Nora Roberts's Bride Quartet (Books 1-4) Nora Roberts, 2012-07-31

**Nora Roberts' The Bride Quartet** Nora Roberts, 2011-03-01 The four ladies of Vows wedding planning company find love of their own in this delightful collection that includes all four novels in #1 New York Times bestselling author Nora Roberts' Bride Quartet. VISION IN WHITE Wedding photographer Mackensie "Mac" Elliot is most at home behind the camera for Vows, but her focus is shattered moments before an important wedding rehearsal when she bumps into Carter Maguire—the bride-to-be's brother—in an encounter that has them both seeing stars. BED OF ROSES Jack Cooke is so close to the women of Vows that he's practically family—which makes things awkward when he admits that his feelings for florist Emma Grant have developed into much more than friendship. SAVOR THE MOMENT Wedding baker Laurel McBane is surrounded by romance working at Vows. But she's too low-key to appreciate all the luxuries that their clients seem to long for. What she does appreciate is a strong, intelligent man, a man just like Parker's older brother Delaney. HAPPY EVER AFTER No man has rattled Parker Brown in a long time, but motorcycle-riding, raven-haired mechanic Malcom Kavanaugh seems to have a knack for it. As the public face of Vows, Parker's business risks have always paid off, but now she'll have to take the chance of a lifetime with her heart.

Mechanic Malcom Kavanaugh loves figuring out how things work, and Parker Brown—with her endless legs—is no exception. But as a good friend of Parker's brother, he knows that moving from minor flirtation to major hook-up is a serious step. No man has rattled Parker in a long time, but the motorcycle-riding, raven-haired Mal seems to have a knack for it. His passionate kisses always catch her off guard, much like her growing feelings for him. Parker's business risks have always paid off, but now she'll have to take the chance of a lifetime with her heart... Savour the Moment Nora Roberts, 2010 #1 New York Times bestselling author Nora Roberts cordially invites you to meet childhood friends Parker, Emma, Laurel, and Mac--the founders of Vows, one of Connecticut's premier wedding planning companies. With the support of her friends, Laurel McBane's dream of attending culinary school came true. Now, she's repaying their kindness by creating extravagantly luscious tiers of cakes and other confectionary delights that add the perfect touch to their clients' weddings. As for romance, the low-key Laurel has had a mega crush on Parker's older brother, Delaney Brown, since childhood. But she's convinced that the Ivy League lawyer is still out of her reach. When Laurel's quicksilver moods get the better of her--leading to an angry, hot, altogether mind-blowing kiss with Del--she'll have to quiet the doubts in her mind to turn a moment of passion into forever...

Vision In White Nora Roberts, 2009-05-07 Childhood friends Mackensie, Parker, Laurel and Emmaline have formed a very successful wedding planning business together but, despite helping thousands of happy couples to organise the biggest day of their lives, all four women are unlucky in love. Photographer Mackensie Elliot has suffered a tough childhood and has a bad relationship with her mother, which makes her wary of commitment. But when she meets Carter Maguire, she can't stop herself falling for him, although his ex-girlfriend is prepared to play dirty to keep him. Mackensie soon realises she has to put her past demons to rest in order to find lasting love . . .

Bridal Quartet Nora Roberts, 2011-03 Mackensie Mac Elliot has been happy to capture other people's happy memories as a wedding photographer for the company she founded with her three childhood friends, but a chance encounter with Carter Maguire, a stable English teacher, forces her to recognize the emotional damage caused by her dysfunctional parents.

Happy Ever After Nora Roberts, 2011

The Wedding Planners Nora Roberts, 2020-05-08 Three romantic stories from globally bestselling author, Nora Roberts, about four childhood friends who run a wedding planning business together: contains A Bed of Roses, Savour the Moment and Happy Ever After. A Bed of Roses Although Emmaline Grant loves being a wedding florist, she still hasn't found her own Mr Right. But the last place Emma's looking is right under her nose. And that's just where Jack Cooke is. He's been best friends with Parker's brother for years, which makes him practically family. Now the architect has begun to admit to himself that his feelings for Emma have developed into much more than friendship, and when she returns his passion - kiss for blistering kiss - things start to get complicated. Jack has never been big on commitment. Emma yearns for a lifelong love affair. And if the two are to find common ground, they must trust in their history - and in their hearts . . . Savour the Moment Chef Laurel McBane has worked hard all her life to secure her dream - to be an award-winning baker. Now, her wedding cakes are as close as anyone can get to edible perfection - stunning creations that complement Mac's beautiful photographs and Emmaline's floral bouquets. Because Laurel has worked so hard to overcome her tough upbringing, she is wary about letting

anything, or anyone, get in the way of her work. But a slowly simmering chemistry with Parker's brother Del has suddenly become too hot to ignore . . . Happy Ever After With her three best friends now happily settled in relationships, only workaholic Parker remains single. Her business is her life and she devotes all her energies to it. But someone is about to divert her focus... This collection contains books 2 - 4 in The Bride Quartet. All four books in the series (Book 1 - Vision in White) are available for sale separately.
