The Theatre of Martin McDonagh Lilian Chambers, Eamonn Jordan, 2006 With such plays as The Beauty Queen (1996), The Cripple of Inishmaan (1997), The Lonesome West (1997), A Skull in Connemara (1997), The Lieutenant of Inishmore (2001), and The Pillowman (2003) Martin McDonagh has made a huge reputation for himself internationally, winning multiple awards for his work and enjoying universal critical acclaim. Most recently, he won an Oscar for his short film Six

Shooter (2006). This collection of essays is a vital and significant response to the many challenges set by McDonagh for those involved in the production and reception of his work. The volume brings together critics and commentators from around the world, who assess the work from a diverse range of often provocative approaches. What is not surprising is the focus and commitment of the engagement, given the controversial and st Whether for or against, this is an essential read for all who wish to enter the complex debate about the Theatre of Martin McDonagh.

Beyond Postmodernism Klaus Stierstorfer, 2003 After the veritable hype concerning postmodernism in the 1980s and early 1990s, when questions about when it began, what it means and which texts it comprises were apt to trigger heated discussions, the excitement has notably cooled down at the turn of the century. Voices are now beginning to be heard which seem to suggest a new episteme in the making which points beyond postmodernism, while it remains at the same time very uncertain whether what appears as newness is not rather a return to traditional concepts, theoretical premises, and authorial practices. Contributors to this volume propose to explore new openings and recent developments in anglophone literatures and cultural theories which engage with issues seen to be central in the construction of a postmodern paradigm, but deal with them in ways that promise new openings or a new Zeitgeist.

Theatre and Violence John W. Frick, 1999 A collection of pieces examining the theatre's role in fostering a culture enamoured of violence. Areas covered include violence as an integral part of dramatic text and performance, facets of the staging of violence, and examples of theatrical violence at the fringes of social acceptability.

The Theatre and Films of Martin McDonagh Patrick Lonergan, 2014-03-20 Martin McDonagh is one of the world's most popular dramatists. This is a highly readable and illuminating analysis of his career to date that will appeal to the legions of fans of his stage plays and the films *Six Shooter* and *In Bruges*. As a resource for students and practitioners it is unrivalled, providing an authoritative and enquiring approach to his work that moves beyond the tired discussions of national identity to offer a comprehensive critical exploration. Patrick Lonergan provides a detailed analysis of each of his plays and films, their original staging, critical reception, and the connections within and between the *Leenane* Trilogy, the *Aran Islands* plays and more recent work. It includes an interview with Garry Hynes, artistic director of *Druid Theatre Company*, and offers four critical essays on key features of McDonagh's work by leading international scholars: Joan Dean, Eamonn Jordan, Jose Lanters and Karen O'Brien. A series of further resources including a chronology, glossary, notes on McDonagh's use of language and a list of further reading makes this the perfect companion to one of the most exciting dramatists writing today.

The Beauty Queen of Leenane and Other Plays Martin McDonagh, 1996 While still in his twenties, the Anglo-Irish playwright Martin McDonagh has filled houses in London and New York, ranked in the most prestigious drama awards.
