Teachings and Illustrations as They Emanate from the Spirit World Mary Theresa Longley, 1908

Built on Purpose Betsy Fore, 2025-11-11 A successful entrepreneur shows how, by practicing a manifesting mindset, you can discover your deepest purpose—what she calls an “inner why”—to unlock your greatest potential as a creator, founder, and builder of great products. When it comes to starting a successful business, Betsy Fore, a two-time founder and CEO turned investor, offers a fresh and proven approach. In addition to focusing on practical matters—making a prototype, finding customers, raising money—she also considers the emotional and psychic journey an entrepreneur must take to discover their “deep inner why” and then manifest that vision and purpose in the world. In *Built on Purpose*, she teaches aspiring entrepreneurs how to apply the art and neuroscience of manifesting to creating and building a new company. The spiritual work of being able to operate on a high vibrational frequency isn’t considered a prerequisite for starting and running a business, but it is crucial to success. Manifesting is the process of transforming a vision into reality—which is exactly what it means to be an inventor/founder. Fore has witnessed how harnessing this process consciously can lead to extraordinary life-changing results and a more joyful journey. In this unique guide, Fore shows how anyone can tap into this secret force, no matter your background, level of expertise, or amount of capital. She brings together hard-hitting business strategies, skills and lessons for tapping into the universe and the boundless love and energy available to all of us, sharing

her own stories and best practices as well as examples from other entrepreneurs who have used the Deep Inner Why Method to great success. The result is a powerful guide that proves this paradigm-shifting methodology has a real—and positive—impact on those who believe in it.

Bitchcraft Kerry Colburn, 2019-10-08 Spells to empower the modern woman to exact revenge and take charge For the modern woman who wants to unleash her inner bitch, this magical book offers simple spells and incantations to exact revenge on anyone who deserves it—an evil ex, a coworker who stole her thunder, the stylist who ignored what ‘just a trim’ means, the rude idiot who won’t stop talking through the movie—the list sadly never ends. This enchanting collection emboldens women to use their own power to take matters into their own hands, with sassy spells for home, work, love, and more. A driver cut you off? There’s a spell for that. Someone on the subway stepped on your shoe and didn’t apologize? Just recite an incantation! Boss won’t approve your vacation days? Cast a hex! The bitchy witch can also get her friends in on it with included group-cast spells. Complete with 2-color illustrations and inspirational bitchy quotes, Bitchcraft is a cheeky twist on witchcraft for the modern woman.
