**The Blonde Identity** Ally Carter, 2023-08-08 A unique, delightful, hilarious, unputdownable romance... I'm wonderstruck by *The Blonde Identity*! — Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* The New York Times bestselling YA author of the beloved *Gallagher Girls* series bursts onto the adult scene with a fast-paced, hilarious road trip rom-com about a woman with amnesia who discovers she's the identical twin sister of a rogue spy... and must team up with a rugged, grumpy operative to stay alive. It's the middle of the night in the middle of Paris and a woman just woke up with no memory. She only knows three things for certain: 1. She has a splitting headache. 2. The hottest guy she has (probably) ever seen is standing over her, telling her to run. And oh yeah... 3. People keep trying to kill her. She doesn't know who. Or why.

But when she sees footage of herself fighting off a dozen men there's only one explanation: obviously. . . she's a spy! Except, according to Mr. Hot Guy, she's not. She's a spy's identical twin sister. Too bad the only person who knows she's not the woman they're looking for is this very grouchy, very sexy, very secret agent who (reluctantly) agrees to help her disappear. Which is easier said than done when a criminal organization wants you dead and every intelligence service in the world wants you caught. Luckily, no one is looking for a pair of lovesick newlyweds on their honeymoon. And soon they're lying their way across Europe—dodging bullets and faking kisses as they race to unravel a deadly conspiracy and clear her sister's name. But with every secret they uncover, the truth shifts, until she no longer knows who to trust: the twin she can't remember or the mysterious man she can't let herself forget... Spies! Amnesia! And banter that'll make you chant "Kiss! Kiss! Kiss!" No one writes an action rom-com quite like Ally Carter. – Rachel Hawkins, New York Times bestselling author of *The Wife Upstairs*

*Friendship* A. C. Grayling,2013-09-15 A central bond, a cherished value, a unique relationship, a profound human need, a type of love. What is the nature of friendship, and what is its significance in our lives? How has friendship changed since the ancient Greeks began to analyze it, and how has modern technology altered its very definition? In this fascinating exploration of friendship through the ages, one of the most thought-provoking philosophers of our time tracks historical ideas of friendship, gathers a diversity of friendship stories from the annals of myth and literature, and provides unexpected insights into our friends, ourselves, and the role of friendships in an ethical life. A. C. Grayling roves the rich traditions of friendship in literature, culture, art, and philosophy, bringing into his discussion familiar pairs as well as unfamiliar-Achilles and Patroclus, David and Jonathan, Coleridge and Wordsworth, Huck Finn and Jim. Grayling lays out major philosophical interpretations of friendship, then offers his own take, drawing on personal experiences and an acute awareness of vast cultural shifts that have occurred. With penetrating insight he addresses internet-based friendship, contemporary mixed gender friendships, how friendships may supersede family relationships, one's duty within friendship, the idea of friendship to humanity, and many other topics of universal interest.

*Christ Died for Your Enemy* Veneta Ford,2020-03-24 This is Your Guidebook to Peace with Others For eleven years Veneta and her family enjoyed their sweet Maltese puppy, Wayne. Then one day they decided Wayne might enjoy a companion. So they adopted Finn, which is three times the size of Wayne. Regardless of Wayne's being the smaller of the two, little Wayne was the alpha dog. It was his territory and his family. Finn wasn't welcome. Finn was offended and they became immediate enemies, fussing and growling at each other. It was a trying time for the entire Ford family who seriously considered finding Finn another home. But as time passed and the family prayed, the pups gradually laid aside their differences, stopped their growling, and learned to tolerate each other. Today, they are playful and rest peacefully together. Each of us has experienced strained relationships, offenses, and even betrayals at times. Perhaps you or someone you know are struggling right now. In this insightful book, Veneta brings us fresh revelation and spiritual understanding about resolving relational differences. She explains how we can apply God's principles of reconciliation. In Veneta's book, you'll find God's heart and His help to resolve past, present, and future relationships.
