The Lenormand Fortune Telling Book Andreas Nostra Dahm,2024-03-13 For centuries, many people have felt the need to find out more about their future and their personal fate. In the late 18th and 19th centuries, cartomancy experienced a popular boom in Europe. During this time, 36 small Lenormand Cards were created. With its facts about the origins and origins of Lenormand Cards, this book enables you to learn how to unravel the future with these popular fortune telling cards, just as it was once practiced long time ago. In addition to the traditional and historical core meanings of the 36 cards, a list of everyday themes such as love, work, and finances, as well as other general and explanatory keywords, make it possible to actively acquire knowledge. Explanations on the first steps with small, modern divination methods as well as a description how to read the GT (grand spread) in both a modern and classic way also enable a further understanding of the possible interpretations of the cards. This textbook in the art of card reading may be an inspiration and a dictionary of the language of Lenormand Cards for both beginners and advanced.

African Oracles in 10 Mi Richard T. Kaser,2010-10-12 For more than 1000 years, the Yoruba of Nigeria have planned their lives, found true love, and learned their destiny through a vibrant and poetic fortune-telling system. African Oracles in 10 Minutes puts the power of these ancient methods in your hands. Sensing the strong link between sexual and spiritual energy, the Yoruba have traditionally explored both male and female paths to wisdom. You can choose to follow either the White Cotton Road, which women have relied on for centuries, or the Melon Seed Road, favored by men. Each path offers more than 250 readings that are both relevant to modern life and faithful to the spirit of the original systems. All you need are 16 objects -- coins, shells, beads or dried beans -- to get instant answers to yes or no questions as well as in-depth readings on more profound considerations. African Oracles in 10 Minutes provides both a fascinating glimpse of Yoruban spiritualism and a time-honored method for unlocking the secrets of the past and revealing the destiny that awaits you.
