

Tab Dream A Little Dream Of Me

Lon Safko

Life Is But a Dream Lon Safko, 2005 *Life Is But A Dream* is an intriguing compilation of insights learned during one man's life as he rowed down his stream on his first 50 years of his journey. Each of these seven short stories is filled with compelling observations on the definition of ones' individual reality. They are present in different, interesting, and entertaining plots and are woven around unique perspectives of what your reality is or might be. *Life Is But A Dream* will leave you questioning, Is mine, the only real reality? Do I create my own reality, the way I live, when I go to heaven, even the people in my life? What is real and what has been created by my own perception of my reality? What can I do to create the reality I really desire? Row, row, row, your boat gently down your stream and experience these seven compelling short stories that at times may seem all too real when compared with your vision of reality. Understanding these insights might allow for change or create the life, and maybe the afterlife, you want.

Training Ground-An Angel's Epic Adventure to Self Discovery Roy M Dawes, 2019-01-22 Eons ago, God created legions of angels---perfect, beautiful beings who never knew sickness, sorrow, or death. Eternal beings whose only emotion they had ever known was love. Love for each other and love for God, their creator. The angels lived with God in paradise, in an everlasting heaven filled with a contentment of unconditional love that can only be imagined. Not one wanted anything more than to spend eternity just as it was. But God had plans for them, each and every one. They were to be his counselors of heaven. They were to guide, comfort, and be caretakers for all of God's future creations. To spread his love and to give hope to the hopeless and peace to the distressed, even to be messengers for God, God knew they would need more than love to do his will. They would need to master all of the emotions. They would need to understand the depths of pain and suffering and the thrill of winning to the solace of losing. They would need to know the amazement of birth and the unbearable sorrow of

death and to know not just love but hate and, most importantly, faith, compassion, and forgiveness. So much to teach them and so many, but God, with his infinite wisdom, had it all worked out. He created an amazing blue orb, an entire world full of countless creatures, beautiful landscapes, and everything that would be needed. A perfect training ground he called simply earth, a world where free will along with good and bad decisions would lead them all on endless adventures. Once in earth, their alter egos would be unknown to them. They would be born and live out entire lives until death, which would bring them back to heaven where they would awaken with all of the memories of their time on earth. They would repeat these trips for centuries until they had experienced all there was to experience. Then they would be ready to do God's will. This is a story of an angel who was very special to God, a beautiful, very gentle, and kind-spirited angel simply named Tab. Tab had been to earth so many times. She had lived countless lives out on earth, and she could remember every detail of every visit. She loved the adventure and all the drama. Almost as soon as she'd get back to heaven, she'd go back to earth again and again and again. Her enthusiasm did not go unnoticed. Soon she would be given a great task. She would be given a chance to help earth as no other angel ever had, and God was going to leave it all in her hands as to just what and how she did it---well, almost all in her hands.

The Wizard's Companion: Book Two of the Guardian Trilogy Adeana Terrill, 2012-08-22 Mirshalla, who just found out her real name is Miranda, couldn't believe she was wandering alone in another dangerous forest, in a shredded dress, and with no shoes. Why was it that she was always thrust into dangerous situations in the wrong clothes and without shoes? She thought she was going to meet her cousin the Grand Wizard for the first time, and spend a month as his companion, getting to know him and having him remove her cursed anklet... and hopefully her curse. Yet here she was, being chased by the evil wizard cousin and his evil wizard cohorts as she dodged deadly monsters at every turn. All while her curse continued to change her in frightening ways. And what did the fey prophesies of her finding the fabled land of the Fey or of her toppling a kingdom have to do with any of it? Little does Miranda know she is soon to find out the truth about herself and her curse... and it will shock her to her very core. But worse yet, she will meet a fate that will rip her apart.

The Wizard's Ward: Book One of the Guardian Trilogy Adeana Terrill, 2012-04-14 Demons, killer wizards, and sex-crazed faeries are just a few of the many dangers Mirshalla finds herself facing after her guardian, the wizard Jesson, sends her and his apprentice Tabinus away for their safety. All because she started having dreams that Jesson was in terrible danger. That something was coming soon. She hated the dreams. However, the worst thing is a terrible curse that has begun to change her body, mind... and her very soul. Little does Mirshalla know that her dreams will lead her on an epic adventure. Making friends, enemies and discoveries about herself, that will lead her to fulfilling a prophesy that will topple a kingdom.
