Writing the Self in Bereavement Reinekke Lengelle, 2021-01-07 Winner, ICQI 2022 Outstanding Qualitative Book Award
In *Writing the Self in Bereavement: A Story of Love, Spousal Loss, and Resilience*, Reinekke Lengelle uses her abilities as a researcher, poet, and professor of therapeutic writing to tell a heartfelt and fearless story about her grief after the death of her spouse and the year and a half following his diagnosis, illness, and passing. This book powerfully demonstrates that writing can be a companion in bereavement. It uses and explains the latest research on coming to terms with spousal loss without being prescriptive. Integrated with this contemporary research are stories, poetry, and reflections on writing as a therapeutic process. The author unflinchingly explores a number of themes that are underrepresented in existing resources: how one deals with anger associated with loss, what a healthy response might be to unfinished business with the deceased, continuing conversations with the beloved (even for agnostics and atheists), ongoing sexual desire, and secondary losses. As a rare book where an author successfully combines a personal story, heart-rending poetry, up-to-date research on grief, and an evocative exploration of taboo topics in the context of widowhood, *Writing the Self in Bereavement* is uniquely valuable for those grieving a spouse or other loved one, those supporting others in bereavement, and those interested in the healing power of poetry and life writing. Researchers on death and dying, grief counsellors, and autoethnographers will also benefit from reading this resonant resource on love and loss.

Revolutionary Love in Eighteenth- and Early Nineteenth-century France Allan H. Pasco, 2009 In this innovative study, the author carves out a new field, a sociology of literature in which he offers insightful commentary about the nexus of literature and society. Calling on history, sociology, and psychology as well as literature as points of reference, Allan Pasco examines the conceptual in eighteenth-century France's ideal of love from familial duty to personal fulfilment.

Through examples of survivors who have triumphed over past abuse, the book presents a new way to understand the dynamics of abusive relationships as well as demonstrates the strength, resourcefulness, and resilience of victims and survivors. *Overcoming the Stigma of Intimate Partner Abuse* offers

professionals, survivors, and communities an action plan to end stigma, support survivors, advocate for better response systems, raise awareness about abuse, and prevent violence.

The Wicked Waltz and Other Scandalous Dances Mark Knowles, 2009-06-08 The waltz, perhaps the most beloved social dance of the 19th and early 20th centuries, once provoked outrage from religious leaders and other self-appointed arbiters of social morality. Decrying the corrupting influence of social dancing, they failed to suppress the popularity of the waltz or other dance crazes of the period, including the Charleston, the tango, and animal dances such as the Turkey Trot, Grizzly Bear, and Bunny Hug. This book investigates the development of these popular dances, considering in particular how their very existence as taboo cultural fads ultimately provided a catalyst for lasting social reform. In addition to examining the impact of the waltz and other scandalous dances on fashion, music, leisure, and social reform, the text describes the opposition to dance and the proliferation of literature on both sides.

Comedy Quotes from the Movies Larry Langman, Paul Gold, 1994 Clever repartee, double entendres, punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies. Collected here are over 4,000 of the best comedic lines from the movies. The compilers of this book have tried to bring together some of the funniest, wittiest and most outrageous snatches of dialogue on film over a sixty year time period. For each entry the authors set the quotation in context, provide the name of the actor or actress, the name of the movie and the year of release. The quotations are arranged by a broad range of categories, such as politics, food and eating, gambling, and many others. A title index and a name index follow the body of the book.
