## Annie Laura Smith

Sally Ride: A Photobiography of America's Pioneering Woman in Space Tam O'Shaughnessy, 2017-10-17 A biography of the famous astronaut drawing on personal and family photographs from her childhood, school days, college, life in the astronaut corps, and afterward.--Provided by publisher.

*Sally Ride* Elizabeth Raum, 2006 Presents a brief biography of Sally Ride, in simple text with illustrations, describing the life of the first American woman to travel in space.

**Sally Ride** Annie Laura Smith, 2013-04-01 This is a non-fiction book for young school age juveniles. It is about Sally Ride, who on June 18, 1983, became America's first female astronaut, riding the flaming coat-tails of the Space Shuttle as it orbited the Earth with her crew, the members of NASA's STS-7 Shuttle mission. Sally Ride, born May 26, 1951, lived an amazing life of science and adventure, blazing a path for all women of the world. She died on July 23, 2012, along the way not only demonstrating the capabilities of intelligent women, but working to motivate students of all genders toward careers in science and education. The author, Annie Laura Smith, and her family were in attendance at Cape Canaveral, Florida when Sally blasted off for outer space on her first mission.

Sally Ride Sue Macy, 2014-09-09 Sally Ride was more than the first American woman in space. She was a real-life explorer and adventurer whose life story is a true inspiration. This riveting biography introduces young readers to a true hero and her groundbreaking achievements. Photos.

**I am Sally Ride** Brad Meltzer, 2025-02-18 The first American woman to fly in space is the 35th hero in the New York Times bestselling picture book biography series for ages 5 to 9. From childhood, Sally Ride was a daring adventurer, and her parents encouraged her to pursue the things she loved. Those things included science and math, fast rides, and the stars in the sky. Eventually her passions and her hard work led her to NASA, where she became the country's first female astronaut, inspiring generations of young people to follow their own dreams of space exploration. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: A timeline of key events in the hero's history Photos that bring the story more fully to life Comic-book-style illustrations that are irresistibly adorable Childhood moments that influenced the hero Facts that make great conversation-starters A virtue this person embodies: This book highlights Sally Ride's belief that there's no

limit to what you can achieve. You'll want to collect each book in this dynamic, informative series!

**Sally Ride** Joanne Mattern, 2005-01 Presents the life and varied career of astronaut, physicist, teacher, and children's author Sally Ride, the first American woman in space.

**Who Was Sally Ride?** Megan Stine, Who HQ, 2013-05-16 In 1978, Sally Ride, a PhD candidate at Stanford University, responded to a newspaper ad to join the US astronaut program. She was accepted and became the first American woman astronaut to fly in space! Among her other accomplishments, she played tennis like a professional, was an astrophysicist who helped develop a robotic arm for space shuttles, and later, through Sally Ride Science, worked to make science cool and accessible for girls. Sally Ride, who died on July 23, 2012, will continue to inspire young children.

Sally Ride Erin Edison, 2014 Describes the life and work of Sally Ride, the first American woman in space--

*Sally Ride* AnnMarie Anderson, 2015 Sally Ride was the first American female astronaut to go to space. She worked on a space shuttle for two different missions. But Sally Ride did more than just travel to space. She also was a teacher, an author, and a scientist--Page 4 of cover.

The Book of Gutsy Women Hillary Rodham Clinton, Chelsea Clinton, 2019-10-01 Now an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many people—especially girls—have asked us that same question over the years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of Life magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and

swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

**When I Grow Up: Sally Ride (Scholastic Reader, Level 3)** AnnMarie Anderson, 2015-02-24 Meet the first American woman to travel to space! Sally Ride was the first American female astronaut to go to space. She worked on a space shuttle for two different missions. But Sally Ride did more than just travel to space. She also was a teacher, an author, and a professor. Learn more about her amazing life in this new biography! The WHEN I GROW UP easy readers are the perfect introductory biography series. Each book takes the reader on a journey from a recognizable figure's obscure childhood to famed adulthood. Aspirational first-person text is accompanied by a mix of photography and illustrations. This fun take on the early biography is ideal for home or the classroom and will inspire children to live out their dreams.

**Kids Review Kids' Books** Scholastic Professional Books, Scholastic, Inc. Staff, 1997-08 This friendly reference allows kids to make informed decisions about which books to read, offering more than 375 lively book reviews for kids by kids. Children, teachers, and parents can easily locate books by subject, title, or author, and discover what makes each book a must read!

**To Space and Back** Sally Ride, Susan Okie, 1986-10-10 Describes in text and photographs what it is like to be an astronaut on the space shuttle. Includes a glossary of terms.

The Life of Sally Ride Elizabeth Raum, 2019 This series explores the lives of American people who did great things for the United States. Learn about three important people and what they were like. Read about the person's family, childhood, school years, working years, and accomplishments. Find out why that person will always be remembered.

*Sally Ride* Jackie Pérez, 2025-03-06 Showcases the life of the first American woman in space, from her childhood, to her accomplishments as a tennis star, and her pioneering achievements as an astronaut and science educator. Explore Sally Ride's life and contributions and understand the historical context of landmark events, movements, and women who paved the way for her success. Ride's groundbreaking achievement represented a moment of triumph in an ongoing struggle for gender equality propelled by pivotal events such as the 1960's Civil Rights Movement advocating for equal rights for all individuals, and the enactment of Title IX in 1972 ensuring gender equity in education. Written for students of American and

women's history, this examination of Ride's life places each milestone in its historical context. This illuminates not only the world she lived in, but also her enduring significance to the contemporary challenges women and LGBTQ+ people continue to face in their efforts to pursue careers in STEM. A detailed chronology, curated sidebars throughout, chronological sequencing, and primary source documents make this a singular and necessary first-stop reference resource on Ride's life and work.

**Best Books for Children** Catherine Barr, 2006 Contains more than 25,000 titles of books recommended for children in grades K-6.

**NASA/TREK** Constance Penley, 1997-06-17 In this investigation and celebration of America's fascination with space, Constance Penley, a professor of film studies and women's studies at the University of California, illustrates issues of sex and sexuality in the world of science and technology and examines the widely held prejudices against women in this area. 20 photos.

*Kid Scientists* David Stabler, 2018-10-09 A New York Journal of Books Notable Children's Book Funny childhood biographies and cartoon-style illustrations take us inside the lives of 15 scientific legends—when they were kids!—from Albert Einstein and Jane Goodall to Marie Curie and Neil DeGrasse Tyson. Every great scientist started out as a kid. Before their experiments, inventions, and discoveries that changed the world, the world's most celebrated scientists had regular-kid problems just like you. Stephen Hawking hated school and preferred to spend his free time building model airplanes, inventing board games, and even building his own computer. Jane Goodall got in trouble for bringing worms and snails into her house. And Neil deGrasse Tyson had to start a dog-walking business to save up money to buy a telescope. *Kid Scientists* tells the stories of a diverse and inclusive group, including: • Temple Grandin • Nikola Tesla • Ada Lovelace • Benjamin Franklin • Isaac Newton • Rosalind Franklin • Sally Ride • Rachel Carson • George Washington Carver • Vera Rubin With whimsical illustrations bringing every caper, scrape, and sticky situation to life, this book is a fun, approachable introduction to the giants of the scientific world—and a perfect addition to libraries, classrooms, and kids at-home collections. “. . . interesting, funny, and, most importantly, relevant to kids today.” —Geek Dad

*Sally Ride* Tom Riddolls, 2010-08 Sally Ride soared into outer space on the Space Shuttle Challenger in 1983, the youngest astronaut and the first U.S. woman in space. Just 32 years old that year, this California girl was already an accomplished astrophysicist when NASA chose her. Since then, she has written several books introducing young readers to the subject of space exploration and encouraging them to study the sciences.

**Bulletin of the Center for Children's Books** University of Chicago. Center for Children's Books, 1994

### **Books Written By Sally Ride Introduction**

In today's digital age, the availability of Books Written By Sally Ride books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Books Written By Sally Ride books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Books Written By Sally Ride books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Books Written By Sally Ride versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Books Written By Sally Ride books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and

accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Books Written By Sally Ride books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Books Written By Sally Ride books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Books Written By Sally Ride books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Books Written By Sally Ride books and manuals for download and embark on your journey of knowledge?

### **FAQs About Books Written By Sally Ride Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make

sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Books Written By Sally Ride is one of the best book in our library for free trial. We provide copy of Books Written By Sally Ride in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Books Written By Sally Ride. Where to download Books Written By Sally Ride online for free? Are you looking for Books Written By Sally Ride PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Books Written By Sally Ride. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Books Written By Sally Ride are for sale to free while some are payable. If you arent sure

if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Books Written By Sally Ride. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Books Written By Sally Ride To get started finding Books Written By Sally Ride, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Books Written By Sally Ride So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Books Written By Sally Ride. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Books Written By Sally Ride, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with

some harmful bugs inside their laptop. Books Written By Sally Ride is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Books Written By Sally Ride is universally compatible with any devices to read.
