**Blas Ruiz Grau**

**The Light Shall Set You Free** Shirley McCune, Norma J. Milanovich, 1996-10 The Ascended Masters state this book is destined to transform the world. Contained within these pages are some of the greatest spiritual teachings from the ancient mystery schools, plus instruction on how to apply these teachings to our everyday lives. Some of the information revealed here has not been made available before now. All of the information, if applied to our everyday lives, has the power to revolutionize the world. In the past, only adepts, saints, apostles, mystics, and high priests and priestesses were allowed access to this instruction. With this knowledge, these individuals ruled and empowered themselves and civilizations, using the power that came with this knowledge to create and heal. Common folk leaned heavily on these spiritually elite for solutions to their problems, for the masses had acquired neither the discipline nor the strength of will it took to master the teachings on their own. Learning and applying these truths required lifetimes of discipline and dedication. More importantly, mastering the knowledge demanded that one be accountable for his or her own actions-a responsibility the masses were not ready to accept. The Ascended Masters, however, decree that the time has come for everyone to learn these teachings and share in the responsibility for transforming life and the world. Admittance into the Fifth Dimension demands this of all. Therefore, all who read this book must be forewarned that access to this knowledge automatically holds the soul accountable for its part of creation and each will be judged accordingly! The portal now stands open for all to pass through to collectively build the Seventh Golden Age on Earth.

*THE TRUTH SHALL SET YOU FREE* Blas Ruiz Grau,2018-04-08 In the case of true love, the soul is given to the other long before the body. Carolina suffers the terrible and gruesome murder of her father in circumstances surrounded by mystery, intrigue and danger. The young Detective Nicolás Valdés is drawn into a centuries old battle between two allies become foes. Together Carolina and Nicolás fight against the killers who lurk in the shadows, while they grow ever more drawn to each other in a web of repressed desire. They pursue a hidden secret that could change the world, and for which many are prepared to kill. Nothing is as it seems, and who will live and who will die in this struggle is uncertain. Some pursue power and some pursue truth, and some, the lucky few, find love.

Having gone through a heart-wrenching journey through OCD and legalism from childhood to adulthood, Judith Evans shares how God's Word led her to freedom. She reveals the unhealthy coping mechanisms she developed when OCD was misunderstood—as well as how God intervened by calling to her in His voice and through a series of dreams. Like peeling back layers of an onion, God revealed truths about her health that she would have never discovered on her own. Since understanding biblical salvation was so influential in the author's healing, she explores this topic in depth. She shares biblical solutions to problems such as fear associated with OCD. The truths within this book would be beneficial for those dealing with other mental, emotional or spiritual health issues as well. Whether you're struggling with OCD or have a loved one waging such a battle, this book offers encouragement, a lifeline of hope, and points toward healing.
