to London, shit gets real. Giving Vinn up is hard, but luckily, fate brings Mac into my life and he's determined to help me find a decent guy who will treat me right. Mac Leaving the Kings Reapers, Nottingham Charter, was my chance at a fresh start. Here in London, no one knows the fuck-ups I've made, especially not the red-haired beauty, Raven. Hearing how guys have treated her in the past makes me more determined to help her out, and maybe it's a chance at redemption for the pain I've caused. So, I place myself in her life, distracting her from her most recent heartbreak over Vinn Romano. The only thing I didn't consider, was Raven falling for me. When past events catch up with me, I end up doing the very thing I wanted to save her from . . . I break her heart.

Broken Nicola Jane, 2023-10-20 Broken This boxset trilogy brings you the final three books from The Kings Reapers Series, including Vinn's story. Meet Storm, who joins the club to find shelter from his problems for him and his autistic son. He didn't count on meeting a beautiful, strong woman, Lottie, who's hiding her own secrets. Raven has been in the club for

some time, but she's never really found her place. She suddenly finds herself torn between the hard-faced mafia kingpin, Vinn, and the newest member of The Kings Reapers MC, Mac. And in true King's style, nothing is without drama. Finally, we get to see inside Vinn's world. As an associate to the club, he's well respected. But after breaking Raven's heart, he's on his own journey to find his happy ever after. Three stories in one making this book ideal for a binge read.
