As the solstice grows nearer and nearer, the Islanders know to guard the females and the children, for in the night, teeth can look just like petals and the red eyes can be mistaken for a beautiful rose. For years the forest has been in a silent pact with the Islanders. Everyone knows that something is waiting in that forest, but no one understood why they were never attacked. The villagers were contempt with their lives and were oblivious to what was about to happen this Buck moon until one day... "You should not mess with him girl, he is dangerous. There's a reason they call him a devil." He said and I could see the pity and sympathy in his eyes. Well, I don't need his sympathy or his pity. "I will mess with him, I will make him chew his words. He's going to regret what he did with me and my family. So what if they call him the devil, he doesn't know what I am capable of." I replied with determination.

The Kings Mate 1 Kimberlycullen14,2024-10-25 Genesis. Your eyes, they just glowed right now," Killian spoke, his hands cupping my cheeks, his hands felt gentle almost as if he was holding a flower, I wouldn't mind being a flower. Flowers are beautiful. My mind wandered off again, and I heard the voice in my mind let out a small snicker. What about my eyes?" They changed..." He let go of my face, and I felt like I had been deprived of the sweetest feeling. I wanted it back. But I had to soldier on. Don't yours when you communicate with your wolf," I asked tucking the small strand of hair behind my ear, his eyes following my movements intently, tensioned filled the air. *** Genesis was a loner living as a slave in a pack that killed her family; some people didn't even know she existed. She believed that her future was bleak and is doomed to forever be a slave for a pack she hates with all of her might. what happens when she meets meets her fated mate who turns out to be the Alpha King Kilian a thousand year old Lycan who has a fierce and cruel reputation and who has publicly announced to the supernatural world countless of times that he did not wish for a mate. All Around Monstrous: Monster Media in Their Historical Contexts Verena Bernardi, Frank Jacob, 2019-10-31 We know all kinds of monsters. Vampires who suck human blood, werewolves who harass tourists in London or Paris, zombies who long to feast on our brains, or Godzilla, who is famous in and outside of Japan for destroying whole cities at once. Regardless of their monstrosity, all of these creatures are figments of the human mind and as real as they may seem, monsters are and always have been constructed by human beings. In other words, they are imagined. How they are imagined, however, depends on many different aspects and changes throughout history. The present volume provides an insight into the construction of monstrosity in different kinds of media, including literature, film, and TV series. It will show how and by whom monsters are really created, how time changes the perception of monsters and what characterizes specific monstrosities in their specific historical contexts. The book will provide valuable insights for scholars in different fields, whose interest focuses on either media studies or history.
