Mysticism in Newburyport Peter James Ford,2023-02-19 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

Reflections Peter James Ford,2024-03-27 Peter James Ford, The Unlikely Messenger, is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery

program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."

Swagga for the Soul B. Swagz, 2021-04-12 Swagga for the Soul is about dressing your soul (character, attitude) to enhance your outer appearance. It offers guidance from the Lord's perspective according to His Holy word along with B. Swagz personal testimony, including struggles that many in this world may also face such as addiction, abandonment, loneliness, heartache, poverty, anger, fear, anxiety, depression, loss, and much more. Jesus came to save the sick and she is writing for Him to those who are lost and who struggle to inspire them to allow the Lord to work miracles in their lives, just as He did for her. We all have a unique journey containing all sorts of secrets and inner battles and B. Swagz believes that she is purposed by God to write this book as she has experienced all too much darkness in the short life that she has lived while having the courage to share her struggles with the world, i.e., finding her boyfriend dead at age twenty-nine, suffering from depression since age fourteen, struggling with and overcoming an eating disorder for several years, being in two mentally abusive relationships, having two sons with two different fathers, and losing temporary custody of her children. The best part of B. Swagz writings is that she not only writes this book for her audience, she writes it for herself.

Without the Mob, There Is No Circus David Sinclair, 2023-02-17 A UXB is an unexploded bomb. What happens when it goes off? All those who know about the Armageddon Conspiracy were aware that detonation was coming. Now it has. In this epic, we describe something of what the AC was all about, and why it had to perish. Nietzsche said, Whoever fights monsters should see to it that in the process he does not become a monster. And if you gaze long enough into an abyss, the abyss will gaze back into you. Did the AC become monstrous? It certainly attracted monsters. In the end, did it topple into the abyss? Had it stood on the verge of the abyss for too long? As the AC exits the stage and the final curtain descends, it's essential to review the show. Did it deserve a standing ovation, or to be booed off the stage? Should the audience have thrown flowers, or rotten tomatoes? What did the critics say? Does anyone care? There were all too many poison pens, all too few glittering prizes. Some things are born posthumously, and the AC now joins the list. What will its afterlife be like? As ever, AC material is controversial, so no one of a sensitive disposition should access this work. You can't say you haven't been warned. We understood that for our message to be pure, it would entail shrinking our audience to almost zero, and we have more or less achieved that. When you tell the truth, you repulse everyone who follows the lie, and that's nearly all of humanity. Humanity loves the Lie. It worships it. It will have nothing else. The Truth is of no use to it at all. So, come inside and follow the final phase of this strangest of all stories. You'll laugh, you'll cry, you'll be enraged, and many of you will storm off in a huff. At the end, you will either love us or hate us, and probably the latter. That's how it ought to be. What could be worse than going out with a whimper rather than a bang? Stand back, the bomb is going off.

Destiny Peter James Ford, 2024-03-04 "DESTINY" is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter's late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid visions in his mind of 'seeming' past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. One source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written ten more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title "MYSTICISM IN NEWBURYPORT" then the eighth and ninth bonus/companion books called

“MYSTIC” & “VISION QUEST.” Then “SHAMBHALA’S GHOSTS” was to join the collection of mystical tales. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

Around the World in 80 Years David Chance, 2012-09-28 There are 2 parts to the book. The first section covers some of the important events that took place around the world, from the early part of the 19th century, up to the years following World War II. It features the 2 men that I have always admired, both of whom planned and fought against tyranny. Neither of these men actually used weapons in the Second World War, but they did what they had to do, to preserve our freedom. The 2 men are Sir Winston Churchill and my father, both of whom had army careers, dad's lasting for 31 years. Churchill's was a much shorter span, before he moved into Politics. The second part of the book gives details of my travels around the world to 42 countries. To do this, I flew a total of 964,995 miles, taking 1430 flights on 91 different types of aircraft. In addition I have traveled far more than a million miles by car. There were many times that I got very close to having my life cut short, but somehow I managed to survive, as I am still here at age 79. It was all very interesting to me and I hope that I have been able to convey some of this excitement in what I have written.

52 Quotes to live by Zett Why, 2012 52 Quotes to Live By is a Self Help category book written by Zett Why. It's a spiritual and philosophical book that discusses what really makes us happy. Due to many objective and subjective reasons, we are often forced to go in directions which wouldn't be our choice under other conditions. We usually follow the goals imposed by society, friends, or just egoism created by ourselves. The more intellectual we become, the less often we feel satisfaction in our consciousness. We postpone moments of happiness to particular points in time, and believe that we will be happy when we achieve them. But right after having achieved them, we set new goals, and go on to the next goal. This race has no end... Oriental wisdom says - if you don't let the bee go out of the hive, she will not be able to bring back nectar. Letting go of your knowledge is an art and the high road to wisdom. Wisdom accommodates opposites. The intellect is not capable of this. You have to let go of Rightness, too. Then you won't be hurt by knowing. Only this will help you become reborn, and only this will let you find joy in simple things. Only this way leads to happiness... Pleasure in consciousness is all that we need. It's a guiding star, showing us whether we are on the right Way, or not. Alienation from pleasure is called Suffering. Pleasure seeking (desire) is called Hope. The appearance of a pleasurable moment - Happiness. Permanence in being in a condition of

pleasure is called Love. A condition of pleasure which involves all your entity is called Nirvana. People who are able to stay in a condition of overpowering pleasure in consciousness all the time, call it the Supreme Truth. Here is all that is Human... In his book, Zett Why encourages learning to differentiate real joy from egoism. He also offers 52 Ways about how to achieve a feeling of satisfaction in consciousness. In describing the ways, Zett analyzes aspects of daily life and introduces practical recommendations about how to find our real I, and joy in our daily life.
