Disease X and Medical Martial Law Todd S. Callender, J.D., Jerome R. Corsi, Ph.D., Craig D. Campbell, Ph.D., 2025-04-28 Disease X and Medical Martial Law: Defeating the Globalist Plan to Depopulate the World and Enslave the Remnant reveals a fully documented understanding of the new highly deadly mRNA “replicon” that the New World Order plans to force upon a global population in a health emergency designed to give a ruling oligarchy totalitarian power in their desired dystopian One World Government. In the pages of this book, you will see scientific, legal, and historic evidence for the covert plan hatched over many decades to create the planned future “utopian” nightmare that the “Great Reset” globalist masters want to keep hidden from public view. Want to know the truth about how these mad totalitarian globalists plan their ultimate power grab through creating the deadliest health pandemic the world has ever seen? Read Disease X and Medical Martial Law—but prepare to be shocked. Todd S. Callender, Jerome R. Corsi, and Craig D. Campbell have conducted a tour-de-force examination of the last days’ ideological and philosophical madness that exposes the neo-Marxists behind today’s anti-capitalist global health scam. This is the book that the Deep State monsters and their government-controlled media do not want you to read.

Light Medicine: A New Paradigm - The Science of Light, Spirit, and Longevity Ana Maria Mihalcea,2021-02-07 Light Medicine is the science of connecting light and spirit with health and longevity in the human body. This evolutionary model connects the creative force of the divine spiritual being ? incarnated in a physical body ? to the Observer in quantum physics and explains how our thoughts affect physical reality. Through extensive research, Dr. Mihalcea ties together, in a unique way, multiple scientific disciplines - biophysics, genetics, torsion and quantum physics, biochemistry, and neurology - with the power of the mind. How we think manifests a state of health or disease. This tapestry of context provides a fundamental basis for how modern miracles of healing can happen and are intentionally created. Based upon teachings by Ramtha the Enlightened One, Dr. Mihalcea presents a new way of assessing molecules of healing according to their light value. She explains the remarkable, scientific documentation of the great American Channel, JZ Knight, as an extraordinary example of how one's Divine Spirit can manipulate the matter of the physical body. From this out-of-the-box, scientific perspective, Dr. Mihalcea explores and explains natural and futuristic solutions for the reversal of all diseases of aging. Blu Room® technology is also introduced as an advanced Light Medicine adjunct toward medical treatment. Documented journeys of individuals, who have reversed chronic ailments and achieved a state of wellness through Light Medicine combination therapies, offer hope to all. This fantastic exploration of human possibilities leaves the reader inspired to dream a novel vision of health and longevity by reaching for new frontiers of science and mind.
