**UFOs In The Bible** Ken Goudsward, 2021-11-17 Ancient truths hidden in plain sight for thousands of years. In 1968 Erich Von Daniken cracked open a door that millions of the curious have peered through with wonderment and possibly some bewilderment. Now, standing on the shoulders of that giant, the door is soundly kicked wide open by Ken Goudsward in this astounding new examination of the scriptures, utilizing unprecedented Hebrew exegesis to reveal no less than 30 extraterrestrial encounters within the pages of the best-selling book of all time. At a time of crossroads between disclosure and conspiracy, never has the Bible been more relevant. a fascinating and well thought out book on the many strange UFO descriptions found in the Bible. Goudsward covers all the bases - David Hatcher Childress, author of the Bestseller *Technology of the Gods: The Incredible Sciences of the Ancients* a thoughtful and provocative deep-dive into potentially UFO and alien-related references in the bible, a few of which have been noted before, but most of which will be new to readers. - Nick Pope, UK Ministry of Defence (Retired) challenges us to embrace the very distinct possibility that our sacred scriptures are telling us that we have been visited by Star People in humanity's distant past, and that these visitors (intentionally or not) have influenced the origins of monotheistic religion. He goes where the evidence is leading him. Perhaps, we should have the courage to take the risk and follow. - Rev. Michael J. S. Carter. Author of *Alien Scriptures: Extraterrestrials In The Holy Bible* an important work of easily accessible scholarship - Jim Willis, author of *Censoring God: The History of the Lost Books (and other Excluded Scriptures)* and *Hidden History: Ancient Aliens And The Suppressed Origins Of Civilization*

*Ancient Aliens in the Bible* Xaviant Haze, 2025-09-12 Starting from the Old Testament these pages address the story of what is often not highlighted or, worse, deliberately forgotten or interpreted differently in order to conceal the potential disruptive effects.—Mauro Biglino Did a distant race of ancient aliens once inhabit the lands of the Bible? Do the ancient writings of the Bible and other texts provide proof of their existence? Did the prophets have close encounters with ancient aliens? Were the angels physical beings sent to perform specific tasks by their alien masters? *Ancient Aliens in the Bible* answers these questions and more. Analyzing the historical and archaeological evidence, and using the work of former Vatican translator Mauro Biglino as his guide, Xaviant Haze provides ample proof that what our ancestors described in ancient biblical texts were real-life events and not visions. The UFO encounters in the Bible are described as concrete experiences by flesh-and-blood beings. The angels were assigned specific duties and struggled to carry them out; some even

rebelled and took earthly wives, forbidden by their superiors. Ancient Aliens in the Bible reveals that: • Lamech's wife gave birth to the son of an angel with glowing eyes. • Moses was led to the promised land by UFOs. • Noah's great-grandfather, Enoch, got a heavenly tour of space. Your view of the Bible will never be the same.

Ufo's in the Bible Prophet HOOD, 2021-09-20 Do you know that UFOs are mentioned in the bible? I bet you didn't. Or you might have heard it somewhere. There are numerous bible verses stipulating the existence of it even before Jesus Christ came to earth. What do you think of that? Does it sound like a made up story? In this book, theories will be laid out for you and you would be left to make the decision on whether to accept this fact or reject it. But the truth is right there in front of all of US.

**Taboo Topics In The Bible: Aliens & UFOs** Dante Fortson, Did you know that the Bible teaches that there are other beings in the universe besides humans? With the recent popularity of shows like Ancient Aliens, it is important that Bible believers understand what the Bible has to say about aliens, UFOs, and the like. Many Bible believers instantly reject any discussion of aliens, which causes people to turn to secular sources for answers. This study answers many of the hard questions believers have but may be afraid to ask. + Did you know that flying vehicles are mentioned in the Bible? + Did you know that aliens, angels, and the gods of mythology have quite a bit in common? + Did you know that the Bible speaks of something mingling with the seed of men in the last days? It is important that we understand the above because the verses are real and the questions aren't going away any time soon. If you aren't armed with solid answers now, you will be by the time you're done.

*Aliens in the Bible* John W. Milor, 2000-04-04 To get more information on this book and my other books, check out my website at [www.AliensInTheBible.com](http://www.AliensInTheBible.com). When reading the Bible, readers usually find moral guidance; sometimes they perceive a sense of poetic beauty. But how often do readers fall into the pages, and swim among the ancient Hebrew characters? How many people transcend the eons of time within the ancient text of the Bible, then look up from their reading, and consider for a moment that they are mysterious beings, immersed in a mysterious creation? How odd this current world must have looked, we with our televisions, space-shuttles, and computers, in the visions of the prophets of old; and how odd the world of antiquity looks to us today a world of giants, magicians, and sorcerers; a world of legendary gods coming from the heavens. Aliens in the Bible is a book of possibilities. No claim of supreme knowledge in biblical interpretation is made rather, scripture is presented, and with it, the pondering mind of the author. Some pondering may be perceived as utterly preposterous, despite the fact that science and historical literature other than the Bible may also support some suggested theories. Nevertheless, this book should be a healthy read; it should touch the unseen eyes of the soul, which delight in the revelations of the invisible realm. Aliens in the Bible is researched information that places paranormal subjects into three categories: supernatural entities, realms of existence, and phenomenon. Within the scope of paranormal

phenomenon, unlike the title of this book may suggest, a host of topics are covered. Along with the existence of aliens ghosts, thought-forms, artificial intelligence, monsters, and mythical beings are also discussed all with a biblical interpretation. The realms of heaven and hell are explained in depth. Other paranormal phenomenon, such as reincarnation, PSI, astral projection, stigmata, and more, are also elaborated upon. Some of the theories presented in this book might make the average Christian laugh. Indeed, they could be embossed on the front page of a tabloid. Some of them are as follows: 1. The beast spoken of in the book of Revelation might actually be an artificial intelligent life form. 2. The giants of Genesis chapter 6 were genetically engineered hybrids of humans, and fallen angels. Dinosaurs and other monstrous prehistoric beasts were the results of precursory genetic experimentation leading up to the Nephilim giants. 3. Astral projection was practiced at the Tower of Babel. This ability aided in the growth of exponential knowledge. 4. Satan once ruled a host of planets; his home world was called Rahab. God destroyed this world; it became what is now known as the asteroid belt. 5. The heaven reported by many non-Christians that have had NDEs (Near-Death-Experiences) isn't really heaven at all. It's actually a vacated paradise located within the midst of Hades, ruled by demonic entities. 6. What people perceive as reincarnation is actually possession of the deceased. This book may be accused of not being focused on the primary message of the Bible. The heart of scripture is the heart of God; that He imbed Himself inside the body of a human being by the name of Jesus, and willingly allowed Himself to be murdered. Why did He do this? Because He demands perfect justice yet seeing that we can never pay this price, He paid it for us, if only we accept Him on His terms. Instead, this book's focus is on items that may be deemed a value of secondary importance in comparison with the essentials of the Christian faith, such as the love of God, the immaculate conception of Christ, His work of salvation on the cross, moral absolutes, etc. To all Christian readers, I humbly request you humor this work, for this book should serve a valuable twofold purpose. First of all, it will witness to seekers who often immerse

**The Bible And Flying Saucers** Barry H. Downing, 2019-03-10 The thesis of this book is that the Bible contains stories of beings, angels that come down from the sky, and are sometimes associated with objects in the sky such as the pillar of cloud by day, and pillar of fire by night, which led the Jewish Exodus from Egypt. This UFO is similar to modern UFOs, which one military pilot described as looking like a Tic Tac, cylindrical, white or cloud like in color, about 40 feet long, rounded on each end, with no visible propulsion system. It seems likely that the UFOs seen in modern times are related to the same reality that started the biblical religion in both its Old and New Testament forms. Chapter 3 studies the book of Exodus in great detail, explaining how the Exodus UFO (pillar of cloud and fire) apparently used its propulsion system to part the Red Sea. In the New Testament, it is argued that our modern alien/angels were probably the power that raised Jesus from the dead, and carried the risen Jesus to the Damascus Road where the Apostle Paul was converted (Acts 9). This book has some parallels with Erich Von Daniken's *Chariots of the Gods?*, but differs from Von Daniken in that it is argued that the aliens are not gods,

as Von Daniken suggests, but rather beings who have a high knowledge of God, and created the Biblical religions, in both their Jewish and Christian form, to move the human race away from idolatry, and toward a more spiritual sense of the divine reality. Chapter V asks, Where is Heaven? and explores the possibility that the resurrection stories of Jesus, where he is able to enter locked rooms after his resurrection, suggests that heaven may be another dimension in the midst of us. Modern UFOs are reported to appear and disappear in an instant, suggesting they too may be part of a multi-dimensional reality. Einstein's Theory of Relativity is offered as a clue to understanding some of the strange resurrection stories. This book is an attempt to make sense of biblical stories that suggest the presence of extraterrestrial powers, and to examine modern UFO stories for evidence that biblical angels, and modern aliens, may be the same reality.

*Alien Abduction, UFO's & Bible Prophecy* C. Harrison Smith,

**Alien Scriptures**, 2013 From the point of view of a man or woman in biblical times, anything that came down from the sky would be considered a god, or at least sent by the gods. Now consider what the site of modern technology, such as a helicopter or rocket ship, would do to the mind of a 1st Century man or woman. The explanation of this type of phenomenon would probably sound an awful lot like what we find in civilization's most sacred books. Reverend Michael J.S. Carter explores the possibilities that the Bible, Koran, and other religious texts contain clues to visitations from extraterrestrials in this expanded second edition of *Alien Scriptures: Extraterrestrials in the Holy Bible*. Rev. Michael J. Carter is originally from Baltimore, Maryland. He moved to New York City in 1980 and lived there for 25 years, working as a professional actor before moving to Asheville with his family. Michael is an ordained Interfaith minister and received his BA Degree in Letters from the College of New Rochelle where he graduated cum laude. He received his Masters In Divinity Degree from Union Theological Seminary in New York City (class of 2000). While serving various Unitarian Universalist Congregations in New York, Michael was trained as an anti-racism trainer and has been recognized by President Clinton for his efforts. Michael was also a weekly columnist for the Asheville Citizen Times. Rev. Carter now serves as the minister for Unitarian Universalist Congregation of The Swananoa Valley, in the beautiful mountains of Western North Carolina. Rev. Carter has written articles on UFOs and Religion for such publications as *UFO Magazine*, *Alien Encounters* (A British Publication), *The MUFON UFO Journal*, *Contact Forum*, *The S.P.A.C.E. Newsletter* (Support Program for Abductees Contact Encounters) a UFO support group in New York City. He has spoken at UFO Conferences such as the 2nd Philadelphia, Need To Know Conference, The Annual Long Island UFO Conference with Budd Hopkins, as well as appearing on radio and TV appearances across the nation. Rev. Carter has also appeared on Japanese television discussing the Bible and UFOs. A long-time UFO experimenter, he lectures extensively on the topic of religion and UFOs. He has appeared on the Sci-Fi Channel's Steven Spielberg's production of *Abduction Diaries*, *The Real 4400*, and is a frequent guest on The History Channel's production of *Ancient Aliens*.

**Biblical UFO Revelations** Dr Barry H. Downing, 2017-09-14 CHRISTIAN MINISTER MAINTAINS - MIRACLES OF THE

OLD AND NEW TESTAMENTS ARE MANIFESTATIONS OF AN EXTRATERRESTRIAL INTELLIGENCE The Reverend Barry Downing's credentials are impressive, adding scholarly weight to his theories regarding anomalous and miraculous events as portrayed in the Old and New Testaments. Downing holds a Ph.D. in the relation between religion and science from the University of Edinburgh of Scotland. He also has a bachelor's degree in physics from New York's Hartwick College as well as a degree from Princeton Theological Seminary. Dr. Downing has studied the Bible most of his life. . . Not unusual for a pastor, but what makes his evangelistic career unique is that he has also studied the UFO phenomena since the mid-1950s. The combination of both pursuits resulted in the 1968 publication of his controversial book, *The Bible and Flying Saucers*, which would lay important groundwork regarding the blending of the divine with the theory that earth has been visited by extraterrestrials in ancient times and that these visitations continue to this day. This work is his long awaited sequel in which he expands upon the polemic issues previously put forth, including that the - \*\* Parting of the Red Sea in the Bible's Exodus was accomplished by a cylindrical UFO, a cigars haped ship whose kind is still reported. \*\* That Jesus was an extraterrestrial sent to earth to rid the world of sin and wickedness, quoting Biblical text to support his claim. \*\* That Jesus left earth in a spaceship to another planet, or perhaps another spatial dimension. \*\* That angels were actually aliens and that the angelic aliens spoke to Moses on Mount Sinai where he boarded a UFO to receive the Ten Commandments and specifications for the construction of the Tabernacle. It was aliens who guided the ancient Israelites, providing them with manna in the wilderness. \*\* In the modern world, Downing contends with mainstream religion's refusal to take the subject seriously. Christian liberals don't want to hear the miracles of the Bible were real and Christian conservatives don't want the miracles credited to simple aliens in flying saucers. Thus one can see that Downing, an ordained minister, is bravely risking disapproval from a wide swathe of fellow Christians not ready for his message. Many of the issues discussed by the author raise the issue of ontology, or what is real and what is the nature of being. Rev. Downing believes that recent discoveries in quantum physics tend to confirm that Biblical phenomena could be real. Modern quantum physics has revealed a world, he states, that is not full of 'solid objects' on one hand and space on the other, but rather a dynamic world in which solid objects are mostly space, with various types of quantum energy spinning away to create the illusion of solid objects, making it difficult to know for certain what we think we know. As for a possible global cover-up of the UFO phenomenon, Rev. Downing espouses the theory that if UFOs truly carry the angels of Christ, their strange technology and behavior may be as upsetting to government scientists as the Resurrection of Jesus was to the disciples. Their 'real-world' understanding had to expand, and so must ours, he rightfully concludes. This book is for the faithful as well as those who are primarily interested in unexplained historical phenomena as revealed in Biblical as well as other ancient texts, as well as seekers of censored truths concerning the hidden and forbidden knowledge of mankind.

Bible Codes Revealed Sherry Shriner, 2005 In the beginning, Earth was without form, and civilization was nonexistent.

Thousands of years later, signs of earlier life on Earth were discovered, indicating that extremely intelligent life had once existed. Author Sherry Shriner alleges that a cover-up began in 1954, when a race of aliens that had been orbiting the Earth landed at Holloman Air Force Base. Afraid that their planet was dying, the aliens landed a second time at Edwards Air Force Base. Shriner explains that this monumental event had been planned in advance, and, on the appointed day, President Eisenhower was whisked away to the base, under the guise of a visit to a dentist. After President Eisenhower met with the aliens, a formal treaty between the Alien Nation and the United States of America was signed. Has the United States government really been collaborating with aliens for the past sixty years? In *Bible Codes Revealed*, Shriner challenges readers to consider the possibility of a future global alien and UFO invasion, and more importantly, what we can and should do once this event transpires. According to the author, it's not a matter of IF but WHEN! And soon. The information you will read in these pages is shocking, and points to an imminent danger on every level of a global society teetering on the brink of human and spiritual slavery. Sherry Shriner's information will shock you, but most importantly, will challenge you to get involved now in spreading the truth about this horrific reality: that aliens exist and control much of what happens on planet Earth, and unless humankind takes a stand now, the world humans rely on, the possibility of future generations even, most certainly would be lost forever due mainly to the greed and criminality of the world's most powerful ruling bodies desiring short term technological progress in exchange for selling out the human race!

**Ezekiel Project: The UFO Bible Connection** LaRoya,2018-11-03 Many will argue that the Bible, if it is to be taken seriously, is all about how its read and interpretation. With that in mind, there are many who subscribe to the ancient astronaut theory in particular, who believe the Bible to be filled with accounts of UFO encounters and interactions between human beings and extraterrestrials. What Ezekiel saw is one of the most seized upon accounts. *The Ufo-Christianity Connection* Fred R. David,2010-11-15 For many centuries, science and religion have remained staunchly independent. Whenever issues have developed that simultaneously touched on both areas, debate often ensued for example, when scientists first proposed that the earth revolved around the sun, or when the theory of evolution was proposed. There has always been a cultural disconnect between science and religion that has caused dissention and distrust. Research conducted by author Fred R. David, however, reveals that the missing link between science and religion may be UFOs or, more specifically, the beings inside those crafts. The UFOChristianity Connection: Fact or Fiction reveals that UFOs played a significant role in how ancient civilizations built megalithic structures and predicted celestial events perfectly; brings to life the close association that ancient civilizations had with ancient astronauts whom they called gods or sky people;

reveals that many events described in ancient writings, including the Bible, involved UFO encounters; gives readers a unique perspective to engage others in discussing angels, God, UFOs, Bigfoot, Satan, giants, the underworld, the flood, Atlantis, and Jesus. The scientific information presented here is vital for people of all faiths on all continents. Explore the missing link that bridges the gap between science and religion.
