The Island Gary Paulsen, 2014-05-27 From the New York Times–bestselling author of *Northwind*, a unique exploration into the exhilarating joys—and the inevitable dangers—of total solitude. Every day, fifteen-year-old Wil Neuton gets up, brushes his teeth, leaves the house, and rows away from shore. He’s discovered the island, a place where he can go to be alone and learn to know nature—and himself. Wil’s only mission is to let go of the outside world. But the outside world refuses to let go of him. His family regards him as a puzzle. The town bully is determined to challenge him. And suddenly, even reporters know his name. He can confront them all, or he can embrace his solitude forever. Just one thing is certain now: Wil Neuton will no longer be relying on anybody but himself. “This could have been another back-to-nature story, but Newbery Honor writer Paulsen tells Wil’s inner journey with a confident lyricism that duplicates Wil’s emotional qualities.” —Publishers Weekly “Wil Neuton seeks out harmony within [nature], recalibrating his life by way of his self-imposed solitude on the island . . . While *Hatchet* provided readers with some much-needed escapism, *The Island* centered its focus on what we can never escape—mortality, which, in the immediate aftermath of Paulsen’s passing, now takes on new significance.” —The Millions

Road Trip Gary Paulsen, Jim Paulsen, 2013-01-08 A summer adventure you'll never forget, from a beloved Newbery Honor winning author! Dad and Ben haven't been getting along lately, and Dad hopes a road trip to rescue a border collie will help them reconnect. But Ben is on to Dad's scheme, and he's got ideas of his own. Like inviting his buddy, Theo, who's sure to get into fun (and trouble) along the way. And if Dad wants a family road trip, then the family dog, Atticus, should get to come, too. What could go wrong? But when their truck breaks down, the family trip takes plenty of unexpected turns. Before they know it, they've commandeered an old school bus and joined forces with its cranky mechanic, Gus. Next, they pick up Mia, a waitress escaping a tense situation. Only sharp-eyed Atticus realizes that Theo is on the run from something bad—and someone is following them. With alternating chapters from both Ben and his dog, Atticus, this fast-paced book takes readers on an unpredictable ride that's all about family, friendship, and surprises.
