Be Who You Are Jimmy Brandmeier, 2018-07-03 A musician's song for his children is an impassioned call to stay true to yourself—and the basis for this inspiring guide to living authentically. Award-winning composer and musician Jimmy Brandmeier always knew that happiness meant never letting go of your dreams. As his children made their way out of the nest and into the world, he wanted to make sure they had the same sense of self-direction. So he did what he does; he wrote a song. But his message was bigger than a ballad could hold. Jimmy dug deeper into everything he wanted to impart to his kids, and his song became this uniquely intimate, humorous, and spiritual book. In *Be Who You Are*, Brandmeier offers his children a map to the inner and outer roads of life. He teaches them that the only possible failure is failing to be who you are. No matter how successful your life may look on the outside, your authenticity is what gives your life purpose and meaning. Little did Jimmy know that the message he was so passionate about giving his children is one we all need to hear: *Be Who You Are*—always, no matter what, no matter where.

Golf Under Pressure Robin Sieger, 2014-03-01 Whether amateur or Tour professional, every golfer will experience that crucial moment when victory hinges on just one shot. Make it, they win; blow it and they will re-live the memory on the golf course for years to come. They have arrived at their personal moment of truth. The question is: can they handle it? The follow-up to his acclaimed *Silent Mind Golf*, this new book sees Robin Sieger explore the concept of choking and apply his easy-to-grasp mental conditioning techniques to help golfers at all levels perform under pressure.

Barcelona Calling Jane Kirkpatrick, 2011-09-20 From bestselling author Jane Kirkpatrick comes this relational story about a close-knit group of five women and their pursuit of life goals. You'll be encouraged and entertained! In the tradition of Neta Jackson's *Yada Yada Prayer Group* series, Kirkpatrick invites you into the lives of five women friends who promise to help each other achieve their life goals. Annie Shaw's goal is far from simple: become famous. But she's in trouble after quitting her day job to write full-time. Her second novel tanked, and her new editor wants her to re-write the ending of her latest work to ensure this one is more successful. In order to pursue fame and an elusive bestseller, Annie travels to Chicago, acquires a rambunctious dog, and participates in antics better suited to a television reality show than real life. Can Annie's best friends help her achieve her goals without destroying her future? Award-winning author Jane Kirkpatrick, known for her superb historical novels, writes this bold, fresh, contemporary story she always threatened she'd one day "put down on paper

to make people laugh and consider the true treasures of their hearts.”

Active Hope (revised) Joanna Macy,Chris Johnstone,2022-06-22 The challenges we face can be difficult even to think about. Climate change, war, political polarization, economic upheaval, and the dying back of nature together create a planetary emergency of overwhelming proportions. This revised, tenth anniversary edition of Active Hope shows us how to strengthen our capacity to face these crises so that we can respond with unexpected resilience and creative power. Drawing on decades of teaching an empowerment approach known as the Work That Reconnects, the authors guide us through a transformational process informed by mythic journeys, modern psychology, spirituality, and holistic science. This process equips us with tools to face the mess we're in and play our role in the collective transition, or Great Turning, to a life-sustaining society.
