Great Quotes from Great People Eric Masters,Albert Goodman,2020-07-10 A Quote a Day to Unleash Your Best Self and Accompany You on Your Journey Toward Success Within the deepest recesses of your being is someone who is intently listening, someone who is capable of doing much more than they think, someone who is your most sincere ally. It is you. Everything you need to get your life into action is there, within you. All you need to do is to be aware of, and activate, it. Everything you hear or read, no matter how useful or beautiful, can evoke a response from you after you internalize it. Your time is now. This is a book with 365 quotes, one for each day of the year. You are invited to read 1 of these each day. And when you do, let it simmer; taste it, regurgitate it; meditate on it. Some of these quotes are meant to make you laugh, some to make you cry, some to inspire you, and some to spur you into action. But all of these quotes are meant to bring you closer to yourself, to look deep within your being, and believe that you can do anything. Giving makes you bigger. Giving is a defining characteristic of those who keep scaling higher peaks in life. These quotes were handpicked for you so you could discover the greater values that make you who you are. But on your journey toward success, you should share these quotes with others to enable them in seeing the bigger picture so they, too, can know themselves better and unleash the giant from within. Greatness beckons you. Keep this book with you. Read a quote. When motivation strikes you, write it down. Make whatever idea evolves from inside of you part of your action plan.
