

The Island Benchley Novel

I.Q. Hunter, Matthew Melia

The Island Peter Benchley, 1979 A reporter goes to the Caribbean to investigate the mysterious disappearance of hundreds of boats.

The Island Peter Benchley, 1979-01-01 Two men and a boy, on the boat they charter to game - fishermen are lazing away the hottest hours of a caribbean day when they notice a canoe which appears to be adrift. They manoeuvre it alongside their boat, one of the men reaches to pull back the tarpaulin which conceals whatever it contains - and the reader receives a jolting shock which reminds him of those famous first pages of Jaws. New York journalist Blair Maynard is intrigued by the variety of the explanations..... He lands in that Island - the strangest island in all the West Indies..... PETER BENCHLEY, Author of JAWS and THE DEEP excercises his precious gift of story telling, in a story which is both the strangest and the best he has concieved.

Sport Diver, 2001-01

Spinegrinder Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called “godfather of gore,” carries the same stripes as Alfred Hitchcock, “master of suspense.” SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

Major 20th-century Writers Bryan Ryan, 1991 VOL. 1 (A-D) VOL. 2 (E-K) VOL. 3. (L-Q) VOL. 4 (R-Z/INDEXES).

Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2010-05-12 Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more literary guides. Provides high school and college students with everything they need to know to understand the authors and works of

American popular fiction.

The American Popular Novel After World War II David Willbern, 2013-04-05 Through the perspectives of selected best-selling novels from the end of World War II to the end of the 20th century--including *The Catcher in the Rye*, *To Kill a Mockingbird*, *The Godfather*, *Jaws*, *Beloved*, *The Silence of the Lambs*, and *Jurassic Park*--this book examines the crucial issues the U.S. was experiencing during those decades. These novels represent the voices of popular conversations, as Americans considered issues of family, class, racism and sexism, feminism, economic ambition, sexual violence, war, law, religion and science. Through the windows of fiction, the book surveys the Cold War and anti-communism, the prefeminist era of the 1950s and the sexual revolution of the 1970s, forms of corporate power in the 1960s and 1980s, the traumatic legacies of slavery and Vietnam, the American fascination with lawyers, cops and criminals, alternate styles of romance in the era of late capitalism, our abiding distrust of science, and our steadfast wonder about the Great Mysteries.

The Jaws Book I.Q. Hunter, Matthew Melia, 2020-09-17 After 45 years, Steven Spielberg's *Jaws* remains the definitive summer blockbuster, a cultural phenomenon with a fierce and dedicated fan base. *The Jaws Book: New Perspectives on the Classic Summer Blockbuster* is an exciting illustrated collection of new critical essays that offers the first detailed and comprehensive overview of the film's significant place in cinema history. Bringing together established and young scholars, the book includes contributions from leading international writers on popular cinema including Murray Pomerance, Peter Krämer, Sheldon Hall, Nigel Morris and Linda Ruth Williams, and covers such diverse topics as the film's release, reception and canonicity; its representation of masculinity and children; the use of landscape and the ocean; its status as a western; sequels and fan-edits; and its galvanizing impact on the horror film, action movie and contemporary Hollywood itself.

Slasher and splatter films. Italian giallo and Japanese city-stomping monster flicks. Psychological horrors, spoofs, and nature running amuck. You will find these terrors and many more in *The Horror Show Guide: The Ultimate Frightfest of Movies*. No gravestone is left unturned to bring you entertaining critiques, fascinating top-ten lists, numerous photos, and extensive credit information to satisfy even the most die-hard fans. Written by a fan for fans, *The Horror Show Guide* helps lead even the uninitiated to unexpected treasures of unease and mayhem with lists of similar motifs, including ... Urban Horrors Nasty Bugs, Mad Scientists and Maniacal Medicos Evil Dolls Bad Hair Days Big Bad Werewolves Most Appetizing Cannibals Classic Ghost Stories Fiendish Families Guilty Pleasures

Literary Adaptations Horrible Highways and Byways Post-Apocalyptic Horrors Most Regrettable Remakes Towns with a Secret and many more. With reviews on many overlooked, underappreciated gems, new devotees and discriminating dark-cinema enthusiasts alike will love this big, beautiful, end-all, be-all guide to an always popular film genre. With many photos, illustrations, and other graphics, The Horror Show Guide is richly illustrated. Its helpful appendix of movie credits, bibliography, and extensive index add to its usefulness.

Atlas of Imagined Places Matt Brown, Rhys B. Davies, 2021-09-28 WINNER, Edward Stanford Travel Writing Awards 2022: Illustrated Travel Book of the Year. HIGHLY COMMENDED, British Cartographic Society Awards 2022. From Stephen King's Salem's Lot to the superhero land of Wakanda, from Lilliput of Gulliver's Travels to Springfield in The Simpsons, this is a wondrous atlas of imagined places around the world. Locations from film, tv, literature, myths, comics and video games are plotted in a series of beautiful vintage-looking maps. The maps feature fictional buildings, towns, cities and countries plus mountains and rivers, oceans and seas. Ever wondered where the Bates Motel was based? Or Bedford Falls in It's a Wonderful Life? The authors have taken years to research the likely geography of thousands of popular culture locations that have become almost real to us. Sometimes these are easy to work out, but other times a bit of detective work is needed and the authors have been those detectives. By looking at the maps, you'll find that the revolution at Animal Farm happened next to Winnie the Pooh's home. Each location has an extended index entry plus coordinates so you can find it on the maps. Illuminating essays accompanying the maps give a great insight into the stories behind the imaginary places, from Harry Potter's wizardry to Stone Age Bedrock in the Flintstones. A stunning map collection of invented geography and topography drawn from the world's imagination. Fascinating and beautiful, this is an essential book for any popular culture fan and map enthusiast.

Something about the Author Kevin Hile, 1997 Contains biographical information and critical essays concerning the works of over 100 authors and illustrators of children's works.

Book Review Digest, 1979 Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.
