**Charlotte Wils, Maurice Barthélemy**

**Osez être bien au travail !** Sophie Geilenkirchen, 2024-12-05 Chacun de nous peut être acteur de son bien-être au travail et de celui de son entreprise. C'est cette conviction profonde qui a mené Sophie Geilenkirchen à rédiger ce guide pratique, destiné aussi bien aux professionnels des RH, aux CEO, qu'aux managers et aux collaborateurs. Structuré autour de la Roue du Bien-Être au Travail, ce guide explore, sur un ton léger, optimiste et accessible, sept domaines clés pour enrichir à la fois notre vie professionnelle et personnelle. Si le livre a pour premier objectif d'offrir une vision globale sur le bien-être au travail, chaque chapitre peut également être consulté sur un aspect spécifique : concept théorique, conseils pratiques destinés à l'entreprise ou au collaborateur ou encore témoignages récoltés auprès de quarante professionnels. Il propose également une feuille de route concrète en 9 étapes - la méthode « W.o.r.k.i.n.j.o.y » - qui guidera les professionnels RH dans l'implémentation de la Roue du Bien-Être. Prenez les rênes et déployez une véritable culture de bien-être dans votre entreprise ! À PROPOS DE L'AUTRICE Sophie Geilenkirchen est riche d'une expérience de plus de trente ans en finance, management et ressources humaines en entreprises. Désireuse de combiner la performance et l'épanouissement des équipes, Sophie a créé en 2015 son entreprise, WorkInJoy, qui a pour mission d'accompagner les entreprises et les hôpitaux à prendre soin du bien-être de leur personnel. Depuis, Sophie a amélioré la vie de milliers de collaborateurs grâce à ses formations et missions de consultance.

*Hypersensibles en situation de harcèlement* Charlotte Wils, Maurice Barthélemy, 2024-01-10 Le harcèlement concerne de nombreux hypersensibles. Pas toujours intentionnel, il peut être involontaire et même inconscient, mais il est toujours vécu avec une grande violence par les personnes qui le subissent. Dans ce nouvel opus, l'auteure met en évidence les méthodes éducatives, les contextes familiaux et professionnels ou sociaux perçus comme harcelants ou maltraitants pour une personne hypersensible. Mais aussi tous les schémas éducationnels ou managériaux ainsi que les comportements ressentis comme malveillants, menaçants ou dangereux par un hypersensible. En déroulant tout un panel de situations, il permet à chacun de reconnaître et comprendre les situations peut-être déjà vécues pour apprendre à s'en préserver ou s'en dégager avant qu'il ne soit trop tard. Facile à lire, avec une approche globale du thème dans la pluralité de ses nombreux aspects (à l'école, au travail, dans l'intimité du couple, en amitié et le virtuel), ce livre démontre les conséquences de ces anciennes méthodes destructrices pour les hypersensibles, mais aussi pour les nouvelles générations plus sensibles dans ce monde en mutation.

Charlotte Wils est certifiée coach, spécialiste dans l'accompagnement des personnes hypersensibles. Son accompagnement est basé sur un processus de coaching humaniste associé à la programmation neuro-linguistique et à la thérapie systémique et stratégique issue de l'École de Palo Alto.
