

When Darkness Loves Us

Lyndon

When Darkness Loves Us (Paperbacks from Hell) Elizabeth Engstrom,2019-05-07 Originally published in hardcover by William Morrow in 1985--Copyright page.

Paperbacks from Hell Grady Hendrix,2017-09-19 From the New York Times best-selling author of The Southern Book Club's Guide to Slaying Vampires comes a nostalgic and unflinchingly funny celebration of the horror fiction boom of the 1970s and '80s. Take a tour through the horror paperback novels of two iconic decades . . . if you dare. Page through dozens and dozens of amazing book covers featuring well-dressed skeletons, evil dolls, and knife-wielding killer crabs! Read shocking plot summaries that invoke devil worship, satanic children, and haunted real estate! Horror author and vintage paperback book collector Grady Hendrix offers killer commentary and witty insight on these trashy thrillers that tried so hard to be the next Exorcist or Rosemary's Baby. Complete with story summaries and artist and author profiles, this unforgettable volume dishes on familiar authors like V. C. Andrews and R. L. Stine, plus many more who've faded into obscurity. Also included are recommendations for which of these forgotten treasures are well worth your reading time and which should stay buried.

Feral and Hysterical Sadie Hartmann,2025-08-19 Discover the Scream Queens of Must-Read Horror Bram Stoker Awards® winning author Sadie "Mother Horror" Hartmann has curated the ultimate collection of recommendations from the leading ladies of horror! From classic authors such as Mary Shelley, Shirley Jackson, and Daphne du Maurier to the modern wave of indie names and all the underrated voices waiting to be discovered, there's enough deadly damsels in here to leave you feeling distressed long after you've run out of shelf space. Each recommendation includes a spoiler-free synopsis and has been carefully catalogued and organized into thematic reading lists making it easier than ever to sate your darkest desires. Are you in your Gothic Era? Love watching a marriage gruesomely fall apart? Just finished Mexican Gothic and need more Sporrer in your life? Whatever you're vibing with, there's a list for that. Featuring a foreword by prolific horror author Ania Ahlborn and five essays from Alma Katsu, Alexis Henderson, Christina Henry, Rae Wilde, and Laura Purcell, this fully illustrated reader's guide is a must-have for any horror fanatic looking to get out of a reading slump or diversify their TBR pile.

Monster, She Wrote Lisa Kröger,Melanie R. Anderson,2019-09-17 Meet the women writers who defied convention to craft

some of literature's strangest tales, from Frankenstein to The Haunting of Hill House and beyond. Frankenstein was just the beginning: horror stories and other weird fiction wouldn't exist without the women who created it. From Gothic ghost stories to psychological horror to science fiction, women have been primary architects of speculative literature of all sorts. And their own life stories are as intriguing as their fiction. Everyone knows about Mary Shelley, creator of Frankenstein, who was rumored to keep her late husband's heart in her desk drawer. But have you heard of Margaret "Mad Madge" Cavendish, who wrote a science-fiction epic 150 years earlier (and liked to wear topless gowns to the theater)? If you know the astounding work of Shirley Jackson, whose novel The Haunting of Hill House was reinvented as a Netflix series, then try the psychological hauntings of Violet Paget, who was openly involved in long-term romantic relationships with women in the Victorian era. You'll meet celebrated icons (Ann Radcliffe, V. C. Andrews), forgotten wordsmiths (Eli Colter, Ruby Jean Jensen), and today's vanguard (Helen Oyeyemi). Curated reading lists point you to their most spine-chilling tales. Part biography, part reader's guide, the engaging write-ups and detailed reading lists will introduce you to more than a hundred authors and over two hundred of their mysterious and spooky novels, novellas, and stories.
