Marco Cascella

Pull Me Up Dan Barry, 2004 A generational memoir of the American suburbs, Pull Me Up is a deeply affecting book. With prose that to Frank McCourt flashes with poetry, New York Times columnist Dan Barry tells the story of an unforgettable American family. He writes so crisply that we not only feel his emotions but also recall our own: the joy of Little League, the thrill of small-town reporting, the pain of losing a parent, and the fear of facing a life-threatening illness. Barry's writing has its own stalwart beauty, a single melody teased out of the American symphony. Here is the voice of an authentic American writer.

The Black Rose Tanya Payne,2022-04-14 It was 1984, October 21, ten days before Halloween. Salem, Massachusetts, would never be the same. One young girl from Salem High School took it upon herself to solve as terrifying a crime as she would ever face. What she discovered was beyond her worst nightmare. The horror began on the night of October 20. The first body was found next to an old abandoned church. The body was of a young woman. She had been beheaded, probably from being accused of witchcraft, and next to the decomposing body lay a black rose. But what did it mean? Two more young girls vanished the next night. Their bodies were also found next to old abandoned churches. They were also beheaded, and a black rose was left beside each body. There was a serial killer at work.

The Queen Gene Jennifer Coburn,2007-02-01 In this hip, outrageous, so-funny-and-true-it-hurts novel, Jennifer Coburn explores the ties that bind--and sometimes strangle--between mothers and daughters. . . If It's Not One Thing, It's Your Mother. You are so lucky to have a mother like Anjoli. That's what all my friends say. But really, my friends weren't there when I was eight and my theatre-savvy, drama queen of a mother said she didn't want to take me to the Central Park Zoo because the animals didn't put on a good show. My mother is like a vapor: when she enters a room, she occupies every bit of space. Don't get me wrong--I adore my mom. . .from a distance. It's just, well, what can you say about a woman who takes her

teacup Chihuahua to every new age healer in Manhattan, who has a living-beauty will so her eyebrows will still look great if she's in a coma, and who tells my cousin Kimmy that the sperm bank has too many rules and suggests a new lipstick and a train ride to Princeton instead? To top it off, she calls me ten times a day to say, Darling, I'm in crisis! What, like I'm not? In addition to mothering my mother, I'm also trying to keep my marriage hot with a two-year-old under foot. . .babysitting the artists in residence at my Berkshires artists' colony, which seems to be the Bermuda Triangle of creativity but a breeding ground for seriously insane. . .resisting an attraction to a man so sexy he could give your eyeballs an orgasm. . .and trying to rid my 100-year-old home of mischievous ghosts. Yeah, sort of got my hands full. The way I see it, I've got two choices: go completely mad, or start living my own life on my own terms, starting with my mother. I'm just not sure which option is crazier. . . Entertaining. . .fresh, fast, and unpredictable. . .I didn't want it to end! --Jen Lancaster A fun and fast-paced ride through family madness. . .I really enjoyed it! --Caren Lissner

The High Heart Joseph Bathanti, 2007 The beautiful linked stories in Joseph Bathanti's award-winning collection, *The High Heart*, bring us an ensemble of heartbreakingly vivid characters, headed by the young Fritz Sweeny and his volatile and eccentric parents, all of them caught in a weir of desperation, frustration, hilarity, confusion, and deep affection. The setting is Pittsburgh in the sixties and seventies, when the city still lay in the trough of industrial collapse, when the boundaries of long-established ethnic neighborhoods had begun to blur and bend against the pressures of economically driven population shifts, when Vietnam was gobbling up the children of a whole generation. Through the painfully honest perplexity of Fritz, we are afforded a clear view of the family, the neighborhood, the city, and the era. In the deftness of their portraiture and dialogue and in the depth of their compassion for the nearly lost, these stories invite comparisons with the writing of Nelson Algren, Fred Pfeil, and Kurt Vonnegut. And their loving invocation of a particular city, warts and all, will recall for lovers of American fiction the magnificent Albany novels of William Kennedy.
