Interconnecting Translation Studies and Imagology Luc van Doorslaer, Peter Flynn, Joep Leerssen, 2016-02-25 Isn't translation all about saying exactly the same thing in another language? Aren't national images totally outdated in this era of globalization? Most people might agree but this book amply illustrates how persistent and multifaceted clichés on translation and nation can be. Time and again, translating involves making transfer choices and these choices are never neutral. Though globalization has seemingly all but erased national ideologies and cultural borders, such ideologies and borders continue to play a determining role in conflicts, identity politics and cultural profiles. The place where transfer choices and forms of national and cultural representation come together is also the place where Translation Studies and Imagology meet. This book offers a wealth of chapters showing how decisive selection and transfer processes can be in representing national images, both self-images and images of the other(s). It shows also how intensely the two disciplines can work together and mutually benefit from shared data and methodologies.

Film & Television Coll Europe Kirschner, 1995-03 First Published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

Diario scurrile di un cinico incazzato Armando Cattarinich, 2014-07-07T00:00:00+02:00 Fotografare la vita, attraverso scatti che riescano a coglierne l'intima essenza, il profondo dolore, l'assoluta ed inappellabile imprevedibilità del caso. Armando Cattarinich, l'autore di queste bellissime, dolenti, irriverenti, anticonformiste, struggenti 25 ballate è un fotografo, e sa perfettamente quanto la fotografia sia un'arte. Un'arte attraverso la quale - come afferma Gianfranco Angelucci nella bellissima prefazione - l'autore è sempre riuscito ad inquadrare uno scorcio esistenziale, a cristallizzarlo nel suo aspetto più significativo, congelandolo nella infinitesimale perfezione di un momento. Per questo i racconti che compongono questo Diario scurrile di un cinico incazzato possono essere classificati come fotografie in movimento, immagini che, improvvisamente, si animano, prendono vita e ci raccontano storie di vita. Il mondo, le strade, i personaggi, gli squarci, i

desideri, le parole, gli sguardi, le lacrime, le azioni e le reazioni descritte da Cattarinich sono iperreali, più vere del vero. Ci raccontano storie in cui, volenti o nolenti, siamo costretti a rispecchiarci. Infatti, siamo noi i protagonisti di queste tranches de vie, noi con le nostre paure, i nostri egoismi, le nostre idiosincrasie, le nostre umane incertezze. Chi siamo, cosa siamo, perché siamo diventati così. Amori naufragati o interrotti prima di sbocciare, occasioni perse che non torneranno mai più, ricordi insostenibili e pulsioni represses, crimini e misfatti, segreti e bugie. Sì, la vita non è una cosa meravigliosa, ma un intermezzo, spesso doloroso, che siamo costretti ad affrontare con rabbia e disillusione. Come piccoli criceti che continuano a girare su una ruota destinata a non fermarsi mai. Scoperta la beffa, svelato l'arcano mistero esistenziale, scoperchiato il male oscuro che ci attanaglia non ci resta altro che volgere il nostro sguardo al passato e tornare a quegli attimi, ai quei secondi polverizzati, a quei corpuscoli di tempo in cui, forse, siamo stati felici, ma purtroppo, non ne eravamo coscienti. Edito da Bibliotheka Edizioni.
