The Oxford Handbook of Ellipsis Jeroen van Craenenbroeck, Tanja Temmerman, 2019 This handbook is the first volume to provide a comprehensive, in-depth, and balanced discussion of ellipsis, a phenomena whereby expressions in natural language appear to be incomplete but are still understood. It explores fundamental questions about the workings of grammar and provides detailed case studies of inter- and intralinguistic variation.

The Line in the Sand E. M. Holloway, 2018-01-15 Justin St. John is the leader of the Lycan Tribunal, the most powerful and influential werewolf in the world. Thompson's Bounty: A Ship Out of Time Duane Gundrum, 2014-02-01 A ruthless pirate. An English admiral out for vengeance. A Coast Guard cutter out of time and thrust into the middle of a mortal conflict between two very angry men.... Today. Stephen Thompson is a man with a problem. You wouldn't know it by looking at him: A young, brash commander of the Coast Guard cutter USS Melbourne. By all accounts, he should have his whole life ahead of him. 1579. Captain Stone is also a man with a problem. The former XO to a ruthless English captain, Stone is now the captain of his own vessel, the Eustace, a pirate ship prowling the seas of the Caribbean. Now he spends his days eluding his former captain, now Admiral Deadmon, a man who will stop at nothing to wreak havoc upon his former XO as mortal vengeance. As both of them know, it is only a matter of time before Deadmon's ship of the line comes in contact with the Eustace. But Stone has one card left to play before Deadmon catches up with him: A secret that allows the Eustace to travel through time, pulling an unsuspecting Coast Guard cutter back through time with it. Thompson, out of time and out of place, finds himself in the middle of an ageless rivalry between two very angry men. Slowly, Thompson's intentions to survive and protect his crew begin to give way to crossing grey lines of morality, as the only way home lies in the trust of a very elusive pirate captain who may hold the key to the greatest bounty of history.
