Saint Thomas (Aquinas)

A Treasury of Quotations on the Spiritual Life from the Writings of St. Thomas Aquinas, Doctor of the Church

John P. McCleron, 2007-01-01 This is the fifth volume in this series of deluxe, small hardcover books that contain a collection of hundreds of direct quotes and short sayings of great saints, this book being from the writings of St. Thomas Aquinas. His words are arranged and classified by the virtues represented in the 20 decade Rosary. The Rosary mysteries - Joyful, Luminous, Sorrowful, Glorious - provide us with a mosaic of virtues for the spiritual life, a ladder for advancing in holiness and in love of God and neighbor. The previous volumes in this series featured quotes from the writings of St. Therese of Lisieux, St. Francis de Sales, St. Catherine of Siena, and St. Teresa of Avila.

Yahweh to Hell Rich Woods, 2015-03-18 Yahweh to Hell comes at a time in our nation's political discourse when the eight-hundred pound gorilla in the room is Christian Dominionism. Renowned author and satirist Rich Woods returns, and this time he's got the twenty-first century version of the Republican Party in his sights. With an uncommon perspective and singular wit, Woods systematically dissects the runaway bigotry, social regression, misogyny, economic illiteracy and overall lack of rationale in the fundamentalist Christian dominated Tea Party/GOP. At times brutally funny, and/or gut wrenchingly astute, Woods is unique amongst his peers in his ability to combine acumen with unapologetic mockery. Yet while Y2H oscillates back and forth between sobriety and satire, it manages to shine a light in the darkest parts of American politics. Indeed, Rich Woods demonstrates once again that he is equally adept with both a scalpel, and a chainsaw. This book will anger many and drive others to uncontrolled laughter. As long as it makes them rethink what they've been told, the author doesn't care. Bob Ingle, award-winning journalist, Radio and TV commentator and co-author of The New York Times Best Seller, The Soprano State: New Jersey's Culture of Corruption and Chris Christie: The Inside Story Of His Rise To Power Rich Woods is down to earth, outspoken, acerbic, and has absolutely no patience for ignorance or stupidity. He has mastered the art of the book-length rant, and gives voice to the frustration so many of us feel with religion in the United States. William Hamby, Columnist, Examiner.com This book should be required reading of all Republican voters in America. Rich pulls the curtain back from a party that many of us used to respect, to show that there is nothing decent left. Brian Sapien, Secular

activist, and Founder of the Rational Responders

From Truth and truth Francis Etheredge,2016-01-14 We begin philosophising (cf. Fides et Ratio, 3, 30) without realising that we are philosophers; but, in time, we discover our own identity as philosophers and, at the same time, come to critically examine it. What, therefore, is the interrelationship between reason and sense; indeed, is not “sense”, subtly sensitive through reason? Questions, then, arise out of our life, our observations and from what we learn. But it is not only about being ready, well-trained or perfect in our reasoning; rather, it is about taking up the impulse and the task of seeking the truth. On the one hand, then, we can question everything and end up with nothing; but, on the other hand, there are many points of departure: experience; maxims; and the wisdom which comes through “many advisers” (Prov 15: 22). Ideas abound about what might be the case; but a philosophical investigation is also about coming into the presence of “being”. Many people have gone before and go with us, and will come after us; and, therefore, this book marks a contribution to understanding both the “activity” of philosophising and the conversation about what “is” (cf. Fides et Ratio, 44). We discover that to exist is to search through the apparent contradictions in our experience and to find, eventually, that there are both good foundations and buildings begun, and also great unanswered or unsatisfactorily answered questions. There is an ongoing work, too, to establish the mystery of the person “implicated” in human action. Therefore, there is both the inveterate call of the subject to be investigated, and, at the same time, the ever-present need of the grace of perseverance to pursue it. This book is also about the slow discovery of the beautiful but inadequate nature of natural truth. The wonder of natural truth is that it exists like the literal sense: a kind of foundational reasoning; however, just as Revelation perfects natural truth, so the human person is a living expression of the “whole” literal and spiritual sense of created being. Hence the title of this volume, *Faithful Reason*, makes explicit a “witness” to what is beyond itself.

Eckhart's Apophatic Theology Vladimir Lossky,2024-02-29 Vladimir Lossky's posthumously published masterwork is now made available in English for the first time. Eckhart's Apophatic Theology is the culmination of a long process, whereby the renowned Orthodox philosopher and theologian embraced the ways of thinking of a thirteenth-century German mendicant and mystic. While refusing to simplify Eckhart's theology to a system or single motif, Lossky explores in detail the various ramifications of Eckhart's insistence on the ineffability of God. Is God to be regarded as 'being', or the 'One', or 'Intellect'?

Does God's pure expression of each of these preclude the others? Framed by six key statements about God's essence, Lossky lays out Eckhart's approach to this dilemma. His understanding of the problem, guided by careful engagement with a multitude of sources, is exhaustive. Scholars will welcome this eagerly-anticipated translation.

To Praise, To Bless, To Preach Maurice Keating, 2018-11-01 This book gives a glimpse of Saint Dominic and fifteen other blessed or canonized Dominicans who lived over the period until the twentieth century. Whether their major contributions were intellectual truths, spiritual truths, relief of hunger and physical discomfort, amelioration of social division, their own lives in martyrdom, or any kind of gift.
