Winston Leyland

Just the Tip Lost the Plot, 2018-10 A Lost the Plot Book, First published in 2017 by Pantera Press Pty Limited--Title page verso.

Pray the Gay Away Bernadette Barton, 2014-08-22 2013 Finalist for the Lambda Literary Awards, LGBT Studies category Barton argues that conventional Southern manners and religious institutions provide a foundation for homophobia in the Bible Belt. In the Bible Belt, it's common to see bumper stickers that claim One Man + One Woman = Marriage, church billboards that command one to "Get right with Jesus," letters to the editor comparing gay marriage to marrying one's dog, and nightly news about homophobic attacks from the Family Foundation. While some areas of the United States have made tremendous progress in securing rights for gay people, Bible Belt states lag behind. Not only do most Bible Belt gays lack domestic partner benefits, lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual. In *Pray the Gay Away*, Bernadette Barton argues that conventions of small town life, rules which govern Southern manners, and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt. She explores how conservative Christian ideology reproduces homophobic attitudes and shares how Bible Belt gays negotiate these attitudes in their daily lives. Drawing on the remarkable stories of Bible Belt gays, Barton brings to the fore their thoughts, experiences and hard-won insights to explore the front lines of our national culture war over marriage, family, hate crimes, and equal rights. *Pray the Gay Away* illuminates their lives as both foot soldiers and casualties in the battle for gay rights.

Ministering Graciously to the Gay and Lesbian Community Brian Keith Williams, 2005 Helps you understand what will enable those individuals who are entrenched in what is called an 'alternative' lifestyle to find a path of peace in the recovery of their soul and self-esteem. Educate those who want to learn, to relate and to understand in order to genuinely minister graciously to the gay and lesbian community, whether they be family, friends, or fellow church members. Equip the reader with the information to gently and lovingly apply the oil of God's Spirit and the wine of God's love.

Gays in the Military George Grant, Cal Thomas, 1993 All the right-wing arguments against allowing gays to openly serve in the military.--dm.

David's Vineyards Bruce Lee Givens, 2016-08-12 David's history provides a convincing argument that, in his case at least,

homosexuality is congenitally hereditary. However, he has no predilection for publicly advocating with the growing gay communities of the 1970s San Francisco Bay Area. He has more than enough resistance regarding his sexual persuasion from his own mother to keep him busy. Fortunate in the support of other family members, especially his faithful and loving sister, he strives to ignore his mothers objections. This is a chronicle of Davids pursuit for personal happiness which takes him to London, Amsterdam, Paris, Rome and New York and the unexpected events that cause him to reevaluate his simplistic goal of self-satisfaction to maturely align his emotional and spiritual trajectory in life.

Young, Gay, and Proud! Don Romesburg,1995 Now updated and fully revised, this edition looks at the relevant issues faced by gay teens today.

The Mismeasure of Desire Edward Stein,2001-04-12 In recent years, scientific research & popular opinion have favoured the idea that sexual orientations are determined at birth, but Edward Stein argues that this may be wrong. This book offers an examination of contemporary thinking on this issue.
