Jacob's Ladder Reading Comprehension Program Joyce VanTassel-Baska, Tamra Stambaugh, 2021-09-03 The Jacob's Ladder Reading Comprehension Program targets reading comprehension skills in high-ability learners by moving students through an inquiry process from basic understanding to critical analyses of texts, using a field-tested method developed by the Center for Gifted Education at William & Mary. Students in grades K-1 will learn to comprehend and analyze any reading passage after completing the activities in Jacob's Ladder, Grades K-1 (2nd ed.). Geared for students in grades K-1, this book, a revision of the Primary Level 1 book, includes stories and ladder tasks carefully selected for young children to develop oral communication and listening skills in addition to the other ladder goals. This book provides stories focused on picture analysis, read alouds, classics, and original works. Optional Student Workbook Packs In addition to this teacher's guide, companion student workbooks are available for Grades K-1

Tale, Performance, and Culture in EFL Storytelling with Young Learners Licia Masoni, 2019-10-10 This book analyses the interplay between storytelling (with specific reference to oral retellings of authentic picture books), language learning, culture and emotions in the EFL pre-school and primary classroom. Using a multidisciplinary approach, it applies oral narrative studies, as well as research on shared reading with children and literature in picture books, to foreign and second language teaching theory and practice, while also discussing the impact of EFL storytelling on intercultural understanding. Although specifically conceived for teaching English as a foreign language, most contents apply to foreign/second language teaching to young children in general.

We're Gonna Keep On Talking Matthew Kay,Jennifer Orr,2023-10-10 What should conversations about race look and sound like in the elementary classroom? How do we respond authentically and truthfully to children's questions about the world? And how can we build classroom communities that encourage these meaningful conversations about race? Matthew Kay and Jennifer Orr take on these questions and more in *We're Gonna Keep On Talking: How to Lead Meaningful Race Conversations in the Elementary Classroom*. A companion work to Kay's *Not Light, But Fire*, this book focuses on the unique and powerful role discussions about race can play in the elementary classroom. Drawing its title inspiration from the lyrics of the freedom song *Ain't Gonna Let Nobody Turn Me Around*, sung by hundreds of children marching against segregation in what came to be known as the Children's Crusade of 1963, *We're Gonna Keep On Talking* is written for teachers who are willing to match children's courage and brilliance, and who believe that a foundation in meaningful race discourse will help [children] to seek justice for themselves and their neighbors, to be kinder, [and] more thoughtful. Writing with the humility and honest storytelling of two career classroom teachers, Matthew Kay and Jennifer Orr share: Strategies for building safe and supportive classroom and school spaces for productive discourse Dozens of practical teacher moves for facilitating race conversations Classroom stories that allow readers to envision ways into the work through picture books, art, graphs, historical photographs, and current events Tips for aligning the work of race conversations to your grade-level standards Whether you are unsure of where to begin or looking to deepen your practice, *We're Gonna Keep On Talking* will be your guide to the important work of race conversations in the elementary classroom.

The Angel's Promise Violette Cabesos,2008-08-17 The international bestseller and award-winning thriller that takes its reader on a richly imaginative journey to the depths of Mont-Saint-Michel. Rising out of the sea on a rocky isle off the coast of France, the church and abbey of Mont-Saint-Michel have withstood the harsh northern weather--and withheld its darkest

medieval mysteries--for one thousand years. Until now. Now a young, brilliant archeologist, Johanna, has begun to uncover and explore secrets that have long lain buried at the sacred site. In ancient ritual, in foreboding visions, in an expedition at once metaphysical and archeological, Johanna ardently researches the past only to discover that its bizarre, murderous history has begun to be repeated in the present. Reality becomes an elusive, dangerous place, and it leaves Joanna with no one she can fully trust.

Flight from Fiesta Frank Waters, 1987 Set in Santa Fe in the mid-fifties, the story itself is deceptively simple. Elsie runs away from her hotel, she encounters Inocencio, an old alcoholic Pueblo Indian. In the wake of the girl's disappearance, as the local posse-mentality intensifies and Inocencio is suspected of kidnapping, the frightened Indian flees to the hills, taking Elsie with him on a week-long odyssey through the mountains, towns, and pueblos of New Mexico. -- Jacket.
