

Ian Mortimer Time Travellers Guide To Medieval England

Ian Mortimer

The Time Traveler's Guide to Medieval England Ian Mortimer, 2009-12-29 The past is a foreign country. This is your guidebook. A time machine has just transported you back to the fourteenth century. What do you see? How do you dress? How do you earn a living and how much are you paid? What sort of food will you be offered by a peasant or a monk or a lord? And more important, where will you stay? The Time Traveler's Guide to Medieval England is not your typical look at a historical period. This radical new approach shows us that the past is not just something to be studied; it is also something to be lived. All facets of everyday life in this fascinating period are revealed, from the horrors of the plague and war to the ridiculous excesses of roasted larks and medieval haute couture. Through the use of daily chronicles, letters, household accounts, and poems of the day, Mortimer transports you back in time, providing answers to questions typically ignored by traditional historians. You will learn how to greet people on the street, what to use as toilet paper, why a physician might want to taste your blood, and how to know whether you are coming down with leprosy. From the first step on the road to the medieval city of Exeter, through meals of roast beaver and puffin, Mortimer re-creates this strange and complex period of history. Here, the lives of serf, merchant, and aristocrat are illuminated with re-markable detail in this engaging literary journey. The result is the most astonishing social history book you're ever likely to read: revolutionary in its concept, informative and entertaining in its detail, and startling for its portrayal of humanity in an age of violence, exuberance, and fear.

The Time Traveller's Guide to Medieval England Ian Mortimer, 2012-09-03 Discover an original, entertaining and illuminating guide to a completely different world: England in the Middle Ages. Imagine you could travel back to the fourteenth century. What would you see, and hear, and smell? Where would you stay? What are you going to eat? And how are you going to test to see if you are going down with the plague? In The Time Traveller's Guide Ian Mortimer's radical new approach turns our entire understanding of history upside down. History is not just something to be studied; it is also something to be lived, whether that's the life of a peasant or a lord. The result is perhaps the most astonishing history book you are ever likely to read; as revolutionary as it is informative, as entertaining as it is startling. 'Ian Mortimer is the most

remarkable medieval historian of our time' The Times 'After The Canterbury Tales this has to be the most entertaining book ever written about the middle ages' Guardian

Medieval Horizons Ian Mortimer, 2023-02-23 The essential introduction to the Middle Ages by the author of The Time Traveller's Guide series—"the most remarkable medieval historian of our time" (The Times, UK). We tend to think of the Middle Ages as a dark, backward and unchanging time characterized by violence, ignorance and superstition. By contrast we believe progress arose from science and technological innovation, and that inventions of recent centuries created the modern world. But as Ian Mortimer shows in this fascinating book, we couldn't be more wrong. In this revelatory history, Mortimer shows how people's horizons—their knowledge, experience and understanding of the world—were utterly transformed between 1000 and 1600, marking the transition from a warrior-led society to that of Shakespeare. *Medieval Horizons* sheds light on the enormous cultural changes that took place—from literacy to living standards, inequality and even the developing sense of self. Mortimer demonstrates why this was a revolutionary age of fundamental importance in the development of the Western world.

The Time Traveler's Guide to Elizabethan England Ian Mortimer, 2013-06-27 The author of The Time Traveler's Guide to Medieval England takes you through the world of Shakespeare and Queen Elizabeth I From the author of The Time Traveler's Guide to Medieval England, this popular history explores daily life in Queen Elizabeth's England, taking us inside the homes and minds of ordinary citizens as well as luminaries of the period, including Shakespeare, Christopher Marlowe, Sir Walter Raleigh, and Sir Francis Drake. Organized as a travel guide for the time-hopping tourist, Mortimer relates in delightful (and occasionally disturbing) detail everything from the sounds and smells of sixteenth-century England to the complex and contradictory Elizabethan attitudes toward violence, class, sex, and religion. Original enough to interest those with previous knowledge of Elizabethan England and accessible enough to entertain those without, The Time Traveler's Guide is a book for Elizabethan enthusiasts and history buffs alike.

The Time Traveller's Guide to Regency Britain Ian Mortimer, 2020-12-29 'Ian Mortimer's Time Traveller's Guide to Regency Britain tells you all you need to know about criminals, disease, beggars and other late Georgian delights' Daily Telegraph, History Books of the Year This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveller's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history - the Regency, or Georgian England. Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in and what they were afraid of. Conveying the sights, sounds and smells of the Regency period, this is history at its most exciting, physical, visceral - the past

not as something to be studied but as lived experience.

The Time Traveler's Guide to Restoration Britain Ian Mortimer, 2017-04-11 Imagine you could see the smiles of the people mentioned in Samuel Pepys's diary, hear the shouts of market traders, and touch their wares. How would you find your way around? Where would you stay? What would you wear? Where might you be suspected of witchcraft? Where would you be welcome? This is an up-close-and-personal look at Britain between the Restoration of King Charles II in 1660 and the end of the century. The last witch is sentenced to death just two years before Isaac Newton's *Principia Mathematica*, the bedrock of modern science, is published. Religion still has a severe grip on society and yet some—including the king—flout every moral convention they can find. There are great fires in London and Edinburgh; the plague disappears; a global trading empire develops. Over these four dynamic decades, the last vestiges of medievalism are swept away and replaced by a tremendous cultural flowering. Why are half the people you meet under the age of twenty-one? What is considered rude? And why is dueling so popular? Mortimer delves into the nuances of daily life to paint a vibrant and detailed picture of society at the dawn of the modern world as only he can.

The Time Traveller's Guide to Elizabethan England Ian Mortimer, 2013-04-01 'A fresh and funny book that wears its learning lightly' Independent Discover the era of William Shakespeare and Elizabeth I through the sharp, informative and hilarious eyes of Ian Mortimer. We think of Queen Elizabeth I's reign (1558-1603) as a golden age. But what was it actually like to live in Elizabethan England? If you could travel to the past and walk the streets of London in the 1590s, where would you stay? What would you eat? What would you wear? Would you really have a sense of it being a glorious age? And if so, how would that glory sit alongside the vagrants, diseases, violence, sexism and famine of the time? In this book Ian Mortimer reveals a country in which life expectancy is in the early thirties, people still starve to death and Catholics are persecuted for their faith. Yet it produces some of the finest writing in the English language, some of the most magnificent architecture, and sees Elizabeth's subjects settle in America and circumnavigate the globe. Welcome to a country that is, in all its contradictions, the very crucible of the modern world. 'Vivid trip back to the 16th century...highly entertaining book' Guardian

The Time Traveller's Guide to Medieval England Brain Shot Ian Mortimer, 2010-07-02 The past is a foreign country: this is your guidebook. Imagine you could get into a time machine and travel back to the fourteenth century. What would you see? What would you smell? More to the point, where are you going to stay? Should you go to a castle or a monastic guesthouse? And what are you going to eat? What sort of food are you going to be offered by a peasant or a monk or a lord? This is the most astonishing social history book you are ever likely to read: revolutionary in its concept, informative and entertaining in its detail, and startling for its portrayal of humanity in an age of violence, exuberance and fear. **BRAIN SHOTS**: the bite-sized guide to a completely different world: England in the Middle Ages

The Time Traveler's Guide to Medieval England Ian Mortimer, 2010 Profiles everyday life in fourteenth-century England, covering everything from period beliefs and styles to hygiene and medical practices, and also discusses the influence of warfare.

The Time Traveler's Guide to Medieval England Ian Mortimer, 2010 Profiles everyday life in fourteenth-century England, covering everything from period beliefs and styles to hygiene and medical practices, and also discusses the influence of warfare.

The Time Traveller's Guide to Restoration Britain Ian Mortimer, 2018-06-26 The past is a foreign country: this is your guidebook. If you could travel back in time, the period from 1660 to 1700 would make one of the most exciting destinations in history. It is the age of Samuel Pepys and the Great Fire of London; bawdy comedy and the libertine court of Charles II — the civil wars are over and a magnificent new era has begun. But what would it really be like to live in Restoration Britain? Where would you stay and what would you eat? How much should you pay for one of those elaborate wigs? Should you trust a physician who advises you to drink fresh cow's urine to cure your gout? Why are boys made to smoke in school? And why are you unlikely to get a fair trial in court? The third volume in the series of Ian Mortimer's bestselling Time Traveller's Guides answers these crucial questions and encourages us to reflect on the customs and practices of daily life. This unique guide not only teaches us about the seventeenth century but makes us look with fresh eyes at the modern world.

The Outcasts of Time Ian Mortimer, 2018-01-02 December 1348. What if you had just six days to save your soul? With the country in the grip of the Black Death, brothers John and William fear that they will shortly die and suffer in the afterlife. But as the end draws near, they are given an unexpected choice: either to go home and spend their last six days in their familiar world, or to search for salvation across the forthcoming centuries, living each one of their remaining days ninety-nine years after the last. John and William choose the future and find themselves in 1447, ignorant of almost everything going on around them. The year 1546 brings no more comfort, and 1645 challenges them in further unexpected ways. It is not just that technology is changing; things they have taken for granted all their lives prove to be short-lived. As they find themselves in stranger and stranger times, the reader travels with them, seeing the world through their eyes as it shifts through disease, progress, enlightenment, and war. But their time is running out—can they do something to redeem themselves before the six days are up?

Millennium Ian Mortimer, 2016-11-08 In *Millennium*, bestselling historian Ian Mortimer takes the reader on a whirlwind tour of the last ten centuries of Western history. It is a journey into a past vividly brought to life and bursting with ideas, that pits one century against another in his quest to measure which century saw the greatest change. We journey from a time when there was a fair chance of your village being burned to the ground by invaders — and dried human dung was a recommended cure for cancer — to a world in which explorers sailed into the unknown and civilizations came into conflict

with each other on an epic scale. Here is a story of godly scientists, fearless adventurers, cold-hearted entrepreneurs, and strong-minded women — a story of discovery, invention, revolution, and cataclysmic shifts in perspective. Millennium is a journey into the past like no other. Our understanding of human development will never be the same again, and the lessons we learn along the way are profound ones for us all.

The Time Traveler's Guide to Medieval England Ian Mortimer, 2011-10-25 Previously published in hardback by Simon & Schuster in 2010; originally published: London: Bodley Head, 2008.

Henry V: The Warrior King of 1415 Ian Mortimer, 2014-02-22 From an award-winning historian: “A new and convincing likeness of medieval England’s most iconic king” (The Sunday Times). This biography by the bestselling author of *The Time Traveler’s Guide to Medieval England* takes an insightful look at the life of Henry V, casting new light on a period in history often held up as legend. A great English hero, Henry V was lionized by Shakespeare and revered by his countrymen for his religious commitment, his sense of justice, and his military victories. Here, noted historian and biographer Ian Mortimer takes a look at the man behind the legend and offers a clear, historically accurate, and realistic representation of a ruler who was all too human—and digs up fascinating details about Henry V’s reign that have been lost to history, including the brutal strategies he adopted at the Battle of Agincourt. “The most illuminating exploration of the reality of 15th-century life that I have ever read.” —The Independent “Compelling, exuberant . . . vivid.” —Simon Sebag Montefiore, New York Times—bestselling author of *The Romanovs: 1613-1918*

The Time Traveller's Guide to Restoration Britain Ian Mortimer, 2017 The past is a foreign country: this is your guidebook. If you could travel back into the past, the period from 1660 to 1700 would make one of the most exciting destinations in history. Samuel Pepys and the Great Fire of London; bawdy comedy and the libertine court of Charles II; Christopher Wren in architecture, Henry Purcell in music and Isaac Newton in science -- The Civil War is over and a magnificent new era has begun. But what was life really like in Restoration Britain? What would you wear, where would you stay and what would you eat? How much should you pay for one of those elaborate wigs? Should you trust a physician who advises you to drink fresh cow's urine to cure your gout? And why are you unlikely to get a fair trial in court? Although the Restoration set out to return peace and order to Britain after the upheaval created by the civil wars and Cromwell's Commonwealth, these were truly revolutionary decades. Rapid change in all areas of life made people question long-held views and beliefs. Most of all, this is a time when religion and superstition were beginning to give way to a rational and scientific outlook on the world. This third volume in the bestselling series of *Time Traveller's Guides* tells you everything you'd need to know as a prospective traveller to seventeenth-century Britain.

Summary of Ian Mortimer's The Time Traveler's Guide to Medieval England Everest Media, 2022-08-08T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The city is so proud, so grand, and in

some places so beautiful, but it also displays all the disgusting features of a bloated glutton. The city as a whole is a caricature of the human body: smelly, dirty, commanding, rich, and indulgent. #2 A major town is a intimidating place. It is a place of fear and decay, but it is also a place of activity and life. As you walk under the shadow of a city gatehouse, you realize that it is much more than that. #3 The city is alive with activity, and within a short time, you forget about the traitors. The absence of animal dung in the streets is a sign of the city's vitality. #4 The noise and textures of the city do not reflect the fact that few people actually live in the larger towns and cities of England. The daytime population of a city can be two or even three times greater than the number of people living within the walls.

Human Race Ian Mortimer, 2015-10-01 We are an astonishing species. Over the past millennium of plagues and exploration, revolution and scientific discovery, woman's rights and technological advances, human society has changed beyond recognition. Sweeping through the last thousand years of human development, Human Race is a treasure chest of the lunar leaps and lightbulb moments that, for better or worse, have sent humanity swerving down a path that no one could ever have predicted. But which of the last ten centuries saw the greatest changes in human history? History's greatest tour guide, Ian Mortimer, knows what answer he would give. But what's yours?

The Time Traveler's Guide to Regency Britain Ian Mortimer, 2022-04-05 A vivid and immersive history of Georgian England that gives its reader a firsthand experience of life as it was truly lived during the era of Jane Austen, Percy Bysshe Shelley, and the Duke of Wellington. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveler's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history: the Regency, or Georgian England. A time of exuberance, thrills, frills and unchecked bad behavior, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic, and political change. And like all periods in history, it was an age of many contradictions—where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. Once more, Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in, and what they were afraid of. Conveying the sights, sound,s and smells of the Regency period, this is history at its most exciting, physical, visceral—the past not as something to be studied but as lived experience.

Women in Medieval England Lynda Telford, 2018-05-15 This fascinating book explores the status of women in medieval England, both before and after the Norman Conquest.

Ian Mortimer Time Travellers Guide To Medieval

England Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ian Mortimer Time Travellers Guide To Medieval England has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ian Mortimer Time Travellers Guide To Medieval England has opened up a world of possibilities. Downloading Ian Mortimer Time Travellers Guide To Medieval England provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ian Mortimer Time Travellers Guide To Medieval England has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ian Mortimer Time Travellers Guide To Medieval England. These websites range from academic databases offering research papers and

journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ian Mortimer Time Travellers Guide To Medieval England. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ian Mortimer Time Travellers Guide To Medieval England, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ian Mortimer Time Travellers Guide To Medieval England has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms.

By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ian Mortimer Time Travellers Guide To Medieval England Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ian Mortimer Time Travellers Guide To Medieval England is one of the best book in our library for free trial. We provide copy of Ian Mortimer Time Travellers Guide To

Medieval England in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ian Mortimer Time Travellers Guide To Medieval England. Where to download Ian Mortimer Time Travellers Guide To Medieval England online for free? Are you looking for Ian Mortimer Time Travellers Guide To Medieval England PDF? This is definitely going to save you time and cash in something you should think about.
