Alan Rathe

The Meaning of Singleness Danielle Treweek, 2023-05-09 Drawing upon ancient and contemporary theologians, Dani Treweek offers biblical, historical, cultural, and theological reflections to retrieve a theology of singleness for the church today. Far from being a burden, she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God's people.

Evangelicals, Worship and Participation Alan Rathe, 2016-04-22 In discussions of worship, the term 'participation' covers a lot of ground. It refers not only to concrete acts in gathered liturgy, but also to some of the loftiest claims of Christian theology. In this book, Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation. Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology. This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect, and offers fresh perspectives on such current theological concerns as God's triunity, missio Dei, and the practical theology of participation. Offering a fresh contribution to a young but important discipline, the liturgically-informed study of evangelical worship practice, this book reconnects the evangelical tradition to the 'Great Tradition' and in the process re-appropriates classic concepts that are full of promise for contemporary ecumenical dialogue.

Unleashing Peace Jeremiah J. Johnston, 2021-12-07 Here's a powerful, biblical antidote to despair!--LEE STROBEL, New York Times bestselling author God's peace, his shalom, can penetrate every aspect of your life--spiritually, mentally, physically, and emotionally. Although the word shalom appears 550 times in the Scriptures and was a constant theme in Jesus' teachings, it is a neglected topic today. As a result, God's peace has been elusive to so many followers of Jesus. This book charts a course of shalom for you! As Greg Laurie writes in the foreword, since we are made in God's image, you could say we have been prewired for happiness. We are prewired for hope. We are prewired for peace. If you are longing for healing and wholeness, noted Bible scholar Jeremiah J. Johnston will help you discover how to · Unleash shalom in your life ·

Live and apply shalom in God's world · Protect your shalom in difficult times This uplifting book is also helpful for ministry leaders and everyone else who recognizes the church's incredible opportunity today to help individuals and families dealing with anxiety, worry, and mental pain. Let this be your guide into the peace that passes all understanding. Shalom! This is more than surviving; we are offered the gift of truly flourishing.--SHEILA WALSH, author of *Holding On When You Want to Let Go* In this reassuring meditation on Christian happiness... Johnston's mix of scholarly and uplifting notes will speak to solace seekers and their ministry leaders alike.--PUBLISHERS WEEKLY

Delighting in the Old Testament Jason DeRouchie, 2025-02-13 Understanding the Old Testament's Purpose in the Christian's Life Today The Old Testament makes up the majority of the Christian Bible, yet incorrect teaching of its texts abounds in the church. Without effectively studying these stories, covenants, and kingdoms within their close, continuing, and complete biblical contexts, believers miss the beauty of the Old Testament, including how it points to Jesus, and why it still matters today. Jason DeRouchie helps Christians delight in the books of the Old Testament and read them the way God intended—as relevant parts of Christian Scripture. This accessible guide stresses the need to keep Christ at the center and to account for the progress of salvation history when applying the Old Testament today. It helps Christians interpret the Old Testament, see how it testifies to Jesus, believe that Jesus secured every divine promise, and understand how Jesus makes Moses's law still matter. By more strongly comprehending Old Testament teachings and how they relate to the New, Christians will better enjoy the Old Testament itself and increasingly understand all that Jesus came to fulfill. In-Depth Study: Shows the lasting relevance of Old Testament laws, history, prophecy, and wisdom, and gives insight into the authors and audience of Old Testament books A Great Resource for Pastors, Students, and Small Groups: Prepares Christian leaders to faithfully teach the Old Testament and equips all Christians to embrace that the Old Testament is Christian Scripture Accessible: Includes numerous case studies, Review and Reflection points for every chapter, and a glossary of key terms

The Prodigal God Discussion Guide Timothy Keller, 2009-09-13 Two sons, one who kept the rules religiously and one who broke them all. One Father who loved both lost sons beyond anything they could imagine. Discover how deep and far God's grace goes in *The Prodigal God* The Prodigal God discussion guide will help you uncover, personalize, and apply life-changing insights from *The Prodigal God* DVD and book. In six captivating sessions, pastor and New York Times bestselling author Timothy Keller opens your eyes to the powerful message of Jesus' best-known—and least understood—parable. The Prodigal God is a revelation of the very heart of the gospel: God's radical love for sinners of every kind. Taking you beyond the traditional focus on the wayward younger son, Keller helps you glean insights from each of the characters in Jesus' parable: the irreligious younger son, the moralistic elder son, and the Father who lavishes his love on both. Inside this guide,

you'll explore questions for group discussion and personal reflection, and exercises that will help you experience the truths of Jesus' parable in your own life. The gospel is neither religion nor irreligion, but something else entirely. Whether you're a devout believer or a skeptic, The Prodigal God will challenge you to see Christianity in a whole new way. Session titles include the following: The Parable The People Around Jesus The Two Lost Sons The Elder Brother The True Elder Brother The Feast of the Father Designed for use with The Prodigal God DVD and book.

Timothy Keller: The Reason for God, Making Sense of God and The Prodigal God Timothy Keller, 2018-01-11 The Reason for God: this book has been written for believers and non-believers, sceptics and churchgoers, and charts a brilliantly considered and impassioned path to Christianity - a Mere Christianity for the twenty-first century. Making Sense of God: a prequel to Keller's A Reason for God: a thoughtful look at the role faith and religion can play in modern lives. The Prodigal God: focused on Jesus' best-known parable - the prodigal son - as a paradigm for the central messages of Christianity: grace, hope and salvation.

Bridge Type Specific Management of Steel Stringer Bridges Arthur J. Helmicki, 2006 According to the National Bridge Inventory, the most common type of short-to-medium span highway bridge in the US is the reinforced concrete (RC) slab-on-steel girder bridge with RC abutments and piers, comprising approximately half of Ohio's inventory. For these bridges AASHTO currently offers a number of rating methods each of which is based solely on theoretical and design calculations. These methods are known to result in subjective/conservative ratings, not calibrated against field measurements, and hence possibly not objectively reflecting the realities and impacts of individual bridge condition as well as design details. Visual inspections provide at best qualitative and subjective information on bridge condition which is hard to incorporate into the rating process. One result of this approach is the potentially inefficient management and maintenance practices based on conservative/subjective ratings and inspection reports. In addition, there is the need to understand the true impact design and construction practices have on serviceability and safety of the bridge inventory, something which cannot be explored based on the current approaches.
