

Dr George W Carey

Elizabeth Jones Towne

The Anti-christ George W. Carey, 2017-10-31 A very short tract from George W. Carey on the Anti-Christ. Primitive Christians, the Essenes, fully realized and taught the great truth that Christ was a substance, an oil or ointment contained especially in the Spinal Cord, consequently in all parts of the body, as every nerve in the body is directly or indirectly connected with the wonderful 'River that flows out of Eden (the upper brain) to water the garden.' The title of this book is misleading. This book has clues to keys that help one realize how to unlock the inner Christ and find your way to the land of Milk and Honey

George W. Carey Works (3 Books in 1) George W. Carey, 2024-05-21 2024 Reprint of Three previously published works in one volume. Carey (1845 - 1924) was an American homeopath and occultist known for a number of 1910s Chemistry of Life publications, a subject which he referred to as biochemistry, and particularly for his 1919 publication, The Chemistry of Human Life. His work was a mixture of religion, astrology, physiology, anatomy, and chemistry, themed particularly with a mineral-based theory of human disease. Carey is popular among homeopathic and new age circles. In the context of a person viewed as a human molecule, Carey was the first to state that a person's body is a chemical formula in operation. This 3-books-in-one includes: 1. The Chemistry of Human Life: The Biochemic Statement of the Cause of Disease and the Physiological and Chemical Operation of the Inorganic Salts of the Human Organism and Their Chemical Formulas 2. The Tree of Life: An Expose of Physical Regeneration on the Three-fold Plane of Bodily, Chemical and Spiritual Operation 3. The Chemistry and Wonders of the Human Body: The biochemic statement of the cause of disease and the physiological and chemical operation of the human organism and their chemical formulas; the human temple; the chemical bridge or link between man and God;

Wonders of the Human Body George W. Carey, 2013-12-10 The Bible, the Kaballah, the Vedas, and ancient cuneiform tablets, torn from their hiding places in the heart of Mother Nature, all hold the key to the wisdom of the ages ; and some there are who have turned the key and the door to understanding has opened. The author of this work has found the key and he has turned it. Erect and unafraid for he has nothing to lose or gain he reverently offers you that which you are seeking. He does not claim to be the only one who has discovered the key, but, working along the lines hinted at by some modern and many ancient seekers, he hereby presents the results of his many years of scientific research. He shows that the correct translations of the Greek and Hebrew scriptures plainly state that all the allegories and fables of these works refer to actual physiological facts; and the statements Seek ye first the Kingdom of Heaven and all things shall be added unto you; The

Kingdom of Heaven is within you, and Be ye therefore perfect as your Father in Heaven is perfect can be physiologically and chemically explained.
