## Osamu Dazai

**No Longer Human** Osamu Dazai, 2012-09-30 The poignant and fascinating story of a young man who is caught between the breakup of the traditions of a northern Japanese aristocratic family and the impact of Western ideas. Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Portraying himself as a failure, the protagonist of Osamu Dazai's *No Longer Human* narrates a seemingly normal life even while he feels himself incapable of understanding human beings. His attempts to reconcile himself to the world around him begin in early childhood, continue through high school, where he becomes a "clown" to mask his alienation, and eventually lead to a failed suicide attempt as an adult. Without sentimentality, he records the casual cruelties of life and its fleeting moments of human connection and tenderness. Still one of the ten bestselling books in Japan, *No Longer Human* is an important and unforgettable modern classic: "The struggle of the individual to fit into a normalizing society remains just as relevant today as it was at the time of writing." (The Japan Times)

**A Shameful Life** Osamu Dazai, 2018-11-13 Recipient of the 2018 William F. Sibley Memorial Subvention Award for Japanese Translation A new, definitive translation of the postwar classic known to the west as *No Longer Human*—a tortured vision inspiring the likes of Junji Ito and Bungo Stray Dogs Osamu Dazai is one of the most famous—and infamous—writers of 20th-century Japan. *A Shameful Life* (*Ningen Shikkaku*) is his final published work and has become a bestselling classic for its depiction of the tortured struggle of a young man to survive in a world that he cannot comprehend. Paralleling the life and death of Dazai himself, the delicate weaving of fact and fiction remorselessly documents via journals the life of Yozo, a university student who spends his time in increasing isolation and debauchery. His doomed love affairs, suicide attempts, and constant fear of revealing his true self haunt the pages of the book and reveal a slow descent into madness. This dark tale nevertheless conveys something authentic about the human heart and its inability to find its true bearing. Gibeau's translation cements *A Shameful Life*'s place in the existentialist literary canon from Dostoevsky to Camus. Fans of Bungo Stray Dogs will recognize Osamu Dazai as one of the characters named after the giants of Japanese literature. Those familiar with the numerous adaptations in graphic novels and animation can experience the source material in faithful, modern prose.
