**Michael Brown**

Cuentos para pensar Jorge Bucay, 2000

Amarse con los ojos abiertos Jorge Bucay, Silvia Salinas, 2022-08-13 Un extraño error provocado por un servidor de correo electrónico provoca el encuentro entre un hombre y una mujer. Roberto, un soltero bastante mujeriego y algo cansado de su vida rutinaria, se ve envuelto de forma misteriosa en el intercambio de mensajes entre dos psicólogos que hablan sobre el amor y la pareja. Poco a poco, se sentirá cada vez más atraído por la historia y querrá ser partícipe de ella, dando lugar a una situación fascinante a través de la cual Jorge Bucay y Silvia Salinas reflexionan sobre el sentido de estar en pareja y el verdadero significado del amor.

**Cuentos clásicos para conocerte mejor** Jorge Bucay, 2018-09-01 Pocos autores conocen el poder terapéutico y de autoconocimiento que tienen los cuentos tan bien como Jorge Bucay, quien combina la experiencia en la consulta psicológica con un gran talento para recrear las historias clásicas que hemos leído, contado y hecho nuestras. Leer cuentos, afirma el autor, es la experiencia literaria primordial, un encuentro con nuestras ideas y emociones profundas, a la vez que con los valores y conocimientos que han estructurado a nuestra sociedad. Los once relatos presentados en este volumen se complementan con su interpretación tradicional, a la par de una relectura, novedosa y provocadora, que demuestra por qué no han perdido su vigencia. La pasión de Bucay por las historias y su vocación de comprender a fondo la conducta humana se conjugan en un libro inolvidable para leer (y aprender) cada día. Caperucita le preguntó al lobo como si hablara con su abuelita: —¿Por qué vuelves a leer esos cuentos, si ya te los conoces de memoria? El lobo se puso de pie y le contestó con voz muy clara: —¡Para conocerme mejor!

**Formación emocional en entornos educativos** Neva Milicic, 2022-07-17 ¿Qué formación queremos que tengan nuestras niñas, niños y adolescentes? ¿Cómo podemos ofrecerles una educación emocional que, junto con proporcionarles bienestar, les ayude a ser un aporte efectivo a la sociedad? Estas preguntas recorren este libro, donde las autoras, reconocidas especialistas en la materia, entregan los conceptos y herramientas necesarias para abordar uno de los temas centrales en los entornos educativos actuales: el desarrollo emocional.

**De mayor quiero ser... feliz 2** Anna Morató García, 2024-03-14 La muy esperada continuación del exitoso libro De

mayor quiero ser... feliz. «Cuando estás bien contigo mismo, sabes que puedes conseguir tus sueños y tus metas. De hecho, perseguirlos forma parte de tu felicidad.» 6 nuevos cuentos para profundizar en los 6 valores que ayudarán a los niños a sentirse bien y a aprender la importancia de valorarse sí mismo: El tesoro máspreciado es un cuento sobre la importancia de la confianza en uno mismo, para aprender a valorarnos. El misterio del vaso medio... es un cuento sobre la actitud positiva, porque una buena visión de la vida ayuda a nuestro estado de ánimo. Un mundo mejor profundiza en el tema de la empatía a través de tres conceptos muy importantes: la amabilidad, la honestidad y el respeto por los demás. El cajoncito trata el agradecimiento, por las cosas buenas que nos pasan y por las personas de nuestro alrededor que nos cuidan y nos quieren. El juego de los mapas habla de cómo gestionar el esfuerzo y la importancia de no frustrarnos cuando algo requiere mayor dedicación por nuestra parte. Espejo, Espejito resume los 12 cuentos del volumen anterior y de este y nos enseña a querernos a nosotros mismos, a buscar la felicidad dentro de uno mismo y no fuera. «Recuerda que la felicidad está dentro de ti.» Sobre el libro anterior, los lectores han dicho... «Explica de manera visual para los niños conceptos complicados como la empatía. ¡Muy muy recomendable para formar en valores a tus niños!. Nos ha encantado leerlo.» «Son 6 cuentos muy cortitos con ejemplos fáciles de seguir y entender. [Mi hija] Al sentirse identificada con las situaciones los escucha muy atenta. ¡Además las ilustraciones le encantan!»

Algo... en el cuerpo de mi niño - Diario de un extraño Joan Déu de Franco, 2025-04-18 Este es un libro en forma de diario, narrado por un padre cuyo hijo, a la edad de 7 años, es diagnosticado de cáncer. Lo que escribo en estas páginas fue ocurrencia de una fuerza que me ayudó, y me sigue ayudando en el día a día, a llevar con equilibrio, si cabe, el episodio que vive nuestro hijo Carlos. Los tratamientos y el posterior desahucio por parte de la medicina convencional harán que se busquen alternativas para la sanación y limpieza de tóxicos recibidos. Años después, seguimos haciendo camino. Carlos está enseñando a mucha gente a mirar la vida de forma distinta. Así me está sucediendo a mí: he conocido a personas que me han aportado sabiduría, conocimiento y un nuevo enfoque a la vida. Agradezco, y siento a la vez, que haya sido por un apuro existencial conversar con Dios. Saber que la muerte es un soplo más en la evolución del hombre y en buscar siempre la concordancia con el Universo, sentirme parte de él; y como una respiración consciente y sin resistencia, observar que todo funciona así. Si hay alguna razón para hacer pública esta historia es para que pueda servirte de ayuda.
