The Blood We Crave Monty Jay,2023 Will obsession be enough? I'd always believed my love was enough to save him. To protect him. I was wrong. The Copycat killer gets closer every day, and I can't help but feel his every move is in my direction. With dead ends around every curve and bodies piling up, it seems our time is running out. They took him from me. Stole the last bit of light and left him empty. Now, it's not only the Hollow Boys who are seeking revenge. I'm out for blood. A war path for vengeance. They wanted a villain? I'll give them one.--Back cover

Light Up the Dungeon ... The King Descends Scott B. Koch,2008-12 The dungeon was always that dark place beneath us. We prefer to not enter there for the very purpose it serves. We prefer to remain above in our understanding, appreciation, our loves, and we deem that to be living. But isn't below merely the result of what we do above? We remove it from the light and cast it into that darkness so it is unseen, so it seems. It's there festering and filling up, but we can't seal it because we need it-so it seems. Perhaps the real dungeon is right where we are-just as cold and dark? It is this that we need to light up to understand what must be purged and what must be salvaged. And what is salvagable, God has made, and what must be purged, man has fostered. Scott Koch hails from Phoenixville, Pennsylvania. Although he was a technical school graduate with honors, he never found any of those fields to be inspirational, even though his skills are diverse. He grew up in a neighborhood with an older brother and a younger sister and brother, and was packed with kids. He considers himself a spoiled poor kid because of this and the fact that it wasn't far to get to a field, woods, or a creek or river. Of course, the fields and woods are gone now so others may have quite a different childhood. Our author was always drawn to the abstract, or the not so evident, but would also express that Van Gogh merely had his grandchild do his paintings because he could do no less. Scott now resides in Pottstown, PA with his wife, Trudy. Scott B. Koch

Incubus Charlotte Dobson,2002-05 Anthropologist Martine Murdoch theorizes the existence of an ancient cult of heart-eaters to explain the condition of human remains found hidden within a long-abandoned Mayan city. When the theory is published, her life changes forever. Shunned by the scientific community, Marty sets out to discover the meaning behind a series of recent murders committed using the very techniques she wrote about. But instead of unearthing a psychotic human, Marty stumbles into the final act of an ancient struggle that has gone unresolved for more than twenty-thousand years. The ancient cult is alive and functioning in the modern world. And now they are after her...

Real Food, Healthy, Happy, Children Kath Megaw, 2015-08-01 In Real Food, Healthy, Happy Children, Kath Megaw offers a research grounded yet easy-to-grasp guide on what to feed children at the different stages of their development. A long-term advocate of low-carb eating, her mission is to convert parents and children away from the processed, nutrient-poor foods that surround them in everyday life and to win them over to 'real', natural food. Marrying practicality with warmth, science with common sense and the experience of a healthcare professional with the intuition of a mother, Kath's approach to how children should eat extends beyond the body-centred focus of nutrition. 'When meals incorporate taste experiences, social interaction and emotional connections, along with high nutritional impact, the result is altogether healthier, happier, children.'

The Obsidian Butterfly Lani Forbes, 2022-02-15 The Seventh Sun faces destruction as Mayana and Ahkin race to save their world in the finale to this "compulsively readable" series (Rachel A. Marks, author of Fire and Bone). To the Chicome people, an eclipse is a time of terror. When darkness falls, the barrier separating the heavens and the earth becomes unstable. Then come the ravaging Tzitzimime—the star demons who thirst for human blood. Mayana and Ahkin know the full extent of the coming danger, but they must gather support or the Chicome Empire is doomed. As the eclipse nears, many maneuver for power in this deadly game of worlds ending. Metzi, Ahkin's treacherous sister, has seized control of the empire with the aid of the malevolent goddess known as the Obsidian Butterfly. But Metzi has no idea what the goddess has in store ... Yemania and Ochix face the wrath of both their peoples. Their forbidden liaison may draw ancient enemies together ... or rip the young lovers apart forever. And the princesses who battled fiercely for Ahkin's heart in The Seventh Sun meet again—but this time, they must join forces in order to survive. As for Ahkin and Mayana, the entire empire seems to want to keep them apart. Can their love endure the end of the world?

Charming The Darkness Shiela Stewart, 2016-08-01 Daniel Vega had never been comfortable as a human so when he was offered eternal life as a vampire, he turned his back on his family and welcomed the darkness. Then Chaos, the one man Danny thought he could always count on, goes missing. Now, shunned by his own kind, it seems that leaving Jacob's Cove is his only option. Until he crashes into a high-spirited redhead. Born from witches, Starla Raine has spent her entire life

learning to control and manage her powers. Drawn to Jacob's Cove, a city magically cloaked in darkness, Starla runs into Daniel, a man connected to the infamous spell, and she knows just what to do. Hold him hostage and, use any means possible to make him give her what she wants. The two forge an unlikely partnership, with Danny agreeing to help Starla find the ritual, but only if she'll work with him to locate Chaos. At first he doesn't mind using her magical abilities, or her body, for his own gain. Sex is just sex, after all... until someone's heart gets in the way.

The Blood We Crave Monty Jay,2022 My secrets are infested with infatuation. His cravings are dripping in blood. Is it love? Or is it something much darker ... an obsession. Death found me as a young girl. Latching onto the core of my soul. No one knows what that horrid night did to me. What kind of monster it flourished inside me. I'd become a ghost, hiding from the world so that people would never find out about the morbid desire I harbor. Until he noticed me. Thatcher Alexander Pierson: Cunning. Sharp. Beautiful. A man bred from the seed of a serial killer. Stitched together with old money and Dolce & Gabbana clothing. He is my strongest fixation. My sweetest, darkest addiction. And I'm his phantom. I have haunted him my entire life and now? He sees me for exactly what I am. A killer. I sicken him. But he has always mesmerized me. When a copycat murderer prowls among the trees of Ponderosa Springs, our loyalty is tested. It had been foolish of us to believe our revenge would go unpunished. That the town wouldn't retaliate after what we did. With our lives hanging in the balance, Thatcher and I have no choice but to coexist. In the twilight of musty cabins and haunted library towers, my somber secrets are exposed, and his cravings are revealed.--Back cover
